## MINUTES OF THE COMMITTEE OF THE WHOLE MEETING JANUARY 25, 2017

### Call to Order

President Vanden Berg called the Committee of the Whole meeting to order at 6:00 p.m.

### Roll Call

PRESENT: President Vanden Berg, Trustee Peterson, Trustee Peerenboom, Trustee Elrick, Trustee Van Lankvelt, Trustee Hietpas  
ALSO PRESENT: J. Fenlon, Adam Breest, Chris Murawski, Laurie Decker, Teri Matheny, Interested Citizens  
EXCUSED: Jim Moes, Jeff Elrick

### Public Appearance for Items not on the Agenda

None

### Approval of Minutes

Minutes of the Regular Board Meeting of January 18, 2017

*Moved by Trustee Smith, seconded by Trustee Peterson to Approve the Minutes of the Regular Board Meeting of January 18, 2017.*

Ayes 7, Nays 0 – Motion Carried

### Presentation—Outagamie County Solid Waste & Recycling Facility/Landfill Overview

Brian Van Straten the Outagamie County Recycling and Solid Waste Director gave an overview of the county facility and landfill. He stated that there is pride in how the landfill looks and they work hard on litter and odor control. He noted that they are looking to expand the landfill in the northwest and it would be a 15 year expansion. Kara Homan the Outagamie Planning Director stated that the next step is to annex the land east of French Rd/North of “OO” and south of I-41 into the Village of Little Chute. The annexation is needed for services such as sewer and water. The advantage for Little Chute to annex this land is to have the best negotiation position. Brian Van Lankvelt inquired about the dog park and it was noted that there is no imminent threat as the expansion is 10-30 years out. It was also noted that the dog park is looking for a permanent location.

### Action—Approve Temporary Class “B” Alcohol License for Little Chute Gridiron Association

*Moved by Trustee Smith, seconded by Trustee Elrick to Approve Temporary Class “B” Alcohol License for Little Chute Gridiron Association.*

Ayes 7, Nays 0 – Motion Carried

### Discussion/Action—Draft CIP Correspondence

Administrator Fenlon gave an overview of the draft CIP correspondence. The letter will be sent to all property owners who are included in the 5 year CIP Plan. The letter provides current pricing per lineal foot of frontage and links for the resident to get more detail on the plan and policy. Board members like the idea and content of the correspondence.

*Moved by Trustee Van Lankvelt, seconded by Trustee Elrick to Approve the Draft CIP Correspondence.*

Ayes 7, Nays 0 – Motion Carried

### Discussion—Little Chute Diamond Club Indoor Facility

Park, Recreation & Forestry Director Breest gave a presentation on the potential Diamond Club Indoor Facility. The Diamond Club would pay \$1 for a land lease that would last for the life of the building. The Village would be leasing 2145 sq ft of the building at \$6 per sq ft for \$12,870 a year. The Village would try to increase programming and also rent the shelter to justify the cost. Utilities would be roughly \$1,500 per year in heat, water, electrical and the village would cover these costs. Director Breest mentioned that

the Park Planning Committee met and recommends this project to the Village Board. The location of the building will be on the east side of Van Lieshout Park. There were questions regarding the cost to get the building ready to be used and where the money would come from. Daniel Hurst a resident who lives on Maplewood Dr. across from Van Lieshout Park had concerns about green space and the appearance of a metal building. There was talk about synergy and if the Diamond Club and the Little Chute School District could work together on this venture. Director Breest is going to do more cost analysis and this item will be discussed at the next Board meeting.

**Unfinished Business**

None

**Items for Future Agendas**

None

**Adjournment**

*Moved by Trustee Peterson, seconded by Trustee Smith to Adjourn the Committee of the Whole Meeting at 7:42 p.m.*

**REQUEST FOR VILLAGE BOARD CONSIDERATION**

**ITEM DESCRIPTION: “A Healthy Little Chute” Initiative**

**PREPARED BY:** Adam Breest, Parks, Recreation, & Forestry Director

**REPORT DATE:** January 27, 2017

**ADMINISTRATOR'S REVIEW/COMMENTS:**

No additional comments to this report: \_\_\_\_\_

See additional comments attached: \_\_\_\_\_

**EXPLANATION:** Beginning in 2017, the Little Chute Parks, Recreation, & Forestry Department would like to begin an initiative to promote healthy opportunities to the Village of Little Chute residents. The mission statement, narrative, goals, objectives, and action plan are provided in the attachment. The purpose of this initiative is to set standards and goals for the department when pursuing capital projects and program enhancements. Many of the items we are already actively pursuing. We also wish to collaborate with other community organizations both public and private to make this initiative a reality. As a department, we feel that this is a community wide effort.

There are many other communities and school districts that have similar groups. Some of these communities include Whitewater, Lake Mills, Green Bay, Brown County, Cambridge, and Jefferson.

