Progress Reports

MCO Operations Update

J. Verstegen reported on operations taking place in the plants and noted that there were no water main breaks in November. J. Verstegen also reported that all the private hydrants had been flushed with no issues and he noted that this is the last year of the five year agreement with the businesses and industries for the private hydrant flushing and new agreements will need to be established in the spring.

J. Verstegen reported that the current chemical supplier came in with the lowest bids and the prices are lower than last year. J. Verstegen reported that SEH will be finalizing their study of the Jefferson St. plant and the report will be brought to the Commission in January. J. Verstegen provided an update on the status of the private well permitting and that notices will be sent to those that are not in compliance and he will report back on these issues in February. J. Verstegen also reported that they were able to purchase their new truck and it was \$4,000 under budget.

Director of Public Works

Not present.

Finance Director

T. Matheny reported that the Public Works Director had presented dates to the Village Board regarding bid dates and meetings on the 2013 Main Street Utility projects and the Board approved the dates. Clerk Schneider will email the correspondence from McMahons that lists the established dates to the Commissioners.

Approval of Vouchers

Moved by Commissioner Coffey, seconded by Commissioner Gloudemans to approve and authorize payment of the vouchers in the amount of \$72,814.05 and draw from their respective funds.
All Ayes – Motion Carried

Unfinished Business

T. Matheny reported on the PSC change for meters for multi-family units.
