RESOLUTION NO. 31

A RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF
$1,495,000 WATERWORKS SYSTEM REVENUE BONDS, SERIES 2016A
OF THE VILLAGE OF LITTLE CHUTE, OUTAGAMIE COUNTY, WISCONSIN,
AND PROVIDING FOR THE PAYMENT OF THE BONDS AND
OTHER DETAILS WITH RESPECT TO THE BONDS

WHEREAS, the Village of Little Chute, Outagamie County, Wisconsin (the "Village")
owns and operates its Waterworks System (the "System") which is operated for a public purpose
as a public utility; and

WHEREAS, under the provisions of Section 66.0621, Wisconsin Statutes, any
municipality in the State of Wisconsin may, by action of its governing body, provide funds for
extending, adding to and improving a public utility or refunding obligations issued to finance
such extensions, additions and improvements from the proceeds of bonds, which bonds are
payable only from the income and revenues derived from any source by such utility and are
secured by a pledge of the revenues of the utility; and

WHEREAS, pursuant to a resolution adopted on May 18, 2005 (the "2005 Resolution"),
the Village has heretofore issued its Waterworks System Revenue Bonds, Series 2005, dated
June 1, 2005 (the "2005 Bonds"), which bonds are payable from the income and revenues of the
System; and

WHEREAS, pursuant to a resolution adopted on April 2, 2008 (the "2008 Resolution"),
the Village has heretofore issued its Waterworks System Revenue Bonds, Series 2008, dated
May 6, 2008 (the "2008 Bonds"), which bonds are payable from the income and revenues of the
System on a parity with the 2005 Bonds (hereinafter the 2005 Bonds and the 2008 Bonds shall
be referred to collectively as the "Refunded Obligations"); and

WHEREAS, the Village has determined that it is necessary and desirable to refund the
Refunded Obligations for the purpose of achieving debt service cost savings and changing
payment dates of obligations paid from income and revenues of the System (the "Refunding");
and

WHEREAS, the Village has also determined that certain additions, improvements and
extensions to the System consisting of replacing the roof of pumphouse No. 2 and resin at
pumphouse Nos. 2 and 4 and rehabilitation of a watermain (collectively, the "Project") are
necessary to adequately supply the needs of the Village and the residents thereof; and

WHEREAS, it is necessary, desirable and in the best interests of the Village to authorize
and sell revenue bonds (the "Bonds") for such purposes payable solely from the revenues to be
derived from the operation of the System, which bonds are to be authorized and issued pursuant
to the provisions of Section 66.0621, Wisconsin Statutes; and

WHEREAS, other than the Refunded Obligations, the Village has no bonds or
obligations outstanding which are payable from the income and revenues of the System; and
WHEREAS, the Village has directed Ehlers & Associates, Inc. ("Ehlers") to take the steps necessary to sell the Bonds; and

WHEREAS, Ehlers, in consultation with the officials of the Village, prepared a Notice of Sale (a copy of which is attached hereto as Exhibit A and incorporated herein by this reference) setting forth the details of and the bid requirements for the Bonds and indicating that the Bonds would be offered for public sale on June 15, 2016; and

WHEREAS, the Village Clerk (in consultation with Ehlers) caused a form of notice of the sale to be published and/or announced and caused the Notice of Sale to be distributed to potential bidders offering the Bonds for public sale on June 15, 2016; and

WHEREAS, the Village has duly received bids for the Bonds as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation"); and

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Notice of Sale and is deemed to be the most advantageous to the Village. Ehlers has recommended that the Village accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference.

NOW, THEREFORE, the Village Board of the Village of Little Chute, Outagamie County, Wisconsin, do resolve that:

Section 1A. Ratification of the Notice of Sale and Offering Materials. The Village Board of the Village hereby ratifies and approves the details of the Bonds set forth in Exhibit A attached hereto as and for the details of the Bonds. The Notice of Sale and any other offering materials prepared and circulated by Ehlers are hereby ratified and approved in all respects. All actions taken by officers of the Village and Ehlers in connection with the preparation and distribution of the Notice of Sale, and any other offering materials are hereby ratified and approved in all respects.

