All Ayes – Motion Carried

Discussion—Utility Billing

Finance Director Matheny gave a final update on utility billing. Teri Matheny, Molly Derricks and Chris Kang attended utility billing training in Madison last week. Billing data is loaded and Midwest Meter was in this week working on meter readings and also uploading and downloading the hand held device. PSN has handouts available at the Finance counter describing the online options and are being handed out to residents who come in person to pay their property taxes and will be included in the mailed receipts for those who pay elsewhere. PSN pushes for heavy marketing during the first three months of the new implementation for utility billing. Utility billing information is still being marketed in the village newsletter, as an insert in the December MCO bill, the village blog, and on Facebook. Other than the first digit, which identifies the type of customer, the account numbers are the same as Kaukauna Utilities to allow efficient matching of payments and accounts. The village is absorbing the fees for ACH and online banking. Debit and credit cards have a 2.75% fee that is passed on to the customer. Finance has hired a full-time Accounting Clerk and one part-time Cashier to start in January.

Discussion—Primadata

There is a \$2,500 startup fee plus a fee per bill and the postage charge. A contract is not required. Primadata is only handling the bulk billings. Final bills will be printed out of the Finance Department.

Progress Reports

MCO Operations Update

MCO Representative, Jerry Verstegen provided updates for current, past and ongoing Water Department projects and areas of concern. Well #2 had a sensor replaced and end of year maintenance on pumps and compressors is complete. The brine pump, at well #4, was replaced and Taylor street construction is finished. There was a water break on Homewood Court and the service valve at the old Public Works building was replaced.

Director of Public Works

Director of Public Works, Roy Van Gheem provided updates on current projects and stated the Village is currently looking at the design for the new public works facility and for the Grand and McKinley Ave project. A public information meeting on Grand and McKinley Ave is occurring on Wednesday, December 16.

Finance Director

Director of Finance, Teri Matheny gave an update on utilities. A cash flow analysis is going to take place, at a cost of \$3500 for all three utilities. PSC's case load is high right now and it could take a while to get onto their schedule to get approval for the rate case.

Approval of Vouchers

Moved by M. Gloudemans, seconded by T. Bevers to approve and authorize payment of the vouchers and draw from the respective funds.

All Ayes – Motion Carried

Unfinished Business

None

Items for Future Agenda

Report/update on sulfur in the next MCO Report

Adjournment

Moved by M. Gloudemans, seconded by T. Wegand to adjourn the meeting at 6:42 p.m.

**Minutes of the Meeting of the
Kimberly-Little Chute Public Library Board**

January 19, 2016

The meeting was called to order at 4:45 p.m. by President Moes at the Gerard H. Van Hoof Library in Little Chute.

PRESENT: Amanda Fletcher, Dave Hietpas, Jim Hietpas, Jim Moes, Kathii Schommer, Rose Vander Velden, Lori Vanderloop, Phil Yunk.

OTHERS PRESENT: Beth Carpenter, James Fenlon, Adam Hammatt.

MINUTES AND INVOICES

J. Hietpas moved, seconded by D. Hietpas, to approve the minutes of the November 17, 2015 meeting. Motion carried. D. Hietpas moved, seconded by Yunk, to approve the November and December 2015 Invoices. Motion carried. The November and December 2015 financial and statistics reports were discussed. Carpenter reported that many donations made to the library are specified for use only at the Gerard H. Van Hoof Library. Such donations have been deposited with the Village of Little Chute in a donations account for the library and will be reported on a new financial report to track income and expenditures. A handout was provided with a year-end view and comparison of statistics on a variety of measures. Discussion followed.

OLD BUSINESS

Carpenter provided an update on the examination of the Joint Library funding formula and sustainability of services. Additional data was provided that resulted from meetings with Administrators Fenlon and Hammatt. Both Administrators were present and offered their thoughts on topic based on the data provided by and meetings with Carpenter. Discussion followed. Difficulty in establishing the level of service desired for each community was discussed. Carpenter will gather anecdotal data from the Library Plan, social media postings, and patron & staff comments. Administrators Fenlon and Hammatt will continue discussions with their respective Village Presidents.

NEW BUSINESS

A request for consideration was presented, asking if the library could participate in this year's Help for the Homeless campaign, offering fines amnesty to patrons from February 21-March 13, 2016. Fletcher moved, seconded by Vander Velden, to approve the request. Motion carried.

A request for consideration was presented, asking for \$400 from the Joint Library Trust Fund to be committed to volunteer appreciation activities for the coming year. J. Hietpas moved, seconded by Vanderloop, to approve the request. Motion carried.

Carpenter presented a recommended update to the Circulation Policy, extending library card expiration dates from 1 year to 2. Discussion followed. Yunk moved, seconded by Vander Velden, to approve the updated Circulation Policy as presented. Motion carried.

