Buchanan Street Concrete Paving & Utilities Project – The grading and utility design is complete. with project permitting to begin in August.

Randolph Drive Concrete/Asphalt Paving & Utilities Project – Preliminary utility layout work was completed in July.

Top Priorities for August 2022

Vandenbroek Pond Construction – This project is completed and the WDNR final report has been started to obtain the WDNR Grant in the amount of \$117,800.

Cherryvale Concrete Paving (Evergreen to North Village Limits) – Storm sewer inlet installation will kickoff this project the third week of August. Road construction will immediately follow.

Buchanan Street Concrete Paving & Utilities Project – The primary focus for this project is to begin the permit process for land disturbance and utility reconstruction.

Randolph Drive Concrete/Asphalt Paving & Utilities Project – Final Grading and storm sewer design are a top priority for this project for the month of August.

CTH OO Water Main (Bohm to Joyce) – The anticipated start date for this project is early fall.

CTH OO Sanitary Sewer Lining (Lamers to Bohm) – The anticipated start date for this project is also early fall.

Pheasant Run Storm Sewer – The Village is pursuing an alternate design for this project that would utilize a permanent stream lining product to protect the stream bank rather than using a storm sewer pipe.

Continue to see interest and investment income impacted as result of market changes due to COVID-19. The unrealized losses that exist now will not be recognized if the assets are held until maturity. The Village invests in varying maturities to match cash flow needs. An unrealized loss exists when a longer term asset the Village owns price has declined in the market place due to varying interest rates. Each month end, Generally Accepted Accounting Principles require that we record an unrealized loss (or gain) to recognize market impacts.

Property, Auto and Workers Compensation first through third quarter premiums have been paid so nine months of expense have occurred

Collection expense is up due to sewer camera purchase, MCO spending additional time for billing related to cellular meters and Admin increase due to sewer rate study

Administration is up due to rate study in process

Reminder that capital assets are shown as expense in utilities until capitalized as part of year end audit preparation along with a few other annual processes

NOTE :

Continue to see interest and investment income impacted as result of market changes due to COVID-19. The unrealized losses that exist now will not be recognized if the assets are held until maturity. The Village invests in varying maturities to match cash flow needs. An unrealized loss exists when a longer term asset the Village owns price has declined in the market place due to varying interest rates. Each month end, Generally Accepted Accounting Principles require that we record an unrealized loss (or gain) to recognize market impacts.

Financing is up due to depreciation expense as asset base continues to grow

Property, Auto and Workers Compensation first through third quarter premiums have been paid so nine months of expense have occurred.

Reminder that capital assets are shown as expense in utilities until capitalized as part of year end audit preparation along with a few other annual processes