Section 1B. Authorization of Bonds. For the purpose of paying the cost of the Project and the Refunding, the Village shall borrow on the credit of the income and revenue of the System the sum of $1,495,000. Negotiable, fully-registered bonds of the Village, in the denomination of $5,000, or any whole multiple thereof, shall be issued in evidence thereof. The Bonds shall be designated "Waterworks System Revenue Bonds, Series 2016A", shall be numbered from R-1 upward and shall be dated July 6, 2016. The Bonds shall bear interest at the rates per annum set forth in the Proposal and shall mature on May 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference.

Interest on the Bonds shall be payable on May 1 and November 1 of each year, commencing May 1, 2017. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.
The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

The Bonds maturing on May 1, 2024 and thereafter shall be subject to redemption prior to maturity, at the option of the Village, on May 1, 2023 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the Village and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption. The Proposal specifies that some of the Bonds are subject to mandatory redemption and the terms of such mandatory redemption are set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the Village shall direct.

The schedule of maturities is found to be such that the amount of annual debt service payments is reasonable in accordance with prudent municipal utility practices.

The Village Board hereby determines that the Refunding is advantageous and necessary to the Village.

Section 1.C. Security for the Bonds. The Bonds, together with interest thereon, shall not constitute an indebtedness of the Village nor a charge against its general credit or taxing power. The Bonds, together with interest thereon, shall be payable only out of the Special Redemption Fund provided for in Section 4 herein, and shall be a valid claim of the registered owner or owners thereof only against the Special Redemption Fund and the Revenues of the System pledged to such fund. Sufficient Revenues are hereby pledged to said Special Redemption Fund, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds as the same becomes due.

Section 2. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit B and incorporated herein by this reference.

Section 3. Definitions. In addition to the words defined elsewhere in this Resolution, the following words shall have the following meanings unless the context or use indicates another or different meaning or intent:

"Annual Debt Service Requirement" means the total amount of principal and interest due in any Fiscal Year on the Bonds and Parity Bonds.

"Bond Year" means the one-year period ending on a principal payment date or mandatory redemption date for the Bonds.

"DTC" means The Depository Trust Company, New York, New York, or any successor securities depository for the Village with respect to the Bonds.
"Fiscal Year" means the fiscal year adopted by the Village for the System, which is currently the calendar year.

"Net Revenues" means the Revenues minus all Operation and Maintenance Expenses of the System.

"Operation and Maintenance Expenses" means the reasonable and necessary costs of operating, maintaining, administering and repairing the System, including salaries, wages, costs of materials and supplies, insurance and audits, but excluding depreciation, debt service, tax equivalents and capital expenditures.

"Parity Bonds" means additional bonds or obligations issued on a parity as to pledge and lien with the Bonds in accordance with the provisions of Section 7 of this Resolution.

"Reserve Requirement" means an amount, determined as of the date of issuance of the Bonds, equal to the least of (a) 10% of the stated principal amount of the Bonds (to the extent permitted pursuant to Section 148(d)(1) of the Code and Regulations); (b) the maximum annual debt service on the Bonds; and (c) 125% of average annual debt service on the Bonds. If Parity Bonds which are to be secured by the Reserve Account are issued, the Reserve Requirement shall mean an amount, determined as of the date of issuance of the Parity Bonds, equal to the least of (a) the amount required to be on deposit in the Reserve Account prior to the issuance of such Parity Bonds, plus the amount permitted to be deposited therein from proceeds of the Parity Bonds pursuant to Section 148(d)(1) of the Code and Regulations; (b) the maximum annual debt service on outstanding obligations secured by the Reserve Account and the Parity Bonds to be issued; and (c) 125% of average annual debt service on the outstanding obligations secured by the Reserve Account and the Parity Bonds to be issued.

"Regulations" means the Regulations of the Commissioner of Internal Revenue under the Code.