At present, library staff are only reimbursed for mileage on personal vehicles when traveling outside the Fox Cities for workshops or other training opportunities. However, staff attend many meetings within the Fox Cities,

as well as travel to pick up supplies and materials. Carpenter requested consideration for reimbursement of local mileage for staff. Discussion followed. Carpenter was directed to find out if the Village of Kimberly Personnel Handbook has direction on the matter and to discuss how claims would be processed with the Kimberly financial manager. The topic will be brought back to a future meeting for discussion and action.

The annual review of the Library Plan will be brought to the next meeting.

DIRECTORS REPORT

New staff are settling in well. One position remains open and has been posted. Interviews will be scheduled by the end of January. Carpenter expects additional staff to resign this year due to retirement and/or seeking full-time employment.

The 2016 Fox Cities Reads selection has been made. The launch is set for February 17 at 10AM, location to be determined. Fox Cities Book Festival authors have been booked, titles are purchased, and displays will go up soon. Additional adult programming includes Creative Coloring for Adults, Midweek Matinees, Master Gardeners' series, and financial workshops.

Carpenter's participation in the Public Library System Revision Steering Committee for the state of Wisconsin continues. Workgroup leadership roles have been appointed and membership for each workgroup will now be recruited. A retreat for all committee and workgroup participants is scheduled for March 9-10, 2016. The Annual Report for 2015 will be due February 19th, so Carpenter will be working on that in the coming month.

The "Return of Library Materials" bill (SB 466/AB 609) continues to move forward. Billing staff are now working with the Village of Kimberly to list bills for lost or damaged materials in the Tax Refund Interception Program (TRIP) with the hopes that some of the library's losses will be recovered.

Carpenter will be exploring options for adjustable workstations due to staff health concerns.

YOUTH SERVICES REPORT

U.S. Venture/Schmidt Family Foundation awarded the library \$3,500 for the purchase of STEAM materials. This will enable the library to match purchases for the Kimberly Library that were funded for the Little Chute Library by a Cheesefest grant. The library's first program celebrating the Cheesefest grant purchases was held January 18th with 77 people braving the cold for the program.

The library's 2nd annual winter reading program, A Minion Reasons to Read, has had over 400 registrations. The program will conclude with a Minion Madness party on Saturday, January 30th at the Kimberly Library. Winter Tales Story Time was offered to preschoolers and parents in January with an average of around 37 participants each week.

Hardginski visited the freshmen career skills classes at Little Chute High School and shared information about InfoSoup and 24/7 reference materials available to them. Hardginski also participated in Family Literacy Night with the Community Child Care Center and Kimberly High School's brain development class. The literacy nights are sponsored by a grant from Target.

Little Chute schools have early release every Wednesday, so the library will be offering a Lego Lab from 2:30-4:30PM that day each week during the month of February. Other upcoming projects include coordinating author Gordon Korman's visit to schools and the library on March 2nd, booking summer programs, preparing for family

story time in February and March, scheduling spring break events, and working with the ELL teachers at Little Chute Elementary School to host their Family Night at the library.

ITEMS FOR FUTURE AGENDAS

Reimbursement of local mileage to staff and review of the Library Plan will be included on the next meeting agenda. No other items were offered.

ADJOURNMENT

D. Hietpas moved, seconded by J. Hietpas, to adjourn the meeting at 5:55 p.m. Motion carried.

Respectfully submitted,
Beth A. Carpenter, Recording Secretary

Ayes 6, Nays 0 – Motion Carried

Minutes of the Committee of the Whole Meeting of February 24, 2016

Moved by Trustee Smith, seconded by Trustee Van Lankvelt to Approve the Minutes of the Committee of the Whole Meeting of February 24, 2016.

Ayes 6, Nays 0 – Motion Carried

Public Hearing—Grand, McKinley and Wilson

Moved by Trustee Van Lankvelt, seconded by Trustee Peterson to enter into Public Hearing

Ayes 6, Nays 0 – Motion Carried

Nick Vande Hey of McMahon gave an overview of the Engineer's Report for the McKinley Avenue Reconstruction project. This report contains the cost for each parcel. A brief overview of payment options was given.

Gene Hardesty, 723 Lori Lane—Felt that 20 days was too short of a turn-around time for a response to the notice. Also, he wanted to know if he could grind down the sidewalk himself and the Public Works Director said that it is allowed, but to seek approval from the Village before doing the work. Finally, Gene felt that the tree in the terrace is the reason the sidewalk is lifting and that the problem will be reoccurring if the tree remains in place. The Park, Rec. & Forestry Director Breest stated that he will evaluate this issue and that if anyone else has tree issues they should contact the Village.

