Director McDonald introduced Mr. Joe Harlow who is requesting to have fireworks during the 4<sup>th</sup> of July holiday weekend at Island Park in 2022. Staff will add this to the October 6<sup>th</sup> Village Board meeting for approval.

Trustee Peerenboom suggested finding a non-profit group that the Village could match or find a fund raiser to raise the money. Chief Meister asked that the Board please consider the staffing issues for Fox Valley Metro with the Kimberly fireworks and various events going on.

## **Discussion—Bike Trail Development in Heesakker Park**

Director McDonald advised the board that staff has been approached to investigate the installation of bike trails through Heesakker Park. This item will be brought before the board on October 6<sup>th</sup> for approval. Trustee B. Van Lankveldt asked if you can walk the trails and it was suggested that the walkers would walk the opposite way as the bikes. Trustee L. Van Lankveldt stated he would not support a bike lane at Heesaker. Trustee Elrick feels we should wait a year with the Nelson Crossing before we look at expanding bike trails. Trustee Hietpas asked if the Heesaker family has been involved or consulted; Director McDonald advised no, they were not contacted. Trustee Peerenboom stated that in all of the past plans for the park, the Heesaker family has been in favor of bike lanes. Trustee Elrick advised that the parking situation needs to be looked at before any additional items are added to the park.

**REQUEST FOR VILLAGE BOARD CONSIDERATION**

**ITEM DESCRIPTION: 2021 Christmas Tree Sale**

**PREPARED BY: John McDonald, Parks, Recreation, & Forestry Director**

**REPORT DATE: October 6, 2021**

**ADMINISTRATOR'S REVIEW/COMMENTS:**

No additional comments to this report:

See additional comments attached:

**EXPLANATION:** Historically, the Little Chute Jaycees have conducted a Christmas Tree sale that they conduct annually from the Sunday after Thanksgiving through a few weeks prior to Christmas. The tree sale is held on the Windmill Plaza. All proceeds from the tree sale were used to support community efforts by the organization.

The Little Chute Jaycees are proposing to utilize the Windmill Plaza for their sale again this year. The tree sale will run from Friday, November 26<sup>th</sup> until December 18<sup>th</sup>. This includes set-up and take down dates.

Officially, the Jaycees organization would like approval from Village Board to utilize Windmill Plaza for Christmas Tree sales in 2021. Village staff supports this effort and will work with the organization again this year to ensure that the location of the trailer, utilization of any power and ability of staff to maintain the plaza are in a satisfactory condition.

# Revaluation Reminders

- Complete revaluation ensures all property owners receive uniform and fair assessments paying their fair share of property taxes
- Though the assessed value of your property affects your share of taxes, the actual amount you may pay is determined by the budget needs and levy established by each of the taxing entities.
- If the total remains the same, only those properties that are not presently paying their fair share of the tax burden will pay more taxes after a revaluation. Properties presently paying more than their fair share will pay less.

**INFORMATION FOR VILLAGE BOARD CONSIDERATION**

**ITEM DESCRIPTION: Fox Cities Regional Partnership 2021 Funding**

**PREPARED BY: Dave Kittel, Community Development Director**

**REPORT DATE: July 29, 2021**

**EXPLANATION:** While the funding level for the Regional Partnership was approved in the 2021 budget process, we have always brought the funding action to the Board prior to releasing funds. As you know, the partnership supplements Village efforts related to regional economic development through the three primary areas of focus:

- Assisting with retention, including visits of primary employers (one on one meetings at primary employers in Little Chute)
- Supporting workforce development efforts (Talent Upload)
- Marketing sites and the Fox Cities to outside site selectors/future residents (Site Selector Visits and Bazaar After Dark)

Over the past two years, the Fox Cities Regional Partnership has experienced modest stabilization with the recruitment of a both a new Chamber President and Vice President. Additionally, the Village of Little Chute directly benefited by hosting two Bazaar After Dark events (2019 and 2018) that drew large crowds to Downtown Little Chute. As a dollar per capita investor since inception of the organization, the Village of Little Chute has had the ability to work closely with both our private sector and public sector partners in ensuring the direction of the organization is serving in the best interests of the community. Previously, Little Chute, Neenah, Menasha, Wrightstown, and Calumet County are the only dollar per capita investors. Other municipal and county organizations are funding at a myriad of levels, most closely resembling half of what the communities listed above invest.