"Revenues" means all income and revenue derived from operation of the System, including the revenues received from the Village for services rendered to it and all moneys received from any other source, including income derived from investments.

"System" means the entire Waterworks System of the Village including all property of every nature now or hereafter owned by the Village for the extraction, collection, storage, treatment, transmission, distribution, metering and discharge of industrial and potable public water including all improvements and extensions thereto made by the Village while any of the Bonds and Parity Bonds remain outstanding, including all real and personal property of every nature comprising part of or used or useful in connection with such Waterworks System and including all appurtenances, contracts, leases, franchises and other intangibles.

Section 4. Income and Revenue Funds. When the Bonds shall have been delivered in whole or in part, the Revenues shall be set aside into the following separate and special funds, which were created and established by an ordinance adopted August 1, 1978 (the "1978 Ordinance") and are hereby continued and shall be used and applied as described below:
- Revenues in amounts sufficient to provide for the reasonable and proper operation and maintenance of the System through the payment of Operation and Maintenance Expenses shall be set aside into the Waterworks System Operation and Maintenance Fund (the "Operation and Maintenance Fund").

- Revenues in amounts sufficient to pay the principal of and interest on the Bonds and Parity Bonds and to meet the Reserve Requirement shall be set aside into the Waterworks System Revenue Bond and Interest Special Redemption Fund (the "Special Redemption Fund"), to be applied to the payment of the principal of and interest on the Bonds and Parity Bonds and to meet the Reserve Requirement. The monies standing in the Special Redemption Fund are irrevocably pledged to the payment of principal of and interest on the Bonds and Parity Bonds.

- Revenues in amounts sufficient to provide a proper and adequate depreciation account for the System shall be set aside into the Waterworks System Depreciation Fund (the "Depreciation Fund").

The Operation and Maintenance Fund and Depreciation Fund shall be deposited as received in public depositories to be selected by the Village Board in the manner required by Chapter 34 of the Wisconsin Statutes and may be invested in legal investments subject to the provisions of Section 66.0603(1m), Wis. Stats.

Money in the Operation and Maintenance Fund shall be used to pay Operation and Maintenance Expenses as the same come due; money not immediately required for Operation and Maintenance Expenses shall be used to accumulate a reserve in the Operation and Maintenance Fund equal to estimated Operation and Maintenance Expenses for one month. Any money then available and remaining in the Operation and Maintenance Fund may be transferred to the Surplus Fund.

Revenues shall be deposited in the Depreciation Fund each month until such amount as the Village Board may from time to time determine to constitute an adequate and reasonable depreciation account for the System (the "Depreciation Requirement") is accumulated therein. Money in the Depreciation Fund shall be available and shall be used, whenever necessary, to restore any deficiency in the Special Redemption Fund and for the maintenance of the Reserve Account therein. When the Special Redemption Fund is sufficient for its purpose, funds in the Depreciation Fund may be expended for repairs, replacements, new construction, extensions or additions to the System. Any money on deposit in the Depreciation Fund in excess of the Depreciation Requirement which is not required during the current Fiscal Year for the purposes of the Depreciation Fund, may be transferred to the Surplus Fund.

It is the express intent and determination of the Village Board that the amount of Revenues to be set aside and paid into the Special Redemption Fund (including the Reserve Account) shall in any event be sufficient to pay principal of and interest on the Bonds and Parity Bonds and to meet the Reserve Requirement, and the Village Treasurer shall each Fiscal Year deposit at least sufficient Revenues in the Special Redemption Fund to pay promptly all principal and interest falling due on the Bonds and Parity Bonds and to meet the Reserve Requirement.
Revenues shall be deposited in the Special Redemption Fund so that the amount required to pay principal and interest due on the Bonds and Parity Bonds on any payment date is on deposit in the Special Redemption Fund at least thirty (30) days prior to the payment date.

The minimum amounts to be so deposited for debt service on the Bonds are set forth on the Schedule.