Below I have listed the 5 categories that the “A Healthy Little Chute” will focus on.

1. Physical Activity
2. Nutrition
3. Collaboration
4. Outdoor Activity
5. Educational Opportunities

The “A Healthy Little Chute” initiative was presented to the Park Planning Committee and recommended for approval to the board at the January 24 meeting. The department is looking for the Village Board’s support in adopting this initiative and working towards the goals and objectives listed.

# A Healthy Little Chute

## VILLAGE OF LITTLE CHUTE PARKS, RECREATION, & FORESTRY PHYSICAL ACTIVITY AND HEALTH INITIATIVE

### MISSION STATEMENT

The Village of Little Chute and its partners seek to create A Healthy Little Chute through physical activity, nutrition, collaboration, outdoor activity, and providing educational opportunities to all residents.

### Narrative

Beginning in 2017, the Village of Little Chute Parks, Recreation, & Forestry Department will be launching a new program to promote physical activity and health initiatives through a new program called “A Healthy Little Chute” The Village along with perspective partners will strive to begin implementation on as many goals and objectives as possible. We will strive to provide the residents of Little Chute with opportunities to seek A Healthy Little Chute for themselves through our mission statement, goals, and objectives.

### Goals

- Create community awareness of healthy choices and activities
- Work with other community organizations to promote our mission statement
- Provide opportunities and activities for the community to take part in
- Develop and maintain the Village park system to promote visiting outdoor venues

### Objectives

#### Physical Activity

- Provide programs to youth and adults that promote physical activity. These programs can include but are not limited to martial arts, yoga, aerobics, senior potlucks, water aerobics, running groups and events, sports, and dance
- Create a program that rewards youth and adults for participating in programs around the community that promote physical activity

#### Nutrition

- Create a community garden where residents can rent a plot for the growing season. Include the Little Chute School District on this project for nutrition education for their students
- Promote eating healthy by including cooking and food purchasing tips in our Program Books, E-Newsletter, and social media marketing
- Help advertise for the local food pantry. Set up a drop off site at Village Hall or at events
- Host a Farmers Market in Little Chute

### Collaboration

- Work with local fitness clubs, martial art studios, Outagamie County, Little Chute School District, Little Chute Public Library, Police and Fire Department, and other community organizations to promote and implement A Healthy Little Chute.
- Create an A Healthy Little Chute committee that would meet quarterly and consist of Village Staff, Park Planning Committee Members, School District Staff, Library Staff, and other community organizations.

### Outdoor Activity

- Make improvements to the Village's bike and pedestrian trail system
- Improve and replace the workout equipment located along the Heesakker Park trail system
- Provide access to the Fox River for kayaking, canoeing, boating, and fishing
- Invest in improvements to our local park system to expand and improve our available green space, sports fields, pool, and playground equipment

### Educational Opportunities

- Create programs that provide educational growth for both adults and youth
- Provide cooking classes for youth and adults
- Partner with the Little Chute Public Library to put on events and programs

## ACTION PLAN

**December 2016/Early 2017** – Contact perspective partners and explore collaboration potential with Outagamie County, Little Chute School District, Little Chute Public Library, local fitness clubs, local bike and walking groups, and any other interested businesses or individuals.

**February 2017** – Finalize the Fox River Boardwalk Feasibility and Cost Analysis Study  
– Investigate the possibility of creating an A Healthy Little Chute committee. The committee would meet quarterly to discuss new and current projects/ideas.

**April 2017** – Investigate potential sites for a Community Garden  
– Create a community wide scavenger hunt for families

**May 2017** – Reach out to perspective companies and receive estimates for replacing and/or upgrading the fitness equipment located within Heesakker Park.

**June 2017** – Put on The Amazing Race: Little Chute, a special event for families. Host a Farmers Market in conjunction with the Clerk's office on the Village Plaza.

**August 2017** – Finish the construction of the Heesakker ADA Canoe/Kayak Launch.

**September 2017** – Investigate a reward system that the Village could provide to residents for signing up for programs that promote physical activity.

**March 2018** – Implement the reward system for signing up for programs that promote physical activity.

**ITEM DESCRIPTION:** Outagamie County Landfill Discussion

**PREPARED BY:** James P. Fenlon, Administrator

**REPORT DATE:** January 27, 2017

**ADMINISTRATOR'S REVIEW/COMMENTS:** ( See Below )

**EXPLANATION:** To guide the discussion with regards to the Outagamie County Landfill, please see the attached document signed in 2005. While this is the current document, it would serve as the framework and starting point for future discussions with impacted municipalities and the county.

Most importantly, I would ask you focus your attention to section 7.0, which will provide you with an idea of how the current host fee is prescribed. Moving forward into the future, this section will gain attention as this conversation progresses.

