FINANCE DEPARTMENT AUGUST DATA

Fox Valley Metro Police Department

HIGHLIGHTS

- **HIRING/PROMOTIONS** - With the departure of full-time clerk Inge Murphy, we are in the process of filling that position. The goal is to fill the position by hiring a new, office manager. The new job description was authorized by the board last week. We are working on getting the pay structure approved and the position approved. The plan is post the job internally between both villages.
- **ADMINISTRATION** - On August 29th Chief Meister was a guest on the Fresh Take radio show with Josh Dukelow on WHBY radio. <https://www.whby.com/2018/08/30/fox-valley-metro-pd-chief-on-cooperation-in-law-enforcement/>
- **FACILITIES** - The backup generator for the public safety building recently had to have some repairs done to the tune of several hundred dollars. In speaking with staff and our custodian, it is my understanding that the generator is at or near the point of replacement. This is something we must start planning replacement for. It is estimated that a new system would cost between \$20,000 to \$30,000.
- **FLEET** - Our department currently used Ford Police Interceptors in our fleet. Ford has recently announced that they will be making some significant changes to the Interceptor by 2020. As such, they are manufacturing only a limited number of Interceptors for the 2019 model year. We must prepare for the possibility that we might have to purchase another make/brand of squad cars in the coming years.
- **PATROL** -
 - With the start of school, we have had extra patrol being conducted around the schools to enhance safety for the students.
 - In preparation for the start of school, the social media team produced a brief video about traffic safety in the school zones. The video consisted of an adult, school crossing guard showing the public how to drive in the school zones.
 - Our department was able to purchase a drug processing ventilation hood through a local grant. The device allows for our staff to open, test and package substances in a safe manner. The grant is through the Capital Credit Union Elevate Communities Grant. We were awarded \$5,000.00. The ventilation hood cost about \$3,500. The remaining funds are being used to purchase other testing and safety equipment associated with processing drugs for evidence.
- **INVESTIGATIONS**
 - Investigator Van Schyndel and Capt. Slotke transitioned into taking the lead on evidence/property management since Clerk Murphy had previously done this but has since left the department. They are also processing all evidence requests from the District Attorney's Office.
 - A full audit of our evidence room was conducted.
 - Three (3) officer candidate background checks were completed.
 - Sexual Assault Kit Initiative (SAKI) kits are coming back from crime lab and follow up being completed.

WHEREAS, Peter Pickle Properties, LLC, a Wisconsin limited liability company, and/or a related entity, and/or a limited liability entity to be formed (collectively, the “Borrower”), desires to complete a project to be owned by the Borrower consisting of financing the (i) acquisition of land and construction of an approximately 68,300 square foot facility to be located on West Evergreen Drive in the Village of Little Chute, Wisconsin (the “Facility”) and operated by GLK Foods, LLC, a Wisconsin limited liability company, to manufacture food products, (ii) acquisition and installation of equipment at the Facility, and (iii) payment of certain professional costs and costs of issuance (collectively, the “Project”), all of which would contribute to the well-being of the Village of Little Chute, Wisconsin; and

WHEREAS, the cost of the Project is presently estimated to exceed \$10,000,000 and the amount proposed to be financed with one or more issues or series of tax-exempt and/or taxable industrial development revenue bonds (the “Bonds”) issued under the Act does not exceed \$10,000,000; and

WHEREAS, it is in the public interest of the Issuer to promote, attract, stimulate, rehabilitate and revitalize commerce, industry and manufacturing, to promote the betterment of the economy of the Issuer; and

WHEREAS, the Borrower has requested that the Issuer now approve an initial resolution (the “Initial Resolution”) providing for the financing of the Project in an amount not to exceed \$10,000,000; and

WHEREAS, the Issuer is a municipality organized and existing under and pursuant to the laws of the State of Wisconsin, and is authorized to enter into revenue agreements with eligible participants with respect to the Project whereby eligible participants agree to cause said Project to be constructed and to pay the Issuer an amount of funds sufficient to provide for the prompt payment when due of the principal and interest on said industrial development revenue bonds.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Little Chute, Wisconsin, as follows:

1. Based upon representations of the Borrower, it is the finding and determination of the Village Board that the Project is a qualified "project" within the meaning of the Act and that the Borrower is an "eligible participant" within the meaning of the Act. The Issuer shall:

(a) Finance the Project in an amount not to exceed \$10,000,000; and

(b) Issue industrial development revenue bonds in one or more series of tax-exempt and/or taxable bonds (the "Bond(s)"), in an amount not to exceed \$10,000,000 in order to finance costs of the Project.