The Special Redemption Fund shall be used for no purpose other than the payment of interest upon and principal of the Bonds and Parity Bonds promptly as the same become due and payable or to pay redemption premiums. All money in the Special Redemption Fund shall be deposited in a special account and invested in legal investments subject to Section 66.0603(1m), Wis. Stats., and the payments required to be made to the Special Redemption Fund shall be made directly to such account.

The Reserve Account established by the 1978 Ordinance shall be continued to additionally secure the payment of principal of and interest on the Bonds. The Village covenants and agrees that upon the issuance of the Bonds an amount equal to the Reserve Requirement shall be on deposit in the Reserve Account and shall be maintained therein.

The Village covenants and agrees that at any time that the Reserve Account is drawn on and the amount in the Reserve Account shall be less than the Reserve Requirement, an amount equal to one-twelfth of the Reserve Requirement will be paid monthly into the Reserve Account from those funds in the Special Redemption Fund, the Operation and Maintenance Fund, the Depreciation Fund and the Surplus Fund which are in excess of the minimum amounts required by the preceding paragraphs to be paid therein until the Reserve Requirement will again have accumulated in the Reserve Account. No such payments need be made into the Reserve Account at such times as the monies in the Reserve Account are equal to the highest remaining annual debt service requirement on the Bonds and Parity Bonds secured by the Reserve Account in any Bond Year. If at any time the amount on deposit in the Reserve Account exceeds the Reserve Requirement, the excess shall be transferred to the Special Redemption Fund and used to pay principal and interest on the Bonds. If for any reason there shall be insufficient funds on hand in the Special Redemption Fund to meet principal or interest becoming due on the Bonds or Parity Bonds secured by the Reserve Account, then all sums then held in the Reserve Account shall be used to pay the portion of interest or principal on such Bonds or Parity Bonds becoming due as to which there would otherwise be default, and thereupon the payments required by this paragraph shall again be made into the Reserve Account until an amount equal to the Reserve Requirement is on deposit in the Reserve Account.

Funds in the Special Redemption Fund in excess of the minimum amounts required to be paid therein plus reserve requirements may be transferred to the Surplus Fund.

Money in the Surplus Fund shall first be used when necessary to meet requirements of the Operation and Maintenance Fund including the one month reserve, the Special Redemption Fund including the Reserve Account, and the Depreciation Fund. Any money then remaining in the Surplus Fund at the end of any Fiscal Year may be used only as permitted and in the order specified in Section 66.0811(2), Wis. Stats. Money thereafter remaining in the Surplus Fund may be transferred to any of the funds or accounts provided for in this section.
Section 5. Service to the Village. The reasonable cost and value of any service rendered to the Village by the System by furnishing waterworks services for public purposes, including reasonable health protection charges, shall be charged against the Village and shall be paid by it in monthly installments as the service accrues, out of the current revenues of the Village collected or in the process of collection, exclusive of the Revenues, and out of the tax levy of the Village made by it to raise money to meet its necessary operation and maintenance expenses. It is hereby found and determined that the reasonable cost and value of such service to the Village in each year shall be in an amount which, together with Revenues of the System, will produce Net Revenues equivalent to not less than 1.25 times the Annual Debt Service Requirement. Such compensation for such service rendered to the Village shall, in the manner provided hereinabove, be paid into the separate and special funds described in Section 4 of this Resolution. However, such payment is subject to (a) annual appropriations by the Village Board therefor, (b) approval of the Wisconsin Public Service Commission, or successors to its function, if necessary, and (c) applicable levy limits, if any; and neither this Resolution nor such payment shall be construed as constituting an obligation of the Village to make any such appropriation over and above the reasonable cost and value of services rendered to the Village and its inhabitants or to make any subsequent payment over and above such reasonable cost and value.