**RECOMMENDATION:** Provided for discussion.

## **1.0 AGREEMENT**

**THIS AGREEMENT** is made and effective as of the \_\_\_\_\_ day of \_\_\_\_\_, 2005, by and between **Outagamie County, Wisconsin** (the "County") and the **Town of Vandebroek** ("Vandebroek"), the **Village of Little Chute** ("Little Chute") and the **Town of Grand Chute** ("Grand Chute"), all having their territory within Outagamie County, Wisconsin.

## **2.0 RECITALS**

**WHEREAS**, Outagamie County owns property located as described in Section 4.3 below, where the County intends to own, operate and manage a landfill, the **Northeast Area 6 Landfill** ("Landfill");

**WHEREAS**, Outagamie County intends to complete the siting process and begin accepting Solid Waste for disposal at its Landfill;

**WHEREAS**, Outagamie County, Vandebroek, Little Chute, and Grand Chute all agree that the Landfill is necessary and support its operation;

**WHEREAS**, The parties to this agreement all recognize the need for cooperation, coordination, and responsible forward planning for the development of the Landfill and its associated activity;

**WHEREAS**, Wis. Stat. § 66.0301 authorizes villages, towns and counties to cooperate by contract for the receipt or furnishing of services or the joint exercise of any power or duty required or authorized by law, and a contract under this subsection may bind the contracting parties for the length of time specified in the contract;

**WHEREAS**, the siting of Outagamie County Northeast Area 6 Landfill in the location and configuration herein detailed, under the conditions, responsibilities, duties and obligations of each party as set forth herein, effectuates the consensus of such parties and is in the best interest of those parties and their residents.

## **3.0 DEFINITIONS**

County means Outagamie County.

Daily Cover means cover that meets the requirements of § NR 506.05, Wis. Admin. Code.

Department means the Wisconsin Department of Natural Resources or its successor agency.

Disposal or Dispose or Disposing means the discharge, deposit, injection, dumping, or placing of Solid Waste in the Landfill.

Expected Annual Waste Amount means the amount of solid waste expected to be disposed at the Landfill during a year when the Landfill is at full operation. Unless otherwise specified, the Expected Annual Waste Amount is 500,000 tons per year.

Final Closure means the date after which no further Solid Waste shall be Disposed in the Landfill by the County or by any other person.

Hazardous Waste means waste as defined in Wis. Stat. § 291.01(7).

Landfill means the Outagamie County Northeast Area 6 Landfill.

Landfilling Operations or Landfill Operations means the following activities of the County at the Landfill related to or associated with the Landfill: the constructing, repairing, and operating (including the extraction, transportation and placement of clay, daily cover, rooting zone materials, and topsoil and including the operation of equipment) of the landfill site, and the accepting and Disposing of Solid Waste and closing of the Landfill; Landfilling Operations terminate at Final Closure.

Long Term Care means activities at the Landfill, including care, maintenance, and monitoring in and around the Landfill which occur anytime following the Final Closure of the Landfill.

Municipality or Municipalities means the Town of Vandebroek, the Village of Little Chute and / or the Town of Grand Chute, and their officers, employees, and agents.

Plan of Operation means the plan of operation for the Landfill that will be submitted by the County to the Department pursuant to Wis. Stat. § 289.30, as approved by the Department, and subsequent plan modifications approved by the Department.

Reconstruction, as it applies to roads, means the total rebuilding of the road including the removal of the existing road surface down to the roadbed, any necessary grading or construction of the road bed and shoulders, and replacement of the road surface.

Solid Waste means waste as defined in Wis. Stat. § 289.01(33), and shall also include Yard Waste, as defined under Wis. Stat. § 287.01(17).

## **4.0 GENERAL**

### **4.1 Applicability**

This Agreement shall be applicable to the County, Vandebroek, Little Chute and Grand Chute, and their successors or assigns as provided for under Section 10.3 of this Agreement.

#### **4.2 Term and commencement**

The commencement date of this Agreement shall be the date upon which it is approved by all of the parties. Except where otherwise specifically stated, the term of this Agreement shall be from the commencement date until the longer of the following: (i) the period of time imposed by any applicable Wisconsin statute or administrative rule for long-term care of the landfill, or (ii) a period of forty (40) years after Final Closure.

#### **4.3 Site information**

(a) **Address** – The address of the Landfill is 1419 Holland Road, Appleton, WI 54911-8947.

(b) **Legal Description** – The Landfill is located in the S1/2 of NE1/4 of Section 17, T21N, R18E, Town of Vandebroek, Outagamie County, Wisconsin.

(c) **Landfill Area**. The Northeast Area 6 Landfill consists of approximately 53.2 acres for solid waste disposal as shown on Exhibit A.

