Presentation—2017 PASER Rating

Director Elrick presented slides on the 2017 Paser Rating on Little Chute streets to know when repairs or replacements are needed. Administrator Fenlon stated he and Director Elrick are working together to try and get a Paser Rating number on most Little Chute streets. Trustee Elrick questioned whether the Paser Rating helps on funding, Director Elrick stated that most funding is for State roads. Director Elrick stated that he feels a good job is being done to maintain Little Chute streets. President Vanden Berg asked if there is a certain number in the Paser Rating that lets you know roads need to be replaced. Director Elrick stated generally that 5, 6 and 7 rated streets are repairs and 2, 3, 4 generally need replacements. Director Matheny stated that the Paser Rating is a starting point for Director Elrick and but it also depends on what is happening underneath the roads in regards to utilities. Director Moes suggested looking at setting an average rating per mile on the roads to know when repairs or replacements are needed.

REQUEST FOR VILLAGE BOARD CONSIDERATION

ITEM DESCRIPTION: 2017 Heesakker Park Deer Culling

PREPARED BY: Adam Breest, Parks, Recreation, & Forestry Director

REPORT DATE: September 13, 2017

ADMINISTRATOR'S REVIEW/COMMENTS:

No additional comments to this report: 
See additional comments attached: _____

EXPLANATION: In 2016, the Village of Little Chute elected to participate in the deer culling at Heesakker Park. 2016 was a good year as we harvested 8 doe and had 14 hunters. With the population of deer at Heesakker Park continuing to stay high I am proposing that we continue to operate the deer hunt in 2017.

Dates: Monday, December 4, 2017 – Sunday, December 17, 2017

Locations: Heesakker and the eastern portion of Island Park

Amount of Does or Bucks Harvested

2016 - 8

2014 - 6

2013 - 5

2012 - 4

2011 - 8

I believe that the Deer Culling has been beneficial in the past. I would recommend that we approve the Deer Culling for this December.

ATTACHMENTS: 2017 Little Chute Policies and Regulations

RECOMMENDATION: Approve the 2017 Deer Culling

POLICIES, RULES & REGULATIONS

Authorized Deer Culling – Village of Little Chute

Policies, rules & regulations are designed to ensure the safety of residents and others in areas being hunted and maximize the projected harvests. Failure to comply with any of these will result in the immediate revocation of hunting authorization and exclusion from future participation in this program.

- When hunting, each participant shall carry a Village of Little Chute Bow Hunting Authorization Letter, current Wisconsin Driver's License, and Hunting Tags.
- When hunting on the property, each vehicle shall display an authorization letter of the individuals participating.
- Parking shall be permitted only on village streets.
- Approved hunters will be authorized to cull either a buck or a doe depending upon the tags that the hunter possesses (may cull multiple deer). Hunters shall immediately report when they have culled any and all deer by calling the Little Chute Park & Rec Director at 423-3868.
- According to 2017 DNR regulations, there is a statewide antlerless hunt from Dec. 7 to Dec. 10. Hunters during this period are only allowed to cull does on those days.

Each Participant Shall:

- Abide by provisions outlined in the Hunting Authorization and hunt only the assigned site during the dates designated in their authorization letter.
- Follow all state statute and DNR regulations pertaining to bow hunting. Baiting will be allowed if the DNR permits it in this section.
- Be liable for your own acts and omissions.
- Act courteously and respectfully while on the property.
- If verbally assaulted, avoid engaging in an argument or becoming abusive. Under such circumstances, leave the area immediately and, if deemed appropriate, call the police. As soon as practicable, report the incident to the Park & Rec Director at 423-3868.
- When on the property, protect foliage, crops and plants from damage, alteration or destruction. You may NOT trim tree branches in order to install your hunting stand.
- Not remove or cut underbrush (i.e. shooting lanes, clearance, etc.).
- Not use an ATV or motorized vehicle on the property.
- When entering or exiting the woods, keep bow encased except when in your stand. Bow must be encased if engaged in tracking a wounded animal.
- When entering or exiting the woods in the dark, use a flashlight or other illuminating device.

- Hunt only from an elevated tree stand placed a minimum of 12 feet above the base of the tree in which the stand is placed. No ground hunting or shooting from the ground.
- Wear a safety harness at all times while hunting from a tree stand.
- Use only temporary, removable tree stands. Remove stand at the end of each day.
- Use a climbing stand of a type that will not damage the tree.
- Remove climbing aids such as stick ladders and tie-on tree steps from the tree after use when using portable "hang-on" tree stands.
- Maintain your equipment in top condition at all times. Be sure your equipment is tuned and set up properly.
- Hunt a minimum of 300 feet (100 yards) from roads and any private property.
- Not discharge or project an arrow at such an angle or distance as to land on public or private property not described in the permit.
- Not discharge or project an arrow or other object onto or over any hiking trail or bicycle trail within the designated hunting area.
- Track a wounded animal until found. If the animal moves off the assigned property, attempt to obtain permission to trespass for tracking purposes. If unable to obtain permission, notify the game warden immediately. As soon as practicable, report the incident to the Park & Rec Director at 423-3868.
- If unable to locate a wounded animal, notify the Park & Rec Director at 423-3868.
- If wounded animal moves to or dies in a conspicuous area, such as a field, trail, or roadway, remove the animal from the area and if a problem arises, contact the Park & Rec Director at 423-3868.
- Unless otherwise directed, field dress animals in the woods, at least 100 yards away from buildings, roads, or other places where non-hunters travel frequently, and 50 yards from wood chipped trails.
- Cover harvested animals with a tarp while dragging in the field out of respect for the non-hunting public and other park users.
- Follow all DNR requirements for registering deer.
- Account for all arrows used. Report the circumstances of missing or unrecovered arrows on the hunting log sheet.
- Keep an accurate, up-to-date log of times spent in the field to include: date, game harvested, time of harvest, and hunt location. At the end of your hunting period, promptly turn in the log to the Park & Rec Dept for compilation of statistics.
- Report to the Park & Rec Dept any violation of game laws or program policies, rules and regulations.

