Discussion/Possible Action—Little Chute Elementary School and Boys and Girls Club use of the Little Chute Civic Center – Fall of 2020

Administrator Fenlon advised the board on the potential use of the Civic Center in the fall by the LCASD/Boys and Girls Club of the Fox Valley. The use of the Civic Center will not be available the week of the November election. Costs for cleaning, etc. would have to be accounted for by either the Club or the School District. Mr. Josh McQuillan, Director of the Boys and Girls Club of Little Chute stated that they will work with the Village with any concerns. Trustee Smith asked how long this would go on if approved, Administrator Fenlon stated this would only be for the first semester and looked at again after the first of the year. Trustee Van Deurzen asked who would be responsible for the extra costs for cleaning and Administrator Fenlon stated that the Village should be reimbursed for any costs. Trustee Peerenboom asked about policies for positive results; Mr. McQuillan advised the board that they have specific guidelines and policies if there are any positive Covid results. Trustee Hietpas questioned the liability insurance and Mr. McQuillan advised they have a liability insurance rider that would be covered for any incidents. Administrator Fenlon will get any concerns in writing, Trustee Peerenboom asked if they could see the liability insurance rider and also the maximum attendance that would be in the Civic Center. Mr. McQuillan advised that currently there are 105 enrolled and normal attendance is 75-80%. Mr. McQuillan advised this would only be the Little Chute Public School enrollees. Trustee B. Van Lankveldt asked if the library would be open, Administrator Fenlon stated right now it would be open in a limited capacity or by appointment only.

Down the Hill Bar, 221 Mill St. is requesting an outdoor alcohol permit on September 12th, 2020 for a cook out and costumer appreciation party from 3 pm to 10pm. We would also like to have a speaker outside mostly for prize announcements. We are able to cap the volume on the outside speaker so it cannot be turned up too loud.

REQUEST FOR BOARD CONSIDERATION

ITEM DESCRIPTION: To update the Zoning ordinance as it pertains to special exceptions in the Residential Conventional (RC) district

PREPARED BY: David Kittel, Community Development Director

REPORT DATE: 8/19/2020

ADMINISTRATOR'S REVIEW/COMMENTS:  No additional comments.

EXPLANATION:

There are a few uses that are allowed in the Residential Conventional (RC) district that are not residential in use. These would be public and semipublic nonprofit institutional uses including churches, schools, libraries and the like. On occasion these other allowed use buildings are no longer needed and placed for sale. What results is a building that sits vacant with only a few uses allowed. Many of these buildings are still economically useful for a different use such as an office or clinic. Yet due to how our current ordinances are set up this would require rezoning the property. Depending on the location of these buildings this may be viable, but on occasion a rezoning could open up a future use that would not be desirable in a residential setting. In these situations a conditional use would be appropriate and allow for certain uses like an office/clinic that has minimal impact to the area to be allowed where applicable and allow for stipulations to be placed on the conditional use to minimize impact to the residences while allowing the building to be occupied. Currently the Special exception uses and structures for the RC district are below with the proposed change/addition in red:

d) *Special exception uses and structures.* The following are special exception uses and structures in the RC district:

- (1) Day nurseries and kindergartens with at least 100 square feet of open play space for each child enrolled.
- (2) Convalescent, children's and nursing homes and group homes under Wis. Stats. ch. 61.
- (3) Public utility installations.
- (4) Cemeteries.
- (5) Gardens, nurseries, and orchards, provided no office or store is maintained on the premises.
- (6) Bed and breakfast establishments.
- (7) **Business and Professional Offices, public and private clinics.**

Adding this would set up a clear process for these instances and allow the Village to ensure any use would be fitting to the property while not being intrusive to our existing residential areas. This would also assist in preventing otherwise useable building from being vacant, and unsightly, with the potential to add value to the community.

RECOMMENDATION:

Amend Sec 44-46(d) to include business, professional offices, and public, private clinics as a special exception use in the Residential Commercial district.