#### **4.4 Early termination of Landfilling Operations**

The parties to this Agreement all agree that the County retains the right to terminate Landfilling Operations at the Landfill at any time; this determination is to be in the sole discretion of the County. Such a determination will not negate the County's responsibilities for proper closure of the Landfill.

### **5.0 LANDFILL OPERATIONS AND DESIGN**

The County shall operate the Landfill in conformance with all applicable federal and state statutes, laws, regulations and permits and with all local ordinances, regulations and permits not waived under this Agreement. In addition, the County shall operate the Landfill in accordance with this Agreement.

#### **5.1 Screening berms and vegetation**

The County shall create, install and maintain a system of berms and vegetation as required by the Department in its approval of the Plan of Operation for the Landfill.

#### **5.2 Water drainage and erosion control**

The County shall take measures to control erosion of soils or vegetation and water run-off from the Landfill. The Landfill stormwater management system shall be designed to control and treat stormwater on site so that it will meet or exceed the more restrictive of County, state and federal requirements for stormwater management including water quality and peak flows.

### **5.3 Windblown refuse**

The County shall control windblown refuse at all times to the extent possible. The County shall pick up all material from the Landfill that has blown outside the fenced area of the Landfill or is collected along the fence perimeter, unless permission for access is not granted by offsite property owners.

### **5.4 Odor control**

The County shall take measures to control noxious, offensive, and foul odors from the Landfill. The Landfill shall comply with NR 429.03 malodorous emissions standards to the extent applicable, provided that such compliance shall not prevent the continued use or operation of the Landfill.

### **5.5 Daily cover**

The County shall provide Daily Cover as required by the Department to control offensive odor and prevent windblown refuse.

### **5.6 Compliance with Plan of Operation**

The County shall fully comply with the Plan of Operation as approved by the Department for the Landfill.

### **5.7 Facility specifications**

The County and the Municipalities agree that the proposed Landfill specifications that the County will request for approval from the DNR (including engineering design and footprint size) will be consistent with those set forth in the Feasibility Report for the Outagamie County Northeast Landfill dated September 2003, including but not limited to the following proposed specifications:

- Total volume of 7,997,000 cubic yards
- Total footprint area shown on Exhibit A attached hereto
- Estimated final top elevation of 882 feet, based on mean sea level datum, compared to approximately 806 feet at the East Landfill

The County and each of the Municipalities all support the adoption of these specifications, and hereby waive any objections to such specifications under Section 8.0 below.

## **5.8     Waste restrictions**

The County shall accept only Solid Waste allowed under Department regulations for disposal. The County shall not seek modification of the Plan of Operation to allow disposal of Hazardous Waste in the Landfill.

## **6.0     MUNICIPAL SERVICES GUARANTEES**

### **6.1     Leachate transmission**

(a)     The Village of Little Chute hereby commits to an extension of the Service Agreement, dated March 21, 1995, between the Heart of the Valley Metropolitan Sewerage District ("HVMSD"), the Village of Little Chute and the County on the same terms and conditions except that: (i) the term of the extension shall be for an initial term of not less than 15 years and (ii) the agreement shall be automatically renewed for five year terms through the term of this Agreement, unless the Village is required to build additional infrastructure or otherwise incur additional reasonable and necessary costs to accommodate increased demands from the County and the County has not offered to pay those costs. Increased costs covered by this section include those due to capacity and/or constituency requirements. For matters involving increased capacity the County shall be responsible for its proportionate fractional shares of such costs as the County's peak flow from the Landfill bears to the peak flow from other areas of the Village contributing to the total peak flow in any facility requiring expansion or upgrading. For matters involving constituency the County will only be responsible for increased costs attributable to the constituents directly originating from the County's leachate effluent

(b)     The Village of Little Chute will use its best efforts in conjunction with the County to secure the consent of HVMSD to such an extension.

(c)     The Village of Little Chute reserves the right to test and monitor the leachate constituents upon reasonable notice to the County.

### **6.2     Water main and service**

The Municipalities hereby consent to an extension of the Water Main Agreement with the County dated June 4, 1996, as amended in 2003, on the same terms and conditions except that: (i) the term of the extension shall be for an initial term of not less than 15 years and (ii) the agreement shall be automatically renewed for five year terms through the term of this Agreement, unless the Municipalities are required to build additional infrastructure or otherwise incur additional reasonable and necessary costs to accommodate increased demands from the County, for flow capacity or otherwise, and the County has not offered to pay those costs..

## **7.0 COMPENSATION TO MUNICIPALITIES**

### **7.1 Establishment of trust fund for municipalities**

(a) In consideration of the Municipalities' close proximity to the Landfill, their pledge of continuing support and grant of waivers under Section 8.0 of this Agreement, and their acceptance of the consequences and responsibilities associated with the location of the Landfill inside or in close proximity to their borders, including but not limited to effects involving roads, traffic, safety, noise, and need for additional public and emergency services, and other effects, the County agrees to establish the Outagamie County Northeast Area 6 Landfill Trust Fund to provide compensation and benefits to the Municipalities as set forth herein.