INFORMATION FOR VILLAGE BOARD CONSIDERATION

ITEM DESCRIPTION: Outagamie County Hazard Mitigation Plan – 2017-2022

PREPARED BY: Village Administrator James Fenlon 

REPORT DATE: September 15, 2017

EXPLANATION: In mid-August, the village received documents from Outagamie County's Emergency Management Director requesting that the village adopt the attached resolution approving the county's plan. At this point, the Federal Emergency Management Agency (FEMA) has notified Wisconsin Emergency Management that the plan meets the required criteria for a multi-jurisdictional hazard mitigation plan.

In order to be eligible for funding through the hazard mitigation program, participating jurisdictions must adopt the plan. By adopting the attached resolution, you will be approving the plan for the Village of Little Chute.

Because of the file size, the plan has been linked within the agenda for your review and is available on our website at the following address: <http://www.littlechutewi.org/documentcenter/view/4297>

RE: Outagamie County 2017-2022 Hazard Mitigation Plan

The Federal Emergency Management Agency (FEMA) has notified Wisconsin Emergency Management (WEM) that the Outagamie County 2017-2022 Hazard Mitigation Plan has met the required criteria for a multi-jurisdictional hazard mitigation plan.

The County and participating jurisdictions must now adopt the plan in order to have a FEMA- approved hazard mitigation plan and be eligible for funding through the Hazard Mitigation Grant program, Pre- Disaster Mitigation program and Flood Mitigation Assistance program.

Attached you will find a sample resolution (if you wish to use it) and the plan to review for adoption. Please forward the signed resolution to me as soon as it is approved.

If you have any questions, please feel free to contact me.

Sincerely,

VILLAGE OF LITTLE CHUTE

RESOLUTION NO. 30, SERIES OF 2017

A RESOLUTION ADOPTING THE OUTAGAMIE COUNTY, WISCONSIN 2017-2022 HAZARD MITIGATION PLAN

WHEREAS, The Village of Little Chute recognizes the threat that hazards pose to people and property; and

WHEREAS, undertaking hazard mitigation actions before disasters occur will reduce the potential for harm to people and property and save taxpayer dollars; and

WHEREAS, an adopted hazard mitigation plan is required as a condition of future federal funding for mitigation projects.

NOW, THEREFORE BE IT RESOLVED, that Michael R. Vanden Berg, Village President, and the Village Board of Little Chute, Wisconsin hereby adopts the Outagamie County, Wisconsin 2017-2022 Hazard Mitigation Plan as an official plan; and

BE IT FURTHER RESOLVED, that upon approval of the Outagamie County, Wisconsin 2017-2022 Hazard Mitigation Plan, the Outagamie County Emergency Management Department will submit the plan to Wisconsin Emergency Management and Federal Emergency Management Agency officials for final approval, as required under the Hazard Mitigation Grant Program.

INFORMATION FOR VILLAGE BOARD CONSIDERATION

ITEM DESCRIPTION: Downtown Master Plan

PREPARED BY: Village Administrator James Fenlon

REPORT DATE: September 15, 2017

EXPLANATION: The goal this evening is to review and approve the 2018 – 2022 Downtown Master Plan and related actions. The plan has been linked in the agenda and is digitally located on the Village website. The action items can be found here (<http://www.littlechutewi.org/DocumentCenter/View/4349>) and will be handed out and projected during the meeting.

The premise, mission and goal of the plan remain unchanged. There have been no major changes to the planning documents, what is below is similar to what has previously been presented, except for a bit more detail and a more refined finish.

The mission of the Downtown Plan is to cultivate a business environment that drives community engagement, encourages redevelopment and new investment in an Old World European feel while providing amenities for residents and visitors alike. We will accomplish that mission by driving towards these four main tenets:

1. Retain, Expand and Recruit Businesses to the Downtown
2. Enhance the Old World European Façade and General Atmosphere
3. Create a welcoming environment to attract visitors, consumers and new residents
4. Connect the Downtown to the Fox River

One note of process as it relates to this effort and mentioned in the conclusion. This planning document is not written in stone. It is a flexible and living document, meaning that nothing commits staff or the board to all the actions listed, we are simply using it as a guide for future CIP/budgets. Also, all action items contained herein must be brought back to the Board for future action through budgets, CIP efforts and policy related reviews.

RECOMMENDATION: Adopt the 2018-2022 Downtown Master Plan and begin planning for the associated Action Items within the planning document.
