

**Yard Waste Site - Access Control Card Purchase - 2020 Calendar Year Only**

**4-410**

**Location: Bend In The Road Between Eisenhower Drive and Nixon Street**

**(Next To Municipal Services Building)**

**New Access Card \$20**

**Renewal of Access Card \$5**

**Lost Card & Renewal \$15**

**Access Control Card #** \_\_\_\_\_

**Date of First Purchase:** \_\_\_\_\_

**Date of Reactivation:** \_\_\_\_\_

I, as a resident of the Village of Little Chute, agree to all the rules and regulations stipulated for using the yard waste site. I agree that I will only drop off yard waste (garden debris, small hedge trimmings 6" or less in length, leaves, grass clippings, and lawn rakings) from my residence (not for use by businesses). I will enter the yard waste site only through the security gate. I will follow directions on posted signs as to where to deposit my yard waste at the yard waste site. If my yard waste is bagged in non-biodegradable bags, I will empty the bags on those piles and either take the bags home with me or dispose of them in the containers provided on site. Yard waste contained in biodegradable bags can be left in the bags.

**I will NOT drop off any brush (branches over 6" in length), garbage, recycling, etc. at the yard waste site.**

I understand that only people living at the address listed below, using the vehicles that are registered, will be allowed access to the site. I agree that I will only bring yard waste from my residential property, not friends' or neighbors' properties.

I understand that if I don't follow these rules, my access control card will be made invalid, and I will not be able to use the site any more this calendar year. (Violations will be recorded by surveillance video cameras at the site.)

I agree to not punch holes in the access control card, etc. or the card may be unusable and I will have to purchase another card for \$10.00. If I had no violations in the prior year and wish to use my access control card this year, I will have to pay \$5.00 before the card will be re-activated in the current year. Do not discard your card after the current calendar year as they are re-usable.

If, for any reason, I misplace or loose the access control card (number listed above), I agree that I will pay an additional \$10.00 in the current year if I still wish to access the yard waste site and get a replacement card.

The yard waste site is accessible 7 days a week, from 6:00 am to 8:30 pm, until snow stays on the ground. (The site will open later and close earlier in the Fall.)

**Enter the yard waste site through the left-hand gate entrance using the access control card. Exit using the right-hand side gate entrance. Gate will automatically open as your vehicle approaches it to exit.**