(b) The County shall not pay more than one million five hundred thousand dollars (\$1,500,000.00), under paragraph (c) and any other provision of this Agreement, to the Outagamie County Northeast Area 6 Landfill Trust Fund under the terms of this Agreement.

(c) The County shall establish this Fund within 90 days from the earlier date of commencement of the reconstruction of Holland Road or French Road, with an initial deposit of three hundred thousand dollars (\$300,000.00). Thereafter, subject to the cap in paragraph (b) and the limitations in paragraph (e), one hundred and eighty-seven thousand five hundred dollars (\$187,500.00) shall be paid by the County to the Outagamie County Northeast Area 6 Landfill Trust Fund each year on or before February 1, following the year in which Solid Waste is first accepted for Disposal at the Landfill.

(d) The County shall not make a payment under paragraph (c) to the Outagamie County Northeast Area 6 Landfill Trust Fund if, in the County's own discretion, it decides to terminate Landfilling Operations as described in Section 4.4 of this Agreement, regardless of the reason for such termination, except that the County will be responsible to make full payment on or before February 1 for any solid waste disposal in the preceding year.

(e) Except for the initial deposit, in any calendar year prior to 2010 in which the gross tonnage of Solid Waste Disposed in the Landfill is less than 75% of the Expected Annual Waste Amount (i.e. 75% of 500,000 tons per year = 375,000 tons per year) the County will only be required to make payment for that calendar year under paragraph (c) in the amount equal to \$187,000 multiplied by the percentage of the Expected Annual Waste Amount actually received in that calendar year. In 2010 or any calendar year thereafter in which the gross tonnage of Solid Waste Disposed in the Landfill is less than 60% of the Expected Annual Waste Amount, the County will only be required to make payment for that calendar year under paragraph (c) in the amount equal to \$187,000 multiplied by the percentage of the Expected Annual Waste Amount actually received in that calendar year.

## **7.2 Direct payments to municipalities from the trust fund**

(a) The funds deposited in the Outagamie County Northeast Area 6 Landfill Trust Fund shall be allocated to each Municipality as provided below, except as otherwise directed in writing by agreement of all of the Municipalities:

- (1) Vandebroek - 20% of the Annual Payment
- (2) Little Chute - 72% of the Annual Payment
- (3) Grand Chute - 8% of the Annual Payment

(b) Funds shall be paid from the Trust Fund to each Municipality based on the amount allocated to that Municipality in the Trust Fund. Payments shall be made by an annual payment to be paid on or before March 1 of each year for each year in which payments are made into the Trust Fund.

(c) Except as provided in this paragraph, no Municipality may receive funds from the Outagamie County Northeast Area 6 Landfill Trust Fund unless the Municipality is then currently delivering its Solid Waste and Recyclables to Outagamie County for recycling and Disposal.

1. This delivery requirement will not apply if upon written notice to the County, the Municipality can demonstrate that Outagamie County's Solid Waste and recycling system tipping fees are not at least 10% below the average tipping fees for all the comparable facilities that provide solid waste and recycling services within 120 miles of Outagamie County and for which data is available.

2. For the purposes of this paragraph, the average tipping fees shall be determined by compiling data over the most recent three-year period for all the comparable facilities that provide solid waste and recycling services within 120 miles of Outagamie County and for which data is available. For any new competitive private landfill for which three years prior data is not available, the facility can be considered part of the average by using the contract rates offered to the municipalities for a period of not less than three years into the future.

3. Upon notification to the County and a demonstration that the terms of this paragraph warrant relief from the delivery requirement, the County has 120 days to modify its fees to an amount at least 10% below the average tipping fees as calculated above.

4. For any year in which a Municipality has not complied with this paragraph, funds otherwise payable to that Municipality will be forfeited to the County and shall count against the total amount paid under Section 7.1(b).

(d) No Municipality may receive funds from the Outagamie County Northeast Area 6 Landfill Trust Fund for a calendar year in which the Municipality was in default as to this agreement for any period of time. This provision shall not apply unless the County has followed the default procedures in Section 10.7.

(e) Except as set forth in Section 4.4 and 7.2(c), in no event shall the total payments to the Municipalities be less than the amount set forth in Section 7.1(b). Despite any years in which reduced payment amounts are made under 7.1(e) above, payments shall continue until a total of \$1,500,000 has collectively been paid to the Municipalities, unless payments are terminated pursuant to other written provisions of this Agreement.

## **8.0 WAIVERS**

### **8.1 Waiver of local approvals**

The Municipalities agree that local approvals as defined in Wis. Stat. s. 289.33(3)(d) do not apply to the Landfill. Subject to Section 8.4, the Municipalities waive any arguments, claims, or defenses that the County is required to re-initiate the local approval process under Wis. Stat. ch. 289 with respect to the Landfill or that the County is subject to any local approvals under Wis. Stat. s. 289.33(3)(d) with respect to the Landfill.