While there is little doubt that the partnership benefits the Village of Little Chute and our existing business partners, the equity of the funding disparities has been troublesome. At this time the partnership has been working to resolve these issues and is working towards a more equitable way to collect membership fees. With new staff for this organization and a more equitable collection method coming forth in the near future I would recommend releasing the Village of Little Chute's contribution provided the Fox Cities Regional Partnership guarantees the Village a minimal of 5 BRE visits and works toward providing better metrics and a fair and equitable format for providing assistance to all members. In addition, the new funding model needs to fully in place by next year. If our area is to be successful competing at the state and national level in economic development, the Fox Cities Region does need an economic development organization like the Fox Cities Regional Partnership. The value to every resident can be measured directly and indirectly. Covid-19 has further shown the need for organizations like this. If this organization is to have the resources to effectively lead the region's municipalities and counties in the area of economic development, it needs to have an equitable, supported, and sustainable funding model that is embraced by all.

**RECOMMENDATION: Discussion/Action on the 2021 funding to support the Fox Cities Regional Partnership.**

**INFORMATION FOR VILLAGE BOARD CONSIDERATION**

**ITEM DESCRIPTION: Amendment One Nelson Crossing Fiscal Agreement**

**PREPARED BY: Lisa Remiker-DeWall, Finance Director and John McDonald**

**REPORT DATE: September 30, 2021**

**ADMINISTRATOR'S REVIEW/COMMENTS:**

No additional comments to this report: \_\_\_\_\_

See additional comments attached: \_\_\_\_\_

**EXPLANATION:**

The original agreement dated February 20, 2019, did not address maintenance, utilities, and insurance. In addition, this amendment delineates the annual budget and accounting procedures each community will uniformly follow. The City of Kaukauna is also acting on this amendment at their October 5 Council Meeting.

**RECOMMENDATION: Request to approve Amendment One to Nelson Crossing Agreement**

**FIRST ADDENDUM  
NELSON CROSSING  
AGREEMENT**

This Addendum is made to that Agreement originally made between the Village of Little Chute (herein "Village") and City of Kaukauna (herein "City") originally dated February 20, 2019. The Village and City may be referred to herein individually as "party" or collectively as "parties",

**Background Recitals**

**WHEREAS**, the Village and City have agreed to amend the original referenced above by the terms and conditions of this Addendum;

**NOW, THEREFORE**, the parties agree as follows:

1. **Maintenance Decisions** All work shall be agreed upon in writing by both the Village and City prior to any such work commencing.
2. **Maintenance and Repair Costs/Annual Budgeting**
  - a. **Snow Removal:** It is not the intention of the City or Village to regularly remove snow from the bridge Crossing due to the weight restrictions of the bridge, the Wisconsin DNR prohibiting snow removal directly into the river, and potential damage that will occur from the equipment on the bridge. On alternating winter seasons, the Village and City will evaluate together and provide snow removal as needed, on a case-by case basis. No billing will take place between the parties for this service since shared equally. The City will start with the 2021-2022 season alternating to the Village for 2022-2023 season continuing until termination of the agreement. Snow, ice, any other debris, along with any equipment is not allowed to exceed 10,000 lbs. at any given time
  - b. **Maintenance Budget:** The parties will meet each July to review the previous year's expenses and discuss future maintenance items. The parties will each budget for 50% of the expected items but no less than 1.05 times the average of the previous five completed year expenditures or \$2,000 whichever is greater in a segregated Special Revenue Fund 224. The operating budget is further limited to a cap of \$20,000 fund balance for each the Village and City. Any major capital improvement on the bridge exceeding \$20,000 shall be approved by the Village's and the City's Capital Improvement Plan process. The Village and City agree to align any major repair to the Bridge in their respective year Capital Improvement Plan to ensure adequate funding is available. Parties agree to provide detailed billing annually in December for 50% of the labor or services incurred for work agreed upon.
3. **Bridge Utilities** All costs for electrical utilities on the bridge shall be shared and paid for equally by the Village and City at 50% each. The City shall account for these expenses with a designated account within the Special Revenue Fund 224. This expense shall be billed out once a year each December for actual costs paid between December previous year and December of billing year. The Village and City each agree to converse each July to review previous year expenses. Both the City and Village agree to budget in the segregated Special Revenue Fund for 50% of these costs at 1.05 times the previous year's expenses.
4. **Insurance Coverage, Deductibles, and Costs** Both the City and Village agree that the City has the legal authority to insure the bridge and collect payments for damages on behalf of both

the Village and City. All insurance claims related to this asset should be deposited into the special revenue fund 224. Any insurance claim payment made that directly relates to the bridge shall be used solely on the bridge repair that the claim was submitted for or as agreed upon by both Village and City. Any deductible related to a claim on the bridge shall be shared and paid by the Village and City at 50%. All insurance premium costs for the bridge shall be shared and paid for equally by the Village and City at 50% The City shall invoice the Village for 50% of the premium when the new policy is issued. The City shall provide documentation of the insurance policy and premium as it relates to the bridge upon request from the Village. Both the City and Village agree to budget in the segregated Special Revenue Fund 224 for 50% of these costs at 1.05 times the previous year's expenses.

