MINUTES OF THE UTILITY COMMISSION MEETING – FEBRUARY 21, 2017

Call to Order

The Utility Commission meeting was called to order at 6:00 P.M. by Kevin Coffey, Chair

Roll Call

PRESENT: Kevin Coffey, Chair

Mark Gloudemans

Jessica Schultz

Tim Bevers

Michael Vanden Berg

EXCUSED: Tim Wegand, Jerry Verstegen, MCO

ALSO PRESENT: Village Administrator James Fenlon, Finance Director Teri Matheny, Director of Public Works Jeff Elrick, Village Engineer Chris Murawski

Public Appearance for Items Not on the Agenda

Karen Tinkham from 520 Maple Dr. asked to discuss the animal ordinance. It was noted that this is the Utility Commission and not the Village Board. Administrator Fenlon and Ms. Tinkham exchanged contact information.

Approval of Minutes

Moved by M. Gloudemans, seconded by T. Bevers to Approve the Minutes of January 17, 2017 with one change for the second motion from T. Bevers to T. Wegand for Action of Well #1 Rehabilitation Project

All Ayes – Motion Carried

Presentation—2014-2016 Urban Nonpoint Source and Storm Water Program Planning Grant Summary, Report by Aaron Breitenfeldt with Robert E. Lee and Associates, Inc.

Jared Schmidt and Aaron Breitenfeldt gave this presentation. Robert E. Lee and Associates have helped the Village in the past to acquire a storm water grant. Discussed updating ordinances for current DNR standards and TMDL incorporations and determined what areas go to the Apple Creek Watershed and the areas that go to the Fox River Watershed. An overview was provided on the Water Quality Modeling, Peak Flow Modeling, Stream Restoration Projects and Illicit Discharge Program. Village Engineer stated that the village needs to meet MS4 requirements and these documents are a great head start.

Discussion—Additional Category B User Fee For Ammonia

In 2016 the Village has noticed a rise in ammonia-nitrogen in the billing from Heart of the Valley Metropolitan Sewerage District. In order to include ammonia-nitrogen to the present category B charges the ordinance needs to be changed. Ideas for discussion: 1. Wastewater testing done at least monthly to have more accurate information for billing. Currently, there are four sewer customers being tested. 2. Random testing by the village at owner's expense. 3. New commercial customers required to test their wastewater monthly for a period of time. 4. Back charging customers for ammonia discharged.

Action—Private Well Permit Approval

Review and approve 5-year Private Well Permits. All permits meet Water Department requirements and staff recommends approval of all the Private Well Permits.

Moved by T. Bevers, seconded by K. Coffey to Approve the Private Well Permits

All Ayes – Motion Carried

Progress Reports

MCO Operations Update

Jerry Verstegen was not here, but his report was given by Administrator Fenlon. Demolition on Well #1 is going to happen in mid-March. There is a bid opening on Thursday for the additional work on Well #1. The Village Board will award the contract on March 1.

Director of Public Works

Village Engineer Murawski reported that the 60" pipe is installed on both Bohm and Elm. The restoration still needs to be completed. The new Municipal Services Building will be able to connect soon. Director Elrick stated that for Storm Ponds are being checked for rodents.

Finance Director

Director Matheny noted that the utility bills are going out tomorrow which is a little later than normal due to the commercial businesses being included in the January billing. This month has the new rate for storm water of \$8.25. The capacity study has been scheduled. The state is requiring additional forms to be filed by Finance Directors to ensure transparency. The 2016 financials will be brought to the next meeting.

Approval of Vouchers

Moved by M. Gloudemans, seconded by J. Schultz to Approve and Authorize payment of the vouchers and draw from the respective funds

All Ayes – Motion Carried

Unfinished Business

None

Items for Future Agenda

Monthly Well #1 Update

Adjournment

Moved by K. Coffey, seconded by T. Bevers to Adjourn the meeting at 7: 22 p.m.

REQUEST FOR WATER COMMISSION'S CONSIDERATION

ITEM DESCRIPTION: Well # 1 Project Change Orders # 2 and # 3

REPORT PREPARED BY: Jerry Verstegen

REPORT DATE: April 11, 2017

PUBLIC WORKS DIRECTOR'S/ADMINISTRATOR'S REVIEW / COMMENTS:

No additional comments to this report _____

See additional comments attached _____

EXPLANATION: Please see attached Change Orders

Change Order # 2: Replace existing Softener discharge pipe with new Stainless Steel pipe. The original goal was to reuse existing 32 feet or 4 inch waste piping, after demolition the pipe is found to be severely pitted. I requested August Winters to supply a cost to replace the pipe.

Change Order # 3: Reroute 4" Roof Drain Piping, the current piping is located above the new catwalk and does not allow for walking access.

RECOMMENDATION: Discuss and approve Change Orders # 2 for \$3,616 and # 3 for \$525