Village of Little Chute
INFORMATION FOR VILLAGE BOARD CONSIDERATION

ITEM DESCRIPTION: WEDC Connect Community Renewal for 2020/2021 (FY 2021)
PREPARED BY: James P. Fenlon, Administrator JPF
REPORT DATE: August 25, 2020
<p>EXPLANATION: The Village of Little Chute was initially accepted into WEDC's Connect Community program in the 2014-2015 cycle. Since that time, staff and other community members participated in training, received access to web-based support, and worked with a WEDC Community Manager on a number of items. As a reminder, this program is intended to provide support for communities on downtown or central business districts.</p> <p>The WEDC staff has circulated contract renewals for those communities who have met the requirements of the program for the 2019/2020 cycle. Part of that renewal process is again agreeing to meet the terms of the contract (see attached), which is a benefit for Village staff and our business community. Most importantly, the contract requires a \$200 fee, participation in training opportunities, fund economic development efforts related to the program and related annual reports.</p> <p>While the benefits to this program are not in terms of direct funding, the continued presence, effort, and application of resources will result in gains for the Village of Little Chute in the long-term as it relates to downtown development. With that in mind, the recommendation below is appropriate and recommended.</p>
RECOMMENDATION: Staff recommendation is to authorize the Administrator to renew the contract with the Wisconsin Economic Development Corporation for the 2020/2021 Connect Community program.

August 25, 2020

Attn: James Fenlon

RE: Connect Communities Agreement #AJ5191 between the Wisconsin Economic Development Corporation ("WEDC") and Village of Little Chute ("Local Organization").

Dear James Fenlon:

By signing and returning this letter agreement to the WEDC and paying the participation fee outlined below, the Local Organization agrees to the following terms.

As a participant in the Connect Communities Program, the Local Organization shall:

- Pay WEDC the annual participation fee of Two Hundred Dollars (\$200);
- Actively participate in the Connect Communities Program, by attending a minimum of Two (2) training opportunities offered by WEDC during the year; and
- Submit an annual performance report as required by WEDC.

ITEM DESCRIPTION: Policy 503 - Limited Adjustment to Compensatory Time

PREPARED BY: James P. Fenlon, Administrator 

REPORT DATE: August 28, 2020

EXPLANATION: I was approached by a staff member with a request to extend compensatory time accrual time from the current 40 hour maximum to 80 hours for the remainder of 2020. Part of this suggestion would allow staff to use this time off as time to deal with COVID-19 related absences. A few considerations:

- This policy adjustment would only be allowed for the 2020 calendar year.
- This time would NOT carry over into 2021
- Any balance over and above the 40 hours that was not utilized in paid time off would be paid to the employee at the end of the year

RECOMMENDATION: Authorize the Administrator to extend the current 40 hour maximum accrual limit for compensatory time under policy 503 to be extended to 80 hours for the remainder of 2020 per the terms/considerations outlined above.

POLICY 503 OVERTIME AND COMPENSATORY TIME

- 1. Purpose.** To provide a consistent system for distributing overtime in compliance with the overtime-pay provisions of the Fair Labor Standards Act (FLSA).
- 2. Definitions.**
 - 2.1** Each position is designated as either “Non-exempt” or “Exempt” from the federal Fair Labor Standards Act and state wage and hour laws. Employees should contact their supervisor if they are unsure of their position’s designation.
 - 2.1.1** Non-Exempt. Positions that are paid on an hourly basis and are entitled to overtime pay for hours worked in excess of 40 hours per week.
 - 2.1.2** Exempt. Positions that are generally paid on a salary basis and are excluded from specific provisions of federal and state wage and hour laws and are not eligible for overtime pay.
- 3. Overtime.**
 - 3.1** Non-exempt employees are eligible to receive overtime pay of one and one-half (1.5) times their regular hourly wages for approved hours over forty (40) hours in one (1) week. Hours worked is defined as regularly scheduled work hours, previously scheduled leave/vacation (scheduled 5 days in advance), and all holidays. Compensatory time (comp time) off and sick leave will not count as hours worked for overtime computations. All overtime must be approved in advance.
- 4. Compensatory Time.**
 - 4.1** Non-exempt employees may elect to earn and use compensatory time. Compensatory time will be earned at time and one half.
 - 4.2** Non-supervisory exempt employees may elect to earn and use compensatory time. Compensatory time will be earned on the basis of one and a half (1.5) hour compensatory time for one hour worked outside a 40-hour work week.
 - 4.3** Department heads and exempt supervisory employees are not eligible for compensatory time.

