### Discussion/Action—Development Agreement with Integrated Public Resources LLC

Administrator Fenlon presented a copy of the four page development agreement with Integrated Public Resources LLC (IPR). Director Van Gheem and Director Moes worked with five parcel owners located on Harthzeim Drive and Randolph. This project would install a storm water pipe that would extend from Wellhouse #4 and Harthziem right of way and west over to Randolph Drive. It allows property owners to pay for the project and it would enable one of the property owners to engage with an interested party to build a new commercial venture and would allow a current business owner on Randolph Drive to add 10,000 square feet to their building. Staff has met with the property owners and they have all signed on and agreed to move forward. Staff recommends entering into this contract with IPR.

*Moved by Trustee Elrick, seconded by Trustee Van Lankvelt to Approve the Development Agreement with Integrated Public Resources LLC*

Ayes 7, Nays 0—Motion Carried

### Discussion/Potential Action—902 East Greenfield Sidewalk Exception Request

In May, Mr. Vander Sanden of 902 East Greenfield requested the board to grant him an exception for the installation of sidewalks on his property. An aerial map of his property was presented along with a copy of the sidewalk ordinance. Mr. Vander Sanden would like to move forward with the request for the exception. Director Van Gheem stated he views the installation of sidewalks at this property is appropriate. Trustee Peterson asked if Mr. Vander Sanden meets the conditions of a dead end.

*Moved by Trustee Peerenboom, seconded by Trustee Hieptas to grant the exception as requested as it is a dead end street and meets the qualifications of the Ordinance*

Ayes 6, Nays 1 (Vanden Berg)—Motion Carried

**Discussion/Potential Action—300 Fillmore Street Sidewalk**

Jessica Vandenberg of 300 Fillmore Street sent a request to the board as her sidewalk was re-routed because of a tree. Administrator Fenlon explained when a sidewalk is constructed on private property and in the event that a tree is misaligned the tree is removed and the owner is required to realign the sidewalk at the owner's expense. Ms. Vandenberg has done considerable landscaping and 300 Fillmore is part of the street reconstruction this year. Director Moes stated that from a zoning perspective the Village regulates retaining walls and they must be three feet from the lot line. If a permit would have been requested for this retaining wall it would have been denied based on regulation. Director Van Gheem added that this retaining wall adds liability to the Village because it is in the right of way and people could get hurt. He stated that sidewalks are supposed to be realigned when trees are gone and this planter should not be on the property at all. Ms. Vandenberg stated the retaining wall was already there when she purchased the property in 2002. The tree was cut down in 2006 but the stump is still there. Her sidewalks that are not straight were just replaced two years ago because of cracks. Trustee Peterson asked if the Village would pay some of the cost if half the stump was on private property and half on Village Property. Director Van Gheem stated the Village has never done so in the past. Director Moes suggested in the spirit of compromising what's best for the Village and the property have the owner move the retaining wall and plants and allow the Village to grind the stump out. The retaining wall would then go back three feet and it would be a 50/50 cost share for the straightening of the sidewalk.

*Moved by Trustee Peerenboom, seconded by Trustee Peterson to notify the property owner so she can remove all non-conforming objects from the Village right of way. The Village will remove the stump pending signed documents and the sidewalk will be replaced and the property owner will be credited for the one square of the sidewalk.*

Ayes 5, Nays 2 (Smith and Hietpas)—Motion Carried

**Discussion—Resident request regarding urban chickens**

Administrator Fenlon stated that in past weeks, the Village has been contacted by a number of residents regarding urban chickens. Ellen Bastien and Kimberly Kamps appeared to ask the board for an ordinance change to allow chickens. They presented letters from residents and an online petition they started on moveon.org. A brief overview was given on how some area municipalities handled this matter. Green Bay, Oshkosh and Neenah allow some sort of chickens, though the number, type and permitting process varies. After discussion, it was decided not to change the ordinance to allow chickens in the Village of Little Chute.

**Discussion—Incident Response Plan**

Capt Lund with Fox Valley Metro Police Department gave a brief overview and presented a template of the Incident Response Plan. The plan would ensure that all festivals and special events are held in a responsible manner. Anyone that takes out a special event permit has to work with the police department to complete the document. The event organizer must have the completed document back to the police department two months before the event. He is also asking the board not to approve the permits until the document is completed.