### **8.2 Waiver of contested case hearings and petitions for judicial review**

By approval of this Agreement, subject to section 8.4, each Municipality forever waives its rights to request any contested case hearing, participate in a contested case hearing, seek judicial review and/or participate in a judicial review proceeding relating to the decision(s) of the Department regarding the approval of the Initial Site Report, Feasibility Report, the Plan of Operation, the issuance of the Operating License, or any other aspect regarding the siting, design and/or construction, operation and closure of the Landfill, unless the contested case hearing or judicial review proceeding is in support of giving effect to the terms of this Agreement.

### **8.3 Waiver of Municipality claims**

(a) The Municipalities and the County acknowledge and agree that the siting, construction, operation and closure of the Landfill, and other activities related thereto, are anticipated to have some effects on the Municipalities (the "Effects"). Without limitation, the Effects might include those involving roads, traffic, safety, noise, and need for additional public and emergency services, and other effects. The Municipalities and the County agree that the obligations undertaken by the County in this Agreement are designed to mitigate the Effects, and the Municipalities agree not to sue or otherwise seek compensation from the County for the Effects, except as set forth herein.

(b) The Municipalities expressly acknowledge that the payments received hereunder shall also constitute full payment for any frontage assessment for road repair or reconstruction of Holland Road or French Road occurring before or during the operation of the Landfill until Final Closure. This full payment provision applies only to a one-time reconstruction of Holland Road or French Road occurring after the date of this Agreement, but does not apply and does not prohibit assessments to the County for a second reconstruction and reconstructions thereafter to Holland Road or French Road. The County expressly acknowledges that it will pay appropriate frontage charges for the previously authorized reconstruction of the intersection of County Highway OO and Holland Road. This provision does not constitute a prohibition against Little Chute making assessments to the County for the County's frontage on County Highway OO for reconstruction at the same rate charged to other property owners in the Village abutting County Highway OO.

(c) Nothing in this Agreement may be construed to preclude the Municipalities from taking any action, including the filing of legal actions, to enforce the provisions of this Agreement, provided that such actions shall not prevent the continued use or operation of the Landfill.

#### **8.4 Limitation of Waivers.**

Notwithstanding Sections 8.1 and 8.2, the Municipalities retain their rights to object to modifications to the Landfill if those modifications result in either (i) an expansion of more than 5% of the Landfill footprint area or capacity, or (ii) an increase of more than 5 feet over the Landfill height as defined in Section 5.7, unless such modifications are required by the Department and not sought by the County, or unless otherwise agreed to by the Municipalities.

#### **8.5 Waiver of default or breach.**

The waiver by either party of a default or breach of any provision of this Agreement by another party shall not be construed to operate as a waiver of any subsequent default or breach. The making or acceptance of a payment by either party with knowledge of the existence of a default or breach shall not be construed to operate as a waiver of any default or breach.

### **9.0 RELATION TO PRIOR AGREEMENTS**

Except as otherwise expressly provided in Section 6.0 and elsewhere in this Agreement, this Agreement shall not supersede any prior agreement between any of the parties to this Agreement, whether or not a prior agreement is related to the landfilling of Solid Waste or municipal utility services.

## **10.0 CONSTRUCTION AND OPERATION OF AGREEMENT**

### **10.1 Interpretation**

This Agreement should be interpreted as though jointly drafted by the parties.

### **10.2 Relationship of the parties**

Except as otherwise expressly provided in this Agreement, no party to this Agreement shall by virtue of this Agreement have any responsibility whatsoever with respect to services provided or contractual obligations assumed by any other party and nothing in this Agreement shall be construed to make any party a partner, agent, or legal representative of any other party or to create any fiduciary relationship between or among the parties.

### **10.3 Assignment**

(a) Any party may assign its interest hereunder to any successor in ownership or operation of the Landfill, with the prior written approval of all of the other parties, which approval shall not be unreasonably conditioned or withheld. Any such assignee shall assume all of the obligations, commitments, duties and responsibilities of the assigning party under this Agreement.

(b) Any attempted assignment not expressly provided for in this Agreement or made contrary to this Section shall be void and a violation of this Agreement. This Agreement shall be binding upon and inure to the benefit of the permitted successors and assigns of the parties pursuant to this Section.

### **10.4 Agreement modifications**

This Agreement shall be modified only by written agreement duly executed by all parties.

### **10.5 Severability**

In the event that any provision or section of this Agreement shall, for any reason, be determined to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, the invalidity of such provision or section shall not affect the remaining provisions of this Agreement, which shall remain in full force and effect.