- 4.4** Once the maximum accrual amount has been met, employees will be paid for any time worked for hours worked beyond their regularly scheduled hours within a pay period at a rate of time and one half time for one hour worked.
- 5. Compensatory Time Accrual.**
 - 5.1** Paid benefit time (paid time off, nonproductive holiday hours, etc.) will not be considered as hours worked for purposes of determining compensatory hours.
 - 5.2** Compensatory time may be accumulated to a maximum of 40 hours.
 - 5.3** Department Heads have the authority to authorize the carryover of a maximum of 40 hours of earned compensatory time per employee from one calendar year to the next or to payout the employee on the second payroll of December.
- 6. Approval.**
 - 6.1** Except in emergencies, all overtime and compensatory time must be approved in advance by management.
 - 6.1.1** The employee's supervisor will have the sole right to approve or deny overtime and compensatory time requests.

ITEM DESCRIPTION: 2020 Heesakker Park Deer Culling

PREPARED BY: Adam Breest, Parks, Recreation, & Forestry Director

REPORT DATE: August 28, 2020

ADMINISTRATOR'S REVIEW/COMMENTS:

No additional comments to this report: JPF
See additional comments attached: _____

EXPLANATION: In 2019, the Village of Little Chute elected to participate in the deer culling at Heesakker Park. 2019 was a slower year as we only harvested 2 doe and 1 buck. With the population of deer at Heesakker Park and the surrounding neighborhoods continuing to stay high I am proposing that we continue to operate the deer hunt in 2020 but at a reduced scope due to the David and Rita Nelson Family Heritage Crossing construction.

Dates: Week 1 - Monday, November 30, 2020 – Sunday, December 6, 2020

Week 2 – Monday, December 14, 2020 – Sunday, December 20, 2020

Locations: Heesakker Park ONLY (north of the Heesakker Bridge)

Amount of Does or Bucks Harvested

2019 - 3

2018 - 8

2017 - 6

2016 - 8

2014 – 6

I believe that the Deer Culling has been beneficial in the past. The format that we currently utilize allows residents to participate and it has been a success.

ITEM DESCRIPTION: Van Lieshout Outdoor Patio Authorization and Budget Adjustment

PREPARED BY: Adam Breest, Parks, Recreation, & Forestry Director

REPORT DATE: August 28, 2020

ADMINISTRATOR'S REVIEW/COMMENTS:

No additional comments to this report: _____

See additional comments attached: _____

EXPLANATION: In 2019, the village requested a donation from The Great Wisconsin Cheese Festival in the amount of \$12,250 for the Outdoor Patio at the Van Lieshout Recreation Center. The village board then approved \$7,000 in the 2020 operating budget for the parks, recreation, & forestry department to spend towards the project.

Contractors will begin to arrive next week, and the village will be receiving the check from Cheese Fest next week as well. The parks, recreation, & forestry department is asking for board approval to authorize the spending of the donation from Cheese Fest to be utilized for this project plus approve the corresponding budget adjustment to increase donations and construction materials by \$12,250

The outdoor patio once completed will be an extra outdoor space to be rented with the Van Lieshout Rec Center. It will have a charcoal grill, shade structure, block seating, and countertop space for people to enjoy. There will be an extra fee charged for the use of this space. This will enhance the already popular Rec Center space.

RECOMMENDATION: Discussion/Possible Action To increase donations and construction parks budget by \$12,250 for the Cheesefest funds and proceed with the Van Lieshout Outdoor Patio Project.