Bill Joosten, 2301 Joan Ct.—Stated that he has a tree issue that is affecting his sidewalk.

Cindy Mangan, 103 Fillmore St.—Stated that she has a tree issue that is affecting her sidewalk.
Susan Gosse, 35 St. Charles Place—Has lived in her house for 24 years and this is the fourth time she has had to replace this sidewalk. There is a water turn on/off imbedded in the sidewalk causing the problem. The Director of Public Works Van Gheem is going to have someone evaluate the issue.
Gordon McDaniel, 33 St. Charles Place—Stated that he has a manhole cover in his sidewalk that is causing the problem and the Director of Public Works is going to have someone evaluate the issue.
Dan (KD Properties of Kimberly, LLC), 918 Grand Av—Feels that he is on the list in error. He paid for a mini storm hook up in the past. Director Van Gheem is going to check into this issue.
Gabe Konopka, 102 Mc Kinley Av—Feels that he paid for a mini storm hook up in the past.

Trustee Peerenboom questioned the assessment rate and the width of the street for Wilson north of Mc Kinley. It was decided that the MP3 recording of the Board meeting will need to be used to fact check this issue.

Moved by Trustee Smith, seconded by Trustee Van Lankvelt to exit out of Public Hearing

Ayes 7, Nays 0 – Motion Carried

Department and Officers Progress Reports

Departments and Officers provided progress reports to the Board.

Discussion/Action—Village Plaza Rental Policy

Director of Park, Recreation & Forestry Breest talked about four changes that were made to the prior proposed policy.

Moved by Trustee Van Lankvelt, seconded by Trustee Elrick to Approve the Village Plaza Rental Policy as stated.

Director Breest talked about the two changes that were made to the prior proposed policy.

Moved by Trustee Elrick, seconded by Trustee Peterson to Approve the Bench and Tree Donation Policy as presented.

Ayes 7, Nays 0 – Motion Carried

Discussion—Draft of the 2016 Community Survey

Administrator Fenlon presented the Draft of the 2016 Community Survey. There was discussion about trying to keep the survey at four pages rather than six to keep the costs down. The survey's main areas of inquiry are: 1. Infrastructure, Streets and Sidewalks 2. Quality of Life 3. Community, Economic Development and Land Use 4. Utility and Community Facilities/Services 5. Communication and Information Services 6. Demographics.

Action—Award 2016 Grand and McKinley Paving Contract

On February 18, 2016 bids were opened for this project. There were four bids received and the low bid was submitted by Vinton Construction of Manitowoc, WI. It is the recommendation of the Department of Public Works to award the contract for the 2016 Street Construction Project No. L0001-940643 B to Vinton Construction of Manitowoc in the amount of \$1,197,096.16.

Moved by Trustee Perenboom, seconded by Trustee Van Lankvelt to Approve the 2016 Street Construction and Award the Project to Vinton Construction of Manitowoc, WI as listed.

Ayes 7, Nays 0 – Motion Carried

Action—Award 2016 Grand and McKinley Utility Contract

On February 18, 2016 bids were opened for this project. There were four bids received and the low bid was submitted by Dorner, Inc. of Luxemburg, WI in the amount of \$1,548,074.05. It is the recommendation of the Department of Public Works to award the contract for the 2016 Utility Construction Project No. L0001-940643 A to Dorner, Inc. of Luxemburg, WI for \$1,548,075.05.

Moved by Trustee Perenboom, seconded by Trustee Peterson to Approve the 2016 Utility Construction and Award the Project to Dorner, Inc. of Manitowoc, WI for the amount show.

INFORMATION FOR VILLAGE BOARD CONSIDERATION

ITEM DESCRIPTION: Reinstatement the Robert A. Nechodom Good Citizenship Award

PREPARED BY: Haley Mader

REPORT DATE: Thursday, March 3, 2016

ATTACHMENTS: Nomination Form

ADMINISTRATOR'S REVIEW/COMMENTS:

No additional comments to this report: 

See additional comments attached: 

EXPLANATION: The Nechodom Good Citizenship Award was created in the year 2000 and first awarded in the year 2001. The purpose of this award is to recognize individuals, organizations, or the businesses in the Little Chute community who have demonstrated acts of good citizenship which have a positive impact on Little Chute's quality of life. The award previously was presented annually in the spring at the first regular April Village Board Meeting to the recipient by the Village President.

As we look to reinstate the effort of awarding the Robert A. Nechodom Good Citizenship Award, the recommendation from staff would be to direct the Administrator to establish an annual timeframe for the award, along with the appropriate website design, application development and process to ensure that the award was sustainable moving forward. In addition, the process would utilize a selection committee comprised of the Village Administrator, a Board Member and a member of the Robert A. Nechodom family.