2. The aforesaid plan of financing contemplates, and is conditioned upon, the following:

(a) The Bonds shall never constitute an indebtedness of the Issuer within the meaning of any state constitutional provision or statutory limitation;

(b) The Bonds shall not constitute or give rise to a pecuniary liability of the Issuer or a charge against its general credit or taxing powers;

(c) The Project shall be subject to property taxation in the same amount and to the same extent as though the Project were not financed with industrial development revenue bonds;

(d) The Borrower shall find a purchaser for all of the Bonds;

(e) The Village's out-of-pocket costs, including but not limited to legal fees and Trustee's fees, in connection with the issuance and sale of the Bonds shall be paid by the Borrower; and

(f) A notice of public hearing required by federal law for purposes of Section 147(f) of the Internal Revenue Code, as amended, shall be published in a newspaper of general circulation in the Village of Little Chute and a public hearing shall be held to provide interested individuals or parties the opportunity to testify as to the Project and the issuance of the Bonds.

3. The aforesaid plan of financing shall not be legally binding upon the Issuer nor be finally implemented unless and until:

(a) The details and mechanics of the same are authorized and approved by a further resolution of the Village Board which shall be solely within the discretion of the Village Board;

(b) The Village Clerk shall cause notice of adoption of this Initial Resolution, in the form attached hereto as Exhibit A, to be published once in a newspaper of general circulation in the Village of Little Chute, and the electors of the Village of Little Chute shall have been given the opportunity to petition for a referendum on the matter of the aforesaid Bond issue, all as required by law;

(c) Either no such petition shall be timely filed or such petition shall have been filed and said referendum shall have approved the Bond issue;

(d) The Village Clerk shall have received an employment impact estimate issued under Section 238.11 of the Wisconsin Statutes;

(e) All documents required to consummate the financing have been duly authorized and delivered; and

(f) The Issuer and the Borrower have resolved all land use and special use issues with respect to the affected property and the Project.

4. Pursuant to the Act, all requirements that the Project be subject to the contracting requirements contained in Section 66.1103 are waived, the Borrower having represented that it is able to negotiate satisfactory arrangements for completing the Project and that the Issuer's interests are not prejudiced thereby.

5. The Village Clerk is directed, following adoption of this Initial Resolution (i) to publish notice of such adoption not less than one time in the official newspaper of the Village of Little Chute, Wisconsin, such notice to be in substantially the form attached hereto as Exhibit A and (ii) to file a copy of this Initial Resolution, together with a statement indicating the date the Notice to Electors was published, with the Wisconsin Economic Development Corporation within twenty (20) days following the date of publication of such notice.

6. This Initial Resolution is an "initial resolution" within the meaning of the Act and official action toward issuance of the Bonds for purposes of Sections 103 and 144 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder. Furthermore, it is the reasonable expectation of the Issuer that proceeds of the Bonds may be used to reimburse expenditures made on the Project prior to the issuance of the Bonds. The maximum principal amount of debt expected to be issued for the Project on the date hereof is \$10,000,000. This statement of official intent is made pursuant to Treasury Regulations §1.150-2.

NOTICE TO ELECTORS OF THE VILLAGE OF LITTLE CHUTE, WISCONSIN

TAKE NOTICE that the Village Board of the Village of Little Chute, Wisconsin (the "Issuer"), at a regular meeting held at Village Hall, 108 West Main Street, Little Chute, Wisconsin, on September 19, 2018, adopted an Initial Resolution pursuant to Section 66.1103 of the Wisconsin Statutes, as amended, expressing the intention to issue not to exceed \$10,000,000 of industrial development revenue bonds of the Issuer (the "Bonds") on behalf of Peter Pickle Properties, LLC, a Wisconsin limited liability company, and/or a related entity, and/or a limited liability entity to be formed (collectively, the "Borrower"). The Borrower desires to complete a project consisting of financing the (i) acquisition of land and construction of an approximately 68,300 square foot facility to be located on West Evergreen Drive in the Village of Little Chute, Wisconsin (the "Facility") and operated by GLK Foods, LLC, a Wisconsin limited liability company, to manufacture food products, (ii) acquisition and installation of equipment at the Facility, and (iii) payment of certain professional costs and costs of issuance (collectively, the "Project"). The Borrower has represented that the net number of full-time equivalent jobs which the Project is expected to create on the Project site within three years is 60.

