*Moved by Trustee L. Van Lankveldt seconded by Trustee Peerenboom to approve Spirit Ct. Site Plan as submitted.*

Ayes 7, Nays 0 – Motion Carried

### **Discussion/Action— Space Needs Study Additional GIS Work**

Administrator Bernhoft presented the GIS information on the space needs study for the fire department. Trustee VanDeurzen stated he believes we already have the data needed and should not spend additional \$5,500 on the study. Trustee Peerenboom stated he felt the additional research was a good idea giving the amount of money that could potentially be spent on a new fire station.

*Moved by Trustee Peerenboom seconded by Trustee L. Van Lankveldt to approve study as presented.*

Ayes 5, Nays 2 (Van Deurzen, B. Van Lankveldt) – Motion Carried

### **Discussion/Action—Update Intergovernmental Agreement (IGA) with Town of Vandenbroek for Buchanan Rd.**

Administrator Bernhoft presented a project update, requested changes to limit the Village exposure for cost overrun were made to the IGA. Town of Vandenbroek met and denied the changes. The Town of Vandenbroek has still not received updated estimates from county. An attempt by Administrator Bernhoft to contact the county was unsuccessful. Trustee Peerenboom stated if option 1 or 3 were selected Town of Vandenbroek would pave up to the bridge. Village Engineer Murawski stated due to utilities they would pave up to Don DeGroot Drive. President Vanden Berg stated he felt we have no choice but to go ahead with the project. Bidding on our own wouldn't be close to figures given. Engineer Murawski stated this project does come with less risk than previous. His main concern was the bridge, which is where some of the issues are coming from, County is having a difficult time making estimates on materials and paving needed. Trustee Elrick stated he wanted to know an updated estimate from county before moving forward, he is not opposed to the project but wanted an accurate number.

*Moved by Trustee B. Van Lankveldt seconded by Trustee Van Deurzen to revisit the IGA to accept and prepare for updated costs to repaving (Option 2)*

Ayes 5, Nays 2 (Peerenboom, Elrick) – Motion Carried

### **Discussion/Action – Pheasant Run Storm Update**

Administrator Bernhoft presented a follow-up from the last meeting. An enclosed system will not be approved by the WDNR. Staff will research alternative methods to address the storm run in the future. Engineer Murawski said there are possibilities available, but the DNR will need to approve. Staff will work with property owners and DNR on this issue, it is a long process to go through. This is considered a navigable water way and the DNR may get very specific about requirements. The process to move forward will begin as soon as possible. Mr. Murawski is in regular contact with the property owners and is keeping them up to date on this issue.

*Moved by Trustee B Van Lankveldt, seconded by Trustee Peerenboom to remove the construction funds from the 2022 budget.*

## Village of Little Chute 2023 Budget Process

### 2023 Department Guidance

1. Personnel line items for non-represented employees have been cross-referenced by both Bureau of Labor Statistics Consumer Price Index (CPI) and Wisconsin Employment Relations Commission (WERC) data. The June 10, 2022, release of CPI data projects currently a 7.2% increase over the previous 12 months (Expenditure Restraint program uses rolling average through August 2022). WERC data shows that the CPI for one-year collective bargaining agreements beginning on a date of 11/1/2022 is at 6.86%. This year we are in a unique situation as the Wage and Compensation Study will assist us in overall marketplace analysis. The methodology employed by the study will be shared at the July 13 Committee of the Whole allowing for preliminary discussion and guidance by the Village Board. The tentative time plan is to present outcomes for action in early August allowing the Village to adopt a competitive yet budget sustainable pay rate structure to include in the 2023 Budget. The Fox Valley Metro Professional Police Association contract expires at the end of 2022. Preliminary discussions have occurred, but negotiations continue taking into consideration local comparable settlements.
2. The 2023 Wisconsin Retirement System (WRS) rates were released June 28, 2022. The employer portion for General Employees will increase .3% from 6.5% in 2022 to 6.8% while Protective with Social Security rates will increase from 12.04% in 2022 to 13.22% in 2023 or a 1.18% increase. Health insurance rates will be released by the State the week of September 12 per announcement of key dates for local employers in a June. The Finance Director will participate in the State Group Health Insurance Board Meeting on August 17 to get a better idea on the potential range of rate increase we can expect. We are in the process of soliciting rate proposals for our dental plan expecting quotes in August. Tentatively, we have received good news of no change in rates for our Long-term Disability and Life Insurance Plan rates which we can lock in through 12/31/2024. We are still performing due diligence to solicit competitive rates from other carriers to make sure there is not any change in the marketplace that could potentially decrease our costs.
3. A 2023 Budget Change Request Form needs to be completed for any new addition or planned discontinuation of a personnel position, program, or service level change. **This request should not be included in your budget submittal but documented on this form for a future decision to be added to or deducted.** This will help the department, the Finance Director, Administrator, and the Village Board understand the implication of the proposed request change from the current budget. It will also enable easier prioritization of changes that may be limited by various restraints. *If you plan to request any change to your approved personnel table of organization, please complete a form and turn in by July 29 ahead of your budget submittal to the Village Administrator and Finance Director.* Due to recent trends of inflation and expected significant impact of the Wage and Compensation Study, it is expected our window of opportunity to be limited in 2023.
4. For the 2023 Budget submittal, we are asking that all departments limit any non-personnel budget increase to be 3.0%. Uncertainty related to state aids, other revenues, health/dental insurance renewals and impact of the Wage and Compensation Study are items we will need to watch closely to balance our budget. We roughly estimate that net new construction will be over 2%; however, constraints limit us 60% of the increase for an overall limit of 2% for this criterion. Reminder that most of the Village's increase typically is attributable to our Tax Increment Finance Districts, which does not help the general tax levy.
5. Fees – Please update the Administrator and Finance Director the last time an increase or review was held on any fees your department is responsible for. Any change to the fee schedule should include market comparisons and a planned discussion with the Board of Trustees.
6. Mission statement, accomplishments, goals, and metrics are to be updated as appropriate and submitted at the same time as your budget to Finance.
7. **Timeliness – we must adhere to timelines in the attached 2023 Budget Calendar. We need each Department to meet these timelines to appropriately create a budget that works for the entire organization. Each Department must ensure that we meet the timelines as attached.**