The selection committee would consider the following criteria when reviewing nominations for this award:

1. Village employees shall not be eligible for this award while still actively employed by the Village.
2. Members of any Village Commission or Board and elected officials may be considered after they no longer serve in that capacity provided they have otherwise demonstrated outstanding leadership and vision of progress while serving in such position for the municipality.
3. The nominee must have performed some act or series of acts demonstrating good citizenship as a member of the Little Chute community, which has a positive effect on the community.
 - Demonstrating superiority, innovation, or leadership in a particular field which brings favor or acclaim to the entire community
 - Improving and enhancing the image of the Little Chute community as evidence by generous donation of time, talents, or resources.
 - Outstanding efforts to promote the goodwill, fellowship, and/or quality of life enjoyed in the Little Chute community
 - Demonstrating a deep and sincere caring for the under-privileged, handicapped, elderly, or youth as manifested in donation of time and talents to service work
 - Advancing partnerships within the community and displaying a cooperative attitude in developing working relationships for the betterment of the citizens of Little Chute
 - Performing a valuable, behind-the-scene support which results in the successful achievement of a project or activity
4. Once the committee has selected a nomination, that nominee would be presented to the Village Board for approval and recognition. Recognition would include a plaque.

For reference, previous winners of the award include the following: 2001- Ed Spierings; 2002- Monsignor James VandenHogen; 2003- Crystal Print, Inc.; 2004- Donald DeGroot; 2006- Peter Arts; 2007- Rose Kuhn

RECOMMENDATION: Discuss potential for reinstating this effort and approve the reinstatement of the Robert A. Nechodom Good Citizenship Award.

CERTIFIED SURVEY MAP

Part of Lot 1 of Certified Survey Map 3391, which includes part of Vacated Evergreen Drive as described in Document 1630221, being part of the Northeast $\frac{1}{4}$ and the Southeast $\frac{1}{4}$ of the Southeast $\frac{1}{4}$, in Section 9, Township 21 North, Range 18 East, Town of Vandebroek, Outagamie County, Wisconsin.

SURVEYOR'S CERTIFICATE:

I, Andrew J. Shie, Professional Land Surveyor, hereby certify that I have surveyed, divided and mapped, at the direction of Dave Spierings, part of Lot 1 of Certified Survey Map 3391, which includes part of Vacated Evergreen Drive as described in Document 1630221, being part of the Northeast $\frac{1}{4}$ and the Southeast $\frac{1}{4}$ of the Southeast $\frac{1}{4}$, in Section 9, Township 21 North, Range 18 East, Town of Vandebroek, Outagamie County, Wisconsin, described as follows:

Commencing at the Southeast corner of said Section 9; thence North 88 degrees 30 minutes 02 seconds West 766.32 feet, along the South line of the Southeast $\frac{1}{4}$ of said Section 9, to the point of beginning; thence North 88 degrees 30 minutes 02 seconds West 552.29 feet, along the South line of the Southeast $\frac{1}{4}$ of said Section 9; thence North 00 degrees 30 minutes 58 seconds East 1328.31 feet, along the East line of the Southwest $\frac{1}{4}$ and the Northwest $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of said Section 9; thence South 88 degrees 40 minutes 04 seconds East 671.46 feet, along the South line of Document 2050270; thence South 00 degrees 21 minutes 06 seconds West 16.00 feet, along the South line of Document 2050270; thence South 88 degrees 40 minutes 04 seconds East 143.51 feet along the South line of the Northeast $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of said Section 9, to a meander corner being North 88 degrees 40 minutes 04 seconds West 41 feet more or less from the centerline of a navigable stream; thence South 41 degrees 52 minutes 30 seconds West 210.79 feet, along a meander line to a meander corner being North 00 degrees 11 minutes 16 seconds East 42 feet more or less from the centerline of a navigable stream; thence continuing from said meander corner South 00 degrees 11 minutes 16 seconds West 278 feet more or less along the West line of Certified Survey Map 6983 and its extension thereof, to the Southwest corner of Certified Survey Map 6983; thence South 00 degrees 11 minutes 33 seconds West 618.53 feet, along the West line of Lot 1 of Certified Survey Map 3562; thence North 88 degrees 30 minutes 02 seconds West 130.00 feet, along the North line of Lot 1 of Certified Survey Map 4017; thence South 00 degrees 11 minutes 33 seconds West 258.00 feet, along the West line of Lot 1 of Certified Survey Map 4017, to the point of beginning, including the lands lying between meander line and the centerline of a navigable stream.

I have fully complied with Chapter 236.34 and A-E7 of the Wisconsin Statutes, the Subdivision Ordinances of Outagamie County and the Town of Vandebroek in surveying, dividing, and mapping the above described property. This certified survey map is a correct representation of the exterior boundaries of the lands surveyed and the division thereof.