Pursuant to the terms of Section 66.1103 of the Wisconsin Statutes, all requirements that the Project be subject to the contracting requirements contained in Section 66.1103 are waived, the Borrower having represented that it is able to negotiate satisfactory arrangements for completing the Project and that the Issuer's interests are not prejudiced thereby.

THE BONDS SHALL NEVER CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, NOR SHALL THE BONDS GIVE RISE TO ANY PECUNIARY LIABILITY OF THE ISSUER, NOR SHALL THE BONDS BE A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWERS OF THE ISSUER. RATHER, THE BONDS SHALL BE PAYABLE SOLELY FROM THE REVENUES AND OTHER AMOUNTS TO BE DERIVED PURSUANT TO THE REVENUE AGREEMENT RELATING TO SAID PROJECT TO BE ENTERED INTO BETWEEN THE ISSUER AND THE BORROWER.

The Initial Resolution may be inspected in the office of the Village Clerk at 108 West Main Street, Little Chute, Wisconsin, during business hours.

TAKE FURTHER NOTICE THAT THE ELECTORS OF THE VILLAGE OF LITTLE CHUTE MAY PETITION FOR A REFERENDUM ON THE QUESTION OF THE BOND ISSUE. Unless within thirty (30) days from the date of the publication of this Notice a petition signed by not less than five percent (5%) of the registered electors of the Village of Little Chute is filed with the Village Clerk requesting a referendum on the question of the issuance of the Bonds, the Issuer will issue the Bonds without submitting the proposition for the electors' approval. If such petition is filed as aforesaid, then the Bonds shall not be issued until approved by a majority of the electors of the Village of Little Chute voting thereon at a general or special election.

REQUEST FOR VILLAGE BOARD CONSIDERATION

ITEM DESCRIPTION: Fox Valley Metro Police Job Descriptions

PREPARED BY: Chief Daniel M. Meister

REPORT DATE: September 14, 2018

ADMINISTRATOR'S REVIEW/COMMENTS:

EXPLANATION:

As part of our organizational planning and routine review of the operations of our department, I have identified some operational procedures that I believe should be changed for us to operate and deliver services more efficiently.

The three (3) police clerk positions do not have a formal, direct reporting person that they go to for guidance and direction regarding their work activities. They may seek and/or receive direction from three or four command staff members – depending on who is available at the time. This can cause a conflict of orders and communication issues if they are receiving direction from multiple sources. I have proposed that an office manager position be created. This position would directly supervise and manage the clerical staff.

We currently have a full-time clerical vacancy and I would like to fill that vacancy by hiring for this new position – Administrative Manager. I would post the position internally and within both villages. There is already a pay scale for this position. It is under what used to be titled as the Administrative Assistant. Based on our current, clerk's pay rates and the duties and responsibilities of the new position, I would propose we start the new Administrative Manager at step 8 which is \$46,025/year. This would be a salaried, exempt position as well. The job description for this position was approved at the last, regular meeting of the Board.

The difference in pay from the previous clerk's wage and what I am proposing for the new, Administrative Manager's position is approximately \$4,280. In checking with finance, it appears we would have these funds available this year yet due to some cost savings from other positions that were not filled throughout the year. We would then have to add this amount into the 2019 budget as well.

RECOMMENDATION:

Approve the requested position and allow for the immediate hiring of this position.

ITEM DESCRIPTION: 2018 Heesakker Park Deer Culling

PREPARED BY: Adam Breest, Parks, Recreation, & Forestry Director

REPORT DATE: September 14, 2018

ADMINISTRATOR'S REVIEW/COMMENTS:

No additional comments to this report: _____

See additional comments attached: _____

EXPLANATION: In 2017, the Village of Little Chute elected to participate in the deer culling at Heesakker Park. 2017 was a good year as we harvested 4 doe and 2 bucks and had 14 hunters. With the population of deer at Heesakker Park and the surrounding neighborhoods continuing to stay high I am proposing that we continue to operate the deer hunt in 2018.

