Discussion/Action—Lincoln Avenue Bike Sharrows

Russ Drews from Riverside Drive stated he does not want bike lanes or sharrows. Lincoln Avenue and Riverside Drive should be uniform. Riverside likes its parking. Way finder signs are an option and will save a lot of money. He stated maybe the money could be donated or sponsored. He stated the people of Riverside Drive understand there will be some sort of bike system by but do not want bike lanes.

Trustee Joosten asked why can't the striping on Riverside Drive be changed. Jeff Elrick stated that it has to do with how it's paved and shifting the road over. Administrator Fenlon stated the topic for this action item is for Lincoln Avenue and not Riverside. In April it was discussed and approved to put bike lanes on Riverside and sharrows on Lincoln. If this topic is to be re-visited we will bring back in Graef engineering and publically notice that on a future agenda.

Moved by Trustee Van Lankvelt, seconded by Trustee Smith to put bike route signs on Lincoln Avenue

and discuss Riverside Drive on a future agenda.