**Action—Emergency Response Plan**

*Moved by Trustee Van Lankvelt, seconded by Trustee Elrick to Adopt the Emergency Response Plan as presented*

Ayes 7, Nays 0—Motion Carried

**Discussion—2016 Budget Calendar and Budget Guidance**

Director Matheny presented a brief overview of the proposed budget calendar for 2016 which included the timeline and various milestones within in the 2016 budget process. Given the numerous points of intersect with state aid, impacts to personnel and private factors, these timelines could shift through the process.

**ITEM DESCRIPTION:** Simplified Rate Case Test Calculation

**PREPARED BY:** Teresa Matheny, Finance Director *TM*

**REPORT DATE:** August 5, 2015

**ADMINISTRATOR'S REVIEW/COMMENTS:**

No additional comments to this report *JPF*

See additional comments attached

**EXPLANATION:**

The Public Service Commission of Wisconsin ("PSC") allows a quick calculation to determine the adequacy of current rates. It is called a SRC – Simplified Rate Case. By answering a few questions from the last annual report filed with the Commission, a utility can determine if it is eligible for the rate increase. If either box 7 or box 12 is answered "yes" the utility may apply for the SRC.

The Little Chute Water Utility is again eligible in 2015 to file an SRC. The Director of Public Works and I recommend that the utility apply.

While the Water Utility anticipates the completion of a conventional rate case within the next year. The Utility has significant plant issues to be finalized. The final cost estimate on updates to Well #1 are not complete. The Village does not have a final decision from the Department of Natural Resources at this well. The potential cost of a lift station, new shells and a new drainage system could result in a cost at Well #1 that ranges from hundreds of thousands to over a million. In addition, improvements at Well #1 may require a construction approval by the Public Service Commission of Wisconsin. A conventional rate case could not be filed until both, the cost is finalized and a construction approval is received.

Due to the change in utility billing, the Water Utility needs the additional revenue of \$58,988 to ensure that the Village will be able to maintain bond coverage for 2015 and 2016. The Water Utility will address plant concerns, additional billing and customer service costs, conservation efforts and rate structure issues as the Utility prepares to file a conventional rate case.

This will be the second consecutive SRC for the Water Utility.

**RECOMMENDATION:**

Authorize Finance Director to submit a Simplified Rate Case application effective August 6, 2015 and publish the required notice on Wednesday, August 12, 2015 in the Times Villager.

Village of Little Chute  
**REQUEST FOR VILLAGE BOARD CONSIDERATION**

**ITEM DESCRIPTION: Small Business Micro Loan Application**

**PREPARED BY: James P. Fenlon, Administrator**

**REPORT DATE: July 22<sup>nd</sup>, 2015**

**ADMINISTRATOR'S REVIEW/COMMENTS: ( See Below )**

**EXPLANATION:** In mid-July, Seth Lenz from Seth's Coffee submitted a complete Small Business Micro Loan application for a \$24,000 loan (100% of total project cost) to add a deck to the exterior of his building (\$9k) and purchase/upgrade his espresso machine (\$15k). In addition, the requested loan term was for 10 years at an interest rate of 4%.

On July 21<sup>st</sup>, 2015, the Loan Review Committee met to discuss the merits of the application and present a recommendation for the Village Board to consider. As you recall, the Small Business Micro Loan program is for businesses of 10 employees or fewer and is meant to incentivize job creation, leverage private investment and to perpetuate a positive and proactive business climate that encourages retention and expansion.

The committee discussed a number of issues pertaining to the application, reviewed the application's supporting financial documentation and discussed the general direction of the Village's Micro Loan application program.

Based upon the committee's review, it was recommended that the Micro Loan Program offer Seth's Coffee a loan for \$24,000. In addition, the recommendation was that the loan term would be for 10 years and at a rate of 4%. Lastly, the recommendation requires that the loan would be made with a 2<sup>nd</sup> mortgage as security on the existing building, a personal guarantee from Seth Lenz and a specific filing on the espresso machine.

Factors that influenced the decision of the Loan Review Committee:

- Seth Lenz has successfully participated and repaid other loans with the Village of Little Chute
- This loan allows the business to expand, add value to the property and potentially increase employment
- This loan retains a growing and popular Downtown business
- Most important, this application meets the criteria, spirit and intent of the Small Business/Micro-Loan program

These terms have been agreed to in principle by the proprietor.

**RECOMMENDATION:** Approve the Loan Review Committee's recommendation and direct the Village Attorney to finalize the terms of the Village Small Business Micro Loan Program with Seth's Coffee in conjunction with the Finance Director.