Dates: Monday, December 3, 2018 – Sunday, December 16, 2018

Locations: Heesakker and the eastern portion of Island Park

Amount of Does or Bucks Harvested

2017 - 6

2016 - 8

2014 - 6

2013 - 5

2012 - 4

2011 - 8

I believe that the Deer Culling has been beneficial in the past. I would recommend that we approve the Deer Culling for this December.

ATTACHMENTS: 2018 Little Chute Policies and Regulations

RECOMMENDATION: Approve the 2018 Deer Culling

POLICIES, RULES & REGULATIONS

Authorized Deer Culling – Village of Little Chute

Policies, rules & regulations are designed to ensure the safety of residents and others in areas being hunted and maximize the projected harvests. Failure to comply with any of these will result in the immediate revocation of hunting authorization and exclusion from future participation in this program.

- When hunting, each participant shall carry a Village of Little Chute Bow Hunting Authorization Letter, current Wisconsin Driver's License, and Hunting Tags.
- When hunting on the property, each vehicle shall display an authorization letter of the individuals participating.
- Parking shall be permitted only on village streets.
- Approved hunters will be authorized to cull either a buck or a doe depending upon the tags that the hunter possesses (may cull multiple deer). Hunters shall immediately report when they have culled any and all deer by calling the Little Chute Park & Rec Director at 423-3868.
- According to 2018 DNR regulations, there is a statewide antlerless hunt from Dec. 6 to Dec. 9. Hunters during this period are only allowed to cull does on those days.

Each Participant Shall:

- Abide by provisions outlined in the Hunting Authorization and hunt only the assigned site during the dates designated in their authorization letter.
- Follow all state statute and DNR regulations pertaining to bow hunting. Baiting will be allowed if the DNR permits it in this section.
- Be liable for your own acts and omissions.
- Act courteously and respectfully while on the property.
- If verbally assaulted, avoid engaging in an argument or becoming abusive. Under such circumstances, leave the area immediately and, if deemed appropriate, call the police. As soon as practicable, report the incident to the Park & Rec Director at 423-3868.
- When on the property, protect foliage, crops and plants from damage, alteration or destruction. You may NOT trim tree branches in order to install your hunting stand.
- Not remove or cut underbrush (i.e. shooting lanes, clearance, etc.).
- Not use an ATV or motorized vehicle on the property.
- When entering or exiting the woods, keep bow encased except when in your stand. Bow must be encased if engaged in tracking a wounded animal.
- When entering or exiting the woods in the dark, use a flashlight or other illuminating device.

- Hunt only from an elevated tree stand placed a minimum of 12 feet above the base of the tree in which the stand is placed. No ground hunting or shooting from the ground.
- Wear a safety harness at all times while hunting from a tree stand.
- Use only temporary, removable tree stands. Remove stand at the end of each day.
- Use a climbing stand of a type that will not damage the tree.
- Remove climbing aids such as stick ladders and tie-on tree steps from the tree after use when using portable "hang-on" tree stands.
- Maintain your equipment in top condition at all times. Be sure your equipment is tuned and set up properly.
- Hunt a minimum of 300 feet (100 yards) from roads and any private property.
- Not discharge or project an arrow at such an angle or distance as to land on public or private property not described in the permit.
- Not discharge or project an arrow or other object onto or over any hiking trail or bicycle trail within the designated hunting area.
- Track a wounded animal until found. If the animal moves off the assigned property, attempt to obtain permission to trespass for tracking purposes. If unable to obtain permission, notify the game warden immediately. As soon as practicable, report the incident to the Park & Rec Director at 423-3868.
- If unable to locate a wounded animal, notify the Park & Rec Director at 423-3868.
- If wounded animal moves to or dies in a conspicuous area, such as a field, trail, or roadway, remove the animal from the area and if a problem arises, contact the Park & Rec Director at 423-3868.
- Unless otherwise directed, field dress animals in the woods, at least 100 yards away from buildings, roads, or other places where non-hunters travel frequently, and 50 yards from wood chipped trails.
- Cover harvested animals with a tarp while dragging in the field out of respect for the non-hunting public and other park users.
- Follow all DNR requirements for registering deer.
- Account for all arrows used. Report the circumstances of missing or unrecovered arrows on the hunting log sheet.
- Keep an accurate, up-to-date log of times spent in the field to include: date, game harvested, time of harvest, and hunt location. At the end of your hunting period, promptly turn in the log to the Park & Rec Dept for compilation of statistics.
- Report to the Park & Rec Dept any violation of game laws or program policies, rules and regulations.