### **10.6 No third-party beneficiaries**

No Provision of this Agreement is intended for the benefit of any person except the parties hereto. No interest on behalf of any third-party beneficiary is created by this Agreement.

#### **10.7 Default provisions**

A party shall be in default under this Agreement if it fails to perform any of its responsibilities, duties and obligations set forth herein, and such failure continues for a period of thirty (30) days after the defaulting party's receipt of written notice of such failure from another party. In the event of such default, the non-defaulting parties shall be entitled to exercise any rights and remedies expressly defined in this Agreement and any or all available rights and remedies at law or in equity.

#### **10.8 Captions**

The captions in this Agreement are inserted only as a matter of convenience and for reference and in no way define or limit the scope or intent of the various provisions, terms or conditions in the Agreement.

#### **10.9 Representations and authority**

Each party to this Agreement represents and warrants as follows:

- (a) It is duly organized, validly existing and has the power and authority to consummate the transactions contemplated by this Agreement.
- (b) All proceedings necessary for it to consummate the transactions contemplated by this Agreement have been duly taken in accordance with law.
- (c) The persons executing this Agreement on behalf of the party have been duly authorized to execute this Agreement.

#### **10.10 Fax signatures**

The parties agree that fax signatures shall be binding on the parties hereto.

#### **10.11 Further action**

Each of the Parties agrees from time to time to execute and deliver such instruments, and to take such further action not inconsistent with the provisions of this Agreement, as may be necessary in order to fully perform and carry out the terms and intent of this Agreement.

#### **10.12 Originals**

Four (4) originals of this contract shall be executed. One original shall be delivered to each contracting Municipality and one original shall be delivered to the County.

**10.13 Notice**

All notices or communications hereunder shall be sufficiently given and shall be deemed given when mailed by certified or registered mail, postage prepaid, addressed as follows:

## RELEASE OF EASEMENT

**WHEREAS**, by instrument dated April 21st, 1977, Gerald H. Van Zeeland and Carol A. Van Zeeland ("Grantor"), did grant and convey unto the Village of Little Chute ("Grantee"), a Storm Sewer Easement recorded May 3rd, 1977, in Jacket 122, Images 1-3, of the Public Records of Outagamie County, Wisconsin (the "Easement"), **Exhibit A** attached hereto, affecting and encumbering the following legally described property (the "Property"), to wit:

Lot 2, Certified Survey Map No. 5018, filed in the Office of the Register of Deeds for Outagamie County, as Document No. 1650325, being part of the Northwest Quarter of the Southwest Quarter of Section 15, Township 21 North, Range 18 East, Outagamie County, Wisconsin.

**WHEREAS**, The Van Zeeland Revocable Trust ("Successor Grantor") is the successor to Grantor in title to the Property;

**WHEREAS**, the Village of Little Chute, a municipal corporation ("Successor Grantee") is the sole user and benefactor of the Easement;

**WHEREAS**, Successor Grantor has requested Successor Grantee to release the Easement, and Successor Grantee is willing to release the Easement;

**NOW, THEREFORE, WITNESSETH**, that Successor Grantee, for and in consideration of the sum of One Dollar (\$1.00) and other valuable considerations, receipt of which is hereby acknowledged, has released and discharged and by these presents does release and discharge forever all of the right, title, interest, claim and demand which it has under and by virtue of the Easement.

**IN WITNESS WHEREOF**, Successor Grantee has executed this document on the date set forth opposite his/her signature.

## VILLAGE OF LITTLE CHUTE STORM SEWER EASEMENT

FOR AND IN CONSIDERATION of the sum of One Dollar (\$1.00) and other good and valuable consideration, paid by the Village of Little Chute, the receipt and sufficiency of which is hereby acknowledged, the undersigned, hereby grants to the Village of Little Chute, a Municipal Corporation, Outagamie County, Wisconsin, a storm sewer easement being described as follows:

An easement across a ten foot wide strip of land located as follows:

That part of the Northwest  $\frac{1}{4}$  of the Southwest  $\frac{1}{4}$  of Section Fifteen (15), Township 21 North, Range 18 East in the Village of Little Chute, Outagamie County, Wisconsin, described as follows:

Beginning at a point on the East right-of-way line of C.T.H. "N" that is 120 ft. North of the South line of said Northwest  $\frac{1}{4}$  of the Southwest  $\frac{1}{4}$ ; thence East 370 ft. Also beginning at a point on the South line of said Northwest  $\frac{1}{4}$  of the Southwest  $\frac{1}{4}$  that is 411.25 ft. East of the Southwest corner of said Northwest  $\frac{1}{4}$  of the Southwest  $\frac{1}{4}$ ; thence North 450 ft.