Section 6. Operation of System; Village Covenants. It is covenanted and agreed by the Village with the owner or owners of the Bonds, and each of them, that:

(a) The Village will faithfully and punctually perform all duties with reference to the System required by the Constitution and Statutes of the State of Wisconsin, including the making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, and will collect and segregate the Revenues of the System and apply them to the respective funds and accounts described hereinabove;

(b) The Village will not sell, lease, or in any manner dispose of the System, including any part thereof or any additions, extensions, or improvements that may be made part thereto, except that the Village shall have the right to sell, lease or otherwise dispose of any property of the System found by the Village Board to be neither necessary nor useful in the operation of the System, provided the proceeds received from such sale, lease or disposal shall be paid into the Special Redemption Fund or applied to the acquisition or construction of capital facilities for use in the normal operation of the System, and such payment shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund;

(c) The Village will cause the Project to be completed as expeditiously as reasonably possible;

(d) The Village will pay or cause to be paid all lawful taxes, assessments, governmental charges, and claims for labor, materials or supplies which if unpaid could become a lien upon the System or its Revenues or could impair the security of the Bonds;

(e) The Village will maintain in reasonably good condition and operate the System, and will establish, charge and collect such lawfully established rates and charges for the service rendered by the System, so that in each Fiscal Year Net Revenues shall not be less than 125% of the Annual Debt Service Requirement, and so that the Revenues of the System herein
agreed to be set aside to provide for the payment of the Bonds and Parity Bonds and the interest thereon as the same becomes due and payable, and to meet the Reserve Requirement, will be sufficient for those purposes;

(f) The Village will prepare a budget not less than sixty days prior to the end of each Fiscal Year and, in the event such budget indicates that the Net Revenues for each Fiscal Year will not exceed the Annual Debt Service Requirement for each corresponding Fiscal Year by the proportion stated hereunder, will take any and all steps permitted by law to increase rates so that the aforementioned proportion of Net Revenues to the Annual Debt Service Requirement shall be accomplished as promptly as possible;

(g) The Village will keep proper books and accounts relative to the System separate from all other records of the Village and will cause such books and accounts to be audited annually by a recognized independent firm of certified public accountants including a balance sheet and a profit and loss statement of the System as certified by such accountants. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein shall include the following: (1) a statement in detail of the income and expenditures of the System for the Fiscal Year; (2) a statement of the Net Revenues of the System for such Fiscal Year; (3) a balance sheet as of the end of such Fiscal Year; (4) the accountants' comment regarding the manner in which the Village has carried out the requirements of this Resolution and the accountants' recommendations for any changes or improvements in the operation of the System; (5) the number of connections to the System at the end of the Fiscal Year, for each user classification (i.e., residential, commercial, public and industrial); (6) a list of the insurance policies in force at the end of the Fiscal Year setting out as to each policy the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy; and (7) the volume of water used as the basis for computing the service charge; and

(h) So long as any of the Bonds are outstanding the Village will carry for the benefit of the owners of the Bonds insurance of the kinds and in the amounts normally carried by private companies or other public bodies engaged in the operation of similar systems. All money received for loss of use and occupancy shall be considered Revenue of the System payable into the separate funds and accounts named in Section 4 of this Resolution. All money received for losses under any casualty policies shall be used in repairing the damage or in replacing the property destroyed provided that if the Village Board shall find it is inadvisable to repair such damage or replace such property and that the operation of the System has not been impaired thereby, such money shall be deposited in the Special Redemption Fund, but in that event such payments shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund.

Section 7. Additional Bonds. No bonds or obligations payable out of the Revenues of the System may be issued in such manner as to enjoy priority over the Bonds. Additional obligations may be issued if their lien and pledge is junior and subordinate to that of the Bonds. Additional obligations may be issued on a parity with the Bonds as to the pledge of Revenues of the System ("Parity Bonds") only if all of the following conditions are met:

(a) Either:
(i) The Net Revenues for the last completed Fiscal Year preceding the issuance of such additional obligations must have been at least equal to one and one-quarter (1.25) times the average combined annual interest and principal requirements on all Bonds and any Parity Bonds then outstanding payable from the revenues of the System (other than Bonds and any Parity Bonds being refunded), and the obligations so proposed to be issued, for any succeeding Fiscal Year in which there shall be a principal maturity on such outstanding bonds; provided, however, that if prior to the authorization of such additional obligations the Village shall have adopted and put into effect a revised schedule of rates, then the Net Revenues of the System for the last completed Fiscal Year which would, in the written opinion of an independent consulting engineer or independent certified public accountant employed for that purpose, have resulted from such rates had they been in effect for such period may be used in lieu of the actual Net Revenues for the last completed Fiscal Year; or

