

I am seeking a commercial tenant for a suite in the Foxdale Plaza site. The site we have available is in a building that also houses a Hardware Hank store of 12,000 sq. ft. doing well over a million dollars a year in sales. The suite is 6,000 sq ft that we would be willing to subdivide.

The shopping mall is currently called Foxdale Plaza. It is not a continuous strip mall, but it is surrounded by a block of commercial businesses. The make-up of the business within one block of our site include:

Anchors:

- Larry's Piggly Wiggly, supermarket
- Hardware Hank, hardware store

Financial

- East Wisconsin Savings & Loan
- Community First (within Larry's)
- Edward Jones, investment services
- Insurance Management, Inc, commercial & private insurance

Restaurants

- El Jaripeo Mexican
- #1 Chinese Restaurant
- Village Limits bar and grill
- Landreman's family restaurant
- Hollanders Pub & Grill (& banquet hall)
- Rose Hill Bar, grilled food and volleyball, etc.
- Larry's, salad bar and carry-out deli

Miscellaneous

- Auto Zone auto parts
- Family Dollar, general merchandise
- O'Reilly's auto parts
- Premier Appliance, large home appliance sales & repair
- Heart of the Valley Blood Center
- Laundry Chute Laundromat
- Fanci That Beauty salon
- Best Car Wash
- Fuzzy Buddies Doggie Day Care
- Van Zeeland Nursery, large live goods nursery and contract landscape contractor
- Dwyer's Food Mart, convenience store and gasoline
- Martial Arts / Power Yoga center

I believe that there is a good mix of business here that would complement your business and help add to the number of customers who would find a location of yours here to be convenient to them. I would be most happy to work with you to develop the site to enhance visibility and access for your benefit.