This Easement is granted to construct, maintain and repair a storm sewer on approximately the above described center line, and for its maintenance and repair, continually, for and by the Village of Little Chute, its agents and assigns. The Village of Little Chute may enter upon and shall have the right to enter, pass over and use the above described premises for the transportation, laying down and storage of materials, tools and equipment, the depositing and removal of excavation materials, and for other purposes incidental to the work. This Easement is made for the construction, maintenance and repair of storm sewer upon the above described property.

This Agreement shall be binding upon the heirs, successors and assigns of the signators hereto.

J. 122 I. 2

IN WITNESS WHEREOF, the said grantor has hereunto caused these presence to be signed by Gerard H. VanZeeeland, its President, and Carol A. VanZeeeland, its Secretary, at Little Chute, Wisconsin and it's corporate seal to be hereunto affixed this 2nd day of APRIL, 1977.

**REQUEST FOR VILLAGE BOARD CONSIDERATION**

**ITEM DESCRIPTION: Personnel Manual Items for Discussion/Adoption**

**PREPARED BY: James P. Fenlon, Administrator**

**REPORT DATE: January 27, 2017**

**ADMINISTRATOR'S REVIEW/COMMENTS: ( See Below )**

**EXPLANATION:** After a year of implementation of the new personnel manual, staff in every department, particularly finance has run into items that are ambiguous, unique or simply need clarifications. Those items are listed below, with clarification and recommendation for adoption in order to clarify or clean up portions of the manual.

Also, there are practices that are used across departments that have not addressed in this or previous manuals. Most of these matters revolve around labor agreements or previous labor agreements. These will be addressed with the target of uniformity across the village and then reinstated as determined by staff and administration.

**I. POLICY 503 OVERTIME AND COMPENSATORY TIME**

5.3 Department Heads have the authority to authorize the carryover of a maximum of 40 hours of earned compensatory time per employee from one calendar year to the next or to payout the employee on the second payroll of December.

*This is just an overview – there are no recommended changes to this section. This simply clarifies our policy for the board, staff and the entire organization.*

**II. Policy 509 – Timekeeping**

5.3 Time sheets must show all time worked and absence from work with appropriate codes (hours worked, paid time off, extended leave bank, and so forth) that were incurred for the pay period. Employees will mark their time sheets in fourths for the purpose of computing regular hours as follows.

0 – 15 minutes	.25	31 – 45 minutes	.75
16-30 minutes	.5	46-60 minutes	1.0

*This is just an overview – there are no recommended changes to this section. This simply clarifies our policy for the board, staff and the entire organization.*

**III. POLICY 521 ON CALL PAY**

1. Purpose. To ensure an employee are available at any time to respond to emergency situations as they arise.

2. Call-in Pay

2.1 Employees called into work outside of their normally scheduled hours, shall receive two (2) hours pay at their regular straight time hourly rate in addition to their pay for actual time worked. Employees called into work during scheduled holiday pay shall receive pay of two (2) times their regular hourly wages.

*This is just an overview – there are no recommended changes to this section. This simply clarifies our policy for the board, staff and the entire organization.*

#### **IV. POLICY 425 VACATION AND SICK LEAVE**

11. Payment Upon Separation. Regular employees who leave the employ of the village in good standing and upon giving notice or employees separated by the village for other than disciplinary or performance reasons will receive payment for unused vacation as outlined below.

11.1 Conversion of Sick leave upon separation will only occur upon full retirement from the Village. An employee may convert one half or 50% of accumulated sick leave times the employees regular rate of pay at the time of retirement (Conversion formula: the last full year's base wage divided by two thousand and eighty hours (2080) multiplied by eight (8) hours multiplied by the number of days of accumulated sick leave.

11.2 Employees separated for disciplinary or performance reasons or fail to provide a two-week notice (30-days for supervisory and department head positions) of intent to terminate will receive no separation benefit.

PROPOSED ADDED LANGUAGE: "11.3 Employees who separate in good standing or retire are eligible for the conversion of unused vacation leave accrued at the time of their resignation or retirement. This payment will be paid in a lump sum manner."

#### **V. POLICY 523 SAFETY EQUIPMENT**

PROPOSED ADDED LANGUAGE: "5. The Village shall pay annually (on a calendar year basis) a maximum of fifty dollars (\$50.00) towards the purchase of safety shoes, rubber boots and prescription safety glasses for all part-time employees who are required by the Village to wear them. This policy is meant for part-time and seasonal employees who are required to wear safety equipment. To receive compensation, the employee shall discuss the need for the equipment with their supervisor prior to purchase and upon purchase, present a paid-in-full sales slip to the Department Director, Assistant Director, or Foreman."

#### **VI. APPENDIX 601-A HEALTH INSURANCE OPT-OUT**

PROPOSED CHANGED LANGUAGE: "Allows for the participation or reinstatement within 30 days after a life event (marriage, birth, etc.)."

**RECOMMENDATION:** Discuss, provide recommendations and direction.
