Lorraine Yarbrough with “A Very Special Place, Inc.”, 1000 W. Main Street, Little Chute, WI advised the purpose of the purchase of the home is for 4 non-related disabled adults to live independently with some supportive supervision. It would be state regulated and licensed. Mike Hippel, future resident at 707 West McKinley presented a message about himself being an active member of Kiwanis and working with others with disabilities. He is excited to have this opportunity of independence. Commissioner Van Lankvelt questioned the amount of renovations to be done, and if there would be basement access. Ms. Yarbrough stated that they would be opening door areas for ADA compliance along with an egress window in the basement and a ramp in the garage. Commissioner Huiting inquired if “A Very Special Place” owns other homes and Ms. Yarbrough confirmed there are no other homes owned currently and no goal of adding housing in the future. Commissioner Van Lankvelt asked if this will be temporary housing. Ms. Yarbrough replied this is permanent. Commissioner Van Lankvelt engaged Mr. Moes inquiring if there have been similar houses that required conditional use permits. Mr. Moes explained that yes, there was one example to which the Village did not receive any complaints. Delena Wirth, 708 West McKinley Street, expressed concerns over zoning, parking, and emergency response along with conditions and restrictions of the property. Ms. Yarbrough explained all but one of the residents are non-drivers and property is to be utilized and licensed as residential rather than a business. Mr. Moes assisted with explanation of the pertinent Village codes. Mary Gitter, representing her Mother, Mrs. Lloyd Vandenheuvel of 715 West McKinley Street had questions regarding the lot maintenance. Executive Director Yarbrough explained “A Very Special Place” will have a contractor that will maintain the lawn and landscaping and the main goal is to look like part of the neighborhood. Director Moes assured that they cannot do anything different than any other homeowner can. Curtis Stark who represents the buyers echoed Director Yarbrough in that it will look and feel just like a residence. Jessica Gill, 700 West McKinley expressed
