- Private contractor for Little Chute North Estates installed 885 LF of water main and 361 LF water lateral.

Engineering Notes:

2019 Utility Projects - Construction

Evergreen Drive Storm Sewer

There is sufficient utility work to split this project into two contracts. We will prepare separate bid forms for utilities and paving but use the same plans and specifications for the individual contracts.

Bohm Drive Water Main Reconstruction

This project remains unchanged and work is scheduled to start in April or May depending on weather conditions.

Northeast Sanitary Sewer Extension / Buchanan Road Water Main Extension

The contractor is scheduled to complete the pipe installation for these two projects in March. Restoration is scheduled to be completed by the end of May.

2019 North Storm Sewer Extension Project - Design

The Village Consultant continues to make progress with their design. It is anticipated that this project will go to bid the first quarter of 2019 with construction completion in September of 2019.
