The equalized value trends of residential, commercial and industrial properties were discussed along with an overview of 2011-2015 permits. Jim Moes stated equalized ratios are set by the State and are always a year behind.

Discussion—Downtown Plan

Administrator Fenlon stated over the last 9 months the Village has engaged in a number of outreach efforts centered on citizen and business engagement through the community wide survey, downtown business survey and efforts through the Little Chute Business Association. In addition, as part of the Village's 2015-2019 Strategic Plan, two related actions are to create an all-encompassing economic development strategy, along with marketing pieces related to economic development. Creating an all-encompassing strategy will revolve first around the downtown and be applied across the Village's various sectors. The results from the 2016 Community Survey show residents wanting focus on downtown. Administrator Fenlon stated that creating a strategy and executing it for the downtown and Windmill would reap benefits. Active objectives include updating the 1986 Downtown Plan, commercial space/business identification and recruitment, and downtown branding/marketing.

REQUEST FOR BOARD CONSIDERATION**

ITEM DESCRIPTION:

Change to Sec. 30-21 to reflect 2013 Wisconsin Act 71, addressing hunting with bow and arrow or crossbow.

REPORT PREPARED BY: Chief Erik Misselt

REPORT DATE: Current: September 26, 2016 **February 25, 2014 (original date)**

ADMINISTRATOR'S REVIEW / COMMENTS:

No additional comments to this report

See additional comments attached

EXPLANATION:

This ordinance change was proposed in February of 2014, just before the hiring of the current Village Clerk. Unfortunately, for some reason the clerk at the time did not get the change put on an official agenda for approval. With that being said, the village and the Metro have been operating under the ordinance, as amended and in compliance with Act 71, since February/March of 2014. Original RBC information listed below:

2013 Wisconsin Act 71 was enacted on December 12, 2013. Act 71 addresses the discharging of a bow, crossbow and hunting within a municipality with a bow or crossbow.

The Village of Little Chute does have an ordinance regulating discharging arrows (Little Chute ordinance 30-21). The proposed language addresses Act 71.

With the approval of the Villages of Kimberly and Combined Locks, the recommended change will make the ordinance consistent in all three Villages and will enable the Fox Valley Metro Police Department to enforce this violation if/when it arises. The proposed additions are in red.

RECOMMENDED ACTION:

Review and approve the change of the ordinance as described below.
