Addendum A

Item For Consideration

For Board Review On: March 1, 2023
Agenda Item Topic: LCFD Foam Bank Agreement

Prepared On: February 23, 2023
Prepared By: Admin. Bernhoft

Report: The City of Appleton has coordinated a valley wide MOU for Fire Departments to participate in cost sharing for a Class B firefighting foam bank for shared use in the Fox Valley area. This foam is used to assist in the protection of fires, specifically when gasoline spills are a factor. This new type of foam is much safer to utilize. This MOU is for the purchase, storage and future use of 265 gallons of Class B Firefighting Foam. The City of Appleton agrees to store and transport the foam to and from an incident. It should be noted that any maintenance required because of the use will be the responsibility of the municipality in use. This does not appear to be an issue with Chief Nechodom. Having access to this equipment in an emergency is a benefit to the Village and surrounding communities. ***Legal has reviewed the updated version and has no issues. The updated version is attached and has additional language in the last paragraph.

Fiscal Impact: Exhibit A of the agreement indicates the Little Chute portion of the cost sharing agreement is in the amount of \$282.57. It should be noted that the City of Appleton is paying a large share of the cost. Costs will be covered by the 2023 budget, therefore, no adjustment is necessary.

Recommendation/Board Action: The Village Board approves the MOU for the Foam Bank Agreement and contributes the Village's portion as noted in exhibit A.

Respectfully Submitted,

Beau Bernhoft, Village Administrator