(ii) An independent certified public accountant or consulting professional engineer provides a certificate setting forth for each of the three Fiscal Years commencing with the Fiscal Year following that in which the projects financed by such additional obligations are to be completed, the projected Net Revenues and the maximum annual interest and principal requirements on all bonds outstanding payable from the Gross Revenues of the System and on the obligations then to be issued (the "Maximum Annual Debt Service Requirement"); and demonstrating that for each such Fiscal Year the projected Net Revenues will be in an amount not less than 125% of such Maximum Annual Debt Service Requirement;

b. The payments required to be made into the funds and accounts enumerated in Section 4 of this Resolution (including the Reserve Account, but not the Surplus Fund) must have been made in full.

c. The Parity Bonds must have principal maturing on May 1 of each year in which principal falls due and interest falling due on May 1 and November 1 of each year.

d. If the Parity Bonds are to be secured by the Reserve Account, the amount on deposit in the Reserve Account must be increased to an amount equal to the Reserve Requirement applicable upon the issuance of Parity Bonds as defined in Section 3 of this Resolution.

e. The proceeds of the Parity Bonds must be used only for the purpose of providing additions, extensions or improvements to the System, or to refund obligations issued for such purpose.

Section 8. Sale of Bonds. The bid of the Purchaser for the purchase price set forth in the Proposal be and it hereby is accepted and the President and Village Clerk are authorized and directed to execute an acceptance of the offer of said successful bidder on behalf of the Village. The good faith deposit of the Purchaser shall be retained by the Village Treasurer until the closing of the bond issue, and any good faith deposits submitted by unsuccessful bidders shall be
promptly returned. The officers of the Village are authorized and directed to do any and all acts necessary to conclude delivery of the Bonds to the Purchaser, upon receipt of the purchase price, as soon after adoption of this Resolution as is convenient.

Section 9. Application of Bond Proceeds. All accrued interest received from the sale of the Bonds shall be deposited into the Special Redemption Fund. An amount of proceeds, if any, of the Bonds necessary to make the amount on deposit in the Reserve Account equal to the Reserve Requirement shall be deposited in the Reserve Account. An amount of proceeds of the Bonds sufficient to provide for the payment of the Refunded Obligations shall be deposited in a special account designated the "Refunding Fund" and used for that purpose. The balance of the proceeds, less the expenses incurred in authorizing, issuing and delivering the Bonds, shall be deposited in a special fund designated as "Waterworks System Improvement Fund." Said special fund shall be adequately secured and used solely for the purpose of meeting costs of extending, adding to and improving the System, as described in the preamble hereof. The balance remaining in said Improvement Fund after paying said costs shall be transferred to the Special Redemption Fund for use in payment of principal of and interest on the Bonds.

Section 10. Amendment to Resolution. After the issuance of any of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except:

a. The Village may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and

b. This Resolution may be amended, in any respect, with the written consent of the owners of not less than two-thirds of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the Village; provided, however, that no amendment shall permit any change in the pledge of Revenues derived from the System, or in the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 11. Defeasance. When all Bonds have been discharged, all pledges, liens, covenants and other rights granted to the owners thereof by this Resolution shall cease. The Village may discharge all Bonds due on any date by depositing into a special account on or before that date a sum sufficient to pay the same in full; or if any Bonds should not be paid when due, it may nevertheless be discharged by depositing into a special account a sum sufficient to pay it in full with interest accrued from the due date to the date of such deposit. The Village, at its option, may also discharge all Bonds called for redemption on any date when they are prepayable according to their terms, by depositing into a special account on or before that date a sum sufficient to pay them in full, with the required redemption premium, if any, provided that notice of redemption has been duly given as required by this Resolution. The Village, at its option, may also discharge all Bonds of said issue at any time by irrevocably depositing in
escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or
 guaranteed as to principal and interest of the U.S. Government, or of a commission, board or
 other instrumentality of the U.S. Government, maturing on the dates and bearing interest at the
 rates required to provide funds sufficient to pay when due the interest to accrue on each of said
 Bonds to its maturity or, at the Village's option, if said Bond is prepayable to any prior date upon
 which it may be called for redemption, and to pay and redeem the principal amount of each such
 Bond at maturity, or at the Village's option, if said Bond is prepayable, at its earliest redemption
 date, with the premium required for such redemption, if any, provided that notice of the
 redemption of all prepayable Bonds on such date has been duly given or provided for. Upon
 such payment or deposit, in the amount and manner provided by this Section, all liability of the
 Village with respect to the Bonds shall cease, terminate and be completely discharged, and the
 owners thereof shall be entitled only to payment out of the money so deposited.

Section 12. Investments and Arbitrage. Monies accumulated in any of the funds and
 accounts referred to in Sections 4 and 9 hereof which are not immediately needed for the
 respective purposes thereof, may be invested in legal investments subject to the provisions of
 Sec. 66.0603(1m), Wisconsin Statutes, until needed. All income derived from such investments
 shall be credited to the fund or account from which the investment was made; provided,
 however, that at any time that the Reserve Requirement is on deposit in the Reserve Account,
 any income derived from investment of the Reserve Account shall be deposited into the Special
 Redemption Fund and used to pay principal and interest on the Bonds. A separate banking
 account is not required for each of the funds and accounts established under this Resolution;
 however, the monies in each fund or account shall be accounted for separately by the Village and
 used only for the respective purposes thereof. The proceeds of the Bonds shall be used solely for
 the purposes for which they are issued but may be temporarily invested until needed in legal
 investments. No such investment shall be made in such a manner as would cause the Bonds to
 be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations.

An officer of the Village, charged with the responsibility for issuing the Bonds, shall, on
 the basis of the facts, estimates and circumstances in existence on the date of closing, make such
 certifications as are necessary to permit the conclusion that the Bonds are not "arbitrage bonds"
 under Section 148 of the Code or the Regulations.

Section 13. Resolution a Contract. The provisions of this Resolution shall constitute a
 contract between the Village and the owner or owners of the Bonds, and after issuance of any of
 the Bonds no change or alteration of any kind in the provisions of this Resolution may be made,
 except as provided in Section 10, until all of the Bonds have been paid in full as to both principal
 and interest. The owner or owners of any of the Bonds shall have the right in addition to all
 other rights, by mandamus or other suit or action in any court of competent jurisdiction, to
 enforce such owner's or owners' rights against the Village, the governing body thereof; and any
 and all officers and agents thereof including, but without limitation, the right to require the
 Village, its governing body and any other authorized body, to fix and collect rates and charges
 fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In
 order to make the Bonds eligible for the services provided by The Depository Trust Company,
 New York, New York ("DTC"), the Village agrees to the applicable provisions set forth in the
Blanket Issuer Letter of Representations previously executed on behalf of the Village and on file in the Village Clerk's office.

Section 15. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Bond Trust Services Corporation, Roseville, Minnesota, which is hereby appointed as the Village's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Fiscal Agency Agreement between the Village and the Fiscal Agent shall be substantially in the form attached hereto as Exhibit F and incorporated herein by this reference.

Section 16. Persons Treated as Owners; Transfer of Bonds. The Village shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the President and Village Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The Village shall cooperate in any such transfer, and the President and Village Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 17. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the Village at the close of business on the Record Date.

Section 18. Compliance with Federal Tax Laws. (a) The Village represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and the ownership, management and use of the projects will not cause the Bonds or the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The Village further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. federal income tax purposes. The Village Clerk or other officer of the Village charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the Village certifying that the Village can and covenanting that it will comply with the provisions of the Code and Regulations.