**INFORMATION FOR VILLAGE BOARD CONSIDERATION**

**ITEM DESCRIPTION: Request for 4<sup>th</sup> of July Fireworks (Discussion/Action Item)**

**PREPARED BY:** John McDonald – Parks, Recreation, & Forestry Director

**REPORT DATE:** 10/6/2021

**ADMINISTRATOR'S REVIEW/COMMENTS:**

No additional comments to this report: This item is for Discussion/Action.\_\_\_\_\_

See additional comments attached:\_\_\_\_\_

**EXPLANATION:** Staff has been approached by Joe Harlow to investigate the approval for Fireworks during the 4th of July holiday weekend for 2022. Fireworks have in the past been occurred on Island Park for the 25th and 30th anniversaries of Cheesefest. This venture would be separate venture and not part of any other event or organization in the Village.

In addition, Joe is requesting that the Village enter into a matching funds agreement no greater than \$5,000. This monetary amount would towards helping the cost of fireworks, permits, and staff time to help the event be successful. Joe would find a non-profit agency to be the fiscal head of this venture.

**RECOMMENDATION:** To approve a 4<sup>th</sup> of July Fireworks event held in Doyle Park; that works with Fire Department to have fireworks operate out of Island Park; having the Village enter into a “Match Funds” program of up to \$5,000; and Mr. Harlow complete a Special Events permit finding a qualified group as the financing agency responsible for all financials of the event.

**ITEM DESCRIPTION: Bike Trail Development in Heesakker Park**

**PREPARED BY: John McDonald – Parks, Recreation, & Forestry Director**

**REPORT DATE: 10/6/2021**

**ADMINISTRATOR'S REVIEW/COMMENTS:**

No additional comments to this report: This item is for Discussion/Action\_\_\_\_\_

See additional comments attached: \_\_\_\_\_

**EXPLANATION:** Staff has been approached to investigate the installation of bike trails through Heesakker Park. Historically referencing the original plans of Heesakker Park, bike trails were shown to be developed. In addition, the recent Comprehensive Outdoor Recreation Plan public survey produced significant results in users requesting more bike trails through our parks systems. In addition, previous CORP's have called for the implementation of bike trails within Heesakker Park.

Andy Fisher, a bike enthusiast has already created bike trails throughout the Kaukauna Utilities property. Such trails have been created that allow for novice, intermediate, and expert usability. Additionally, all individual ability level bike trails have proper signage that is synonymous throughout the biking world. These best practices provide safe and inclusive riding for all.

Andy Fisher has presented a plan that would allow for bikers to use a trail through Heesakker Park that would beneficially help with the highly congested biker, walker, and stroller traffic that currently exists. This plan calls for the trail to link between at the south end of Heesakker Park at Sanitorium Road and northwest corner near Garfield Court. The bike trail would cross the walking path only once and ensure safe passage for both pedestrians and bikers alike. Andy has proposed that he would do the work for free, maintain biking standards, post signage throughout the trail, and follow Park Planning Committee and Village Board advisements. It is also agreed that trail development and expansion will be at an agreed upon timeline between the Village of Little Chute and Andy Fisher.

Staff recommends that this venture be pursued all while respecting the historic nature of this amenity. Lastly, staff would take this proposal and any recommendation to the Village Board for review and final decision to host the event.

Attached:

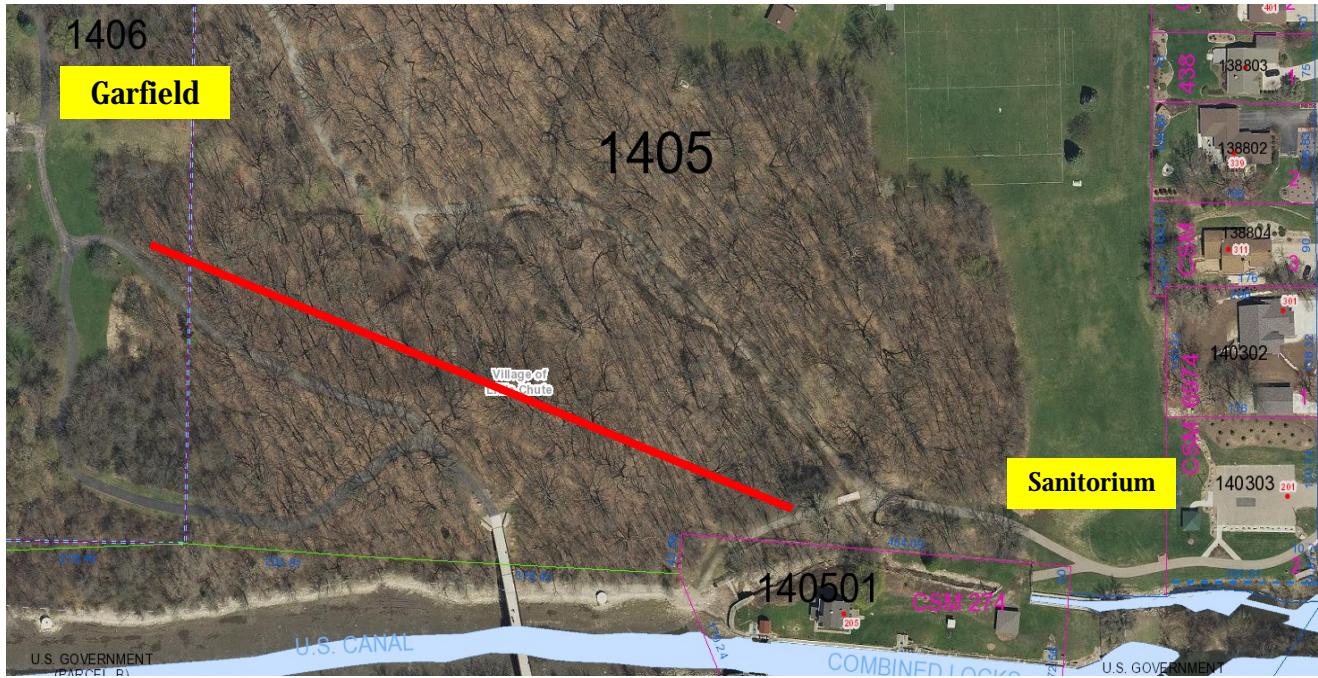

- Proposed Trail System (2 maps)
- Current pictures of Kaukauna Utility trails already developed

**RECOMMENDATION: To approve the installation of the proposed No. 2 bike trail path by Andy Fisher; between the south end of Heesakker Park at Sanitorium Road and northwest corner near Garfield Court; and installed with proper signage installed approved by department staff.**

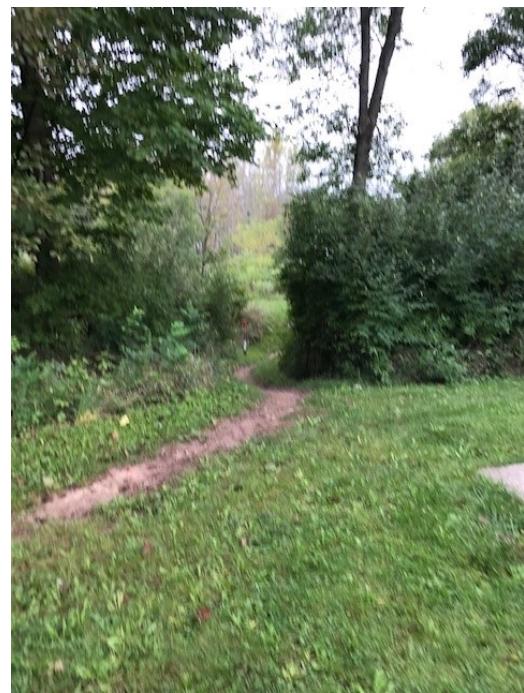

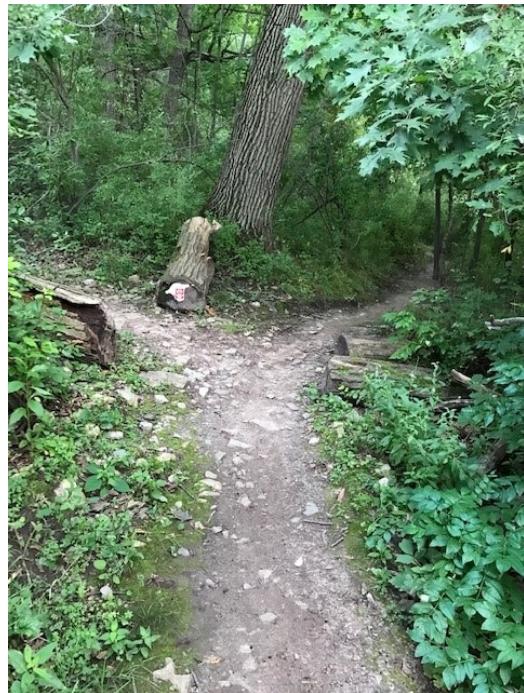

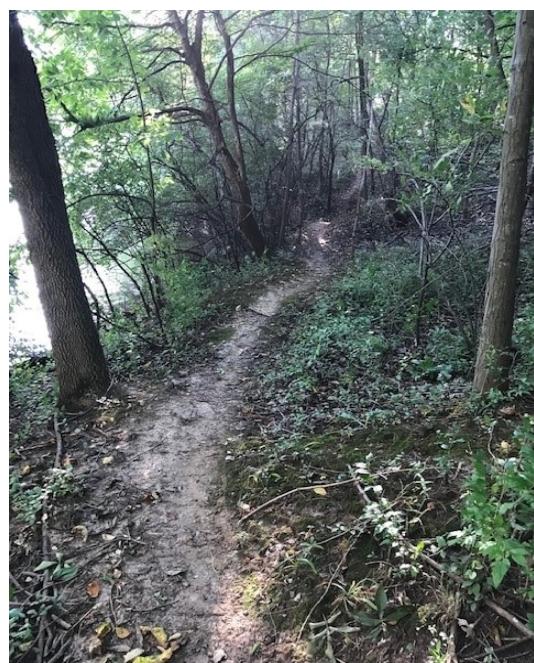

1 (yellow) is an extension to the trail some are already riding ... flagged **(Potential future development)**  
2 (orange) would connect the 2 ends of the park ... flagged **(Current Proposal)**

3 (red) would be a short trail creating a nice loop in the park ... not flagged (**Potential future development**)

Red line indicates general reference points of trail to entrance and exit points in Heesakker Park.

**REQUEST FOR BOARD'S CONSIDERATION**

ITEM DESCRIPTION: Engineering Intern Part-Time Wage Scale Comparison

REPORT PREPARED BY: Christopher L. Murawski, P.E.

REPORT DATE: September 30, 2021

ADMINISTRATOR'S REVIEW / COMMENTS:

No additional comments to this report \_\_\_\_\_

See additional comments attached \_\_\_\_\_

EXPLANATION: Additional information was requested for Engineering Interns 2022 seasonal part-time wage rates as compared to various consulting firms and the Wisconsin Department of Transportation. The following hourly rates were obtained:

EMCS Inc.	HGA	SEH	Outagamie Highway	KL Eng. Inc.	McMahon	Wis-DOT	Village of Little Chute
\$14.50 to \$18.50	\$14.50 to \$20.50	\$16.00 to \$19.50	\$16.16 to \$18.13	\$17.00 to \$20.00	\$17.00 to \$20.00	\$17.50 to \$18.50	\$17.00 to \$18.50

As of Sep 23, 2021, the average hourly pay rate for a Civil Engineer Intern in Wisconsin is approximately \$19.65 an hour (ZipRecruiter).

**Consultant Hourly Rates for Inspection**

Full time Employee: \$70 to \$88

Summer Intern: \$38 to \$58

**Cost Comparison for Consultant vs. Summer Intern (employed by Village of Little Chute)**

\$18.50/hr. x 12 weeks x 40 hrs./week = \$8,880 for 480 hours employed by Village of Little Chute

\$8,880 divided by \$80/hr. = 111 hours for full time consultant

\$8,880 divided by \$58/hr. = 153 hours for consulting summer intern at same level of experience

**Current Construction Schedule for 2022 includes the following projects:**

1. Vandenbroek Pond w/storm sewer
2. Pine Street Parking Lot w/utilities
3. Pheasant Run 60-inch storm sewer
4. Cherryvale Ave. Concrete Paving
5. Crosswinds Subdivision – Sidewalk
6. CTH OO (Lamers to Bohm) – Sanitary Sewer
7. CTH OO (Bohm to Joyce) – Water Main
8. Main Street Turn Lane at Monroe
9. Quiet Zone Improvements

In past years two summer interns have been hired to assist in tasks to improve our GIS data, provide bench loops, prepare record documents and assist with construction documentation.

RECOMMENDATION: It is the recommendation of the Village Engineer to increase the wage scale for Engineering Interns starting at \$17/hr. and increasing each step at 50 cents based on credits earned and experience for the 2022 summer construction season. This wage rate will need to be reviewed on an annual basis to remain competitive and to attract the most skilled interns available.
