## Department Guidance

1. **Timeliness – we must adhere to the timelines in the attached 2026 Budget Calendar. You are expected to thoroughly read the guidance, calendar, and forms provided to you. Timelines have little deviation room so when a deadline is missed you compress the next parties time to meet the goal as the end date does not change so, please be conscientious.**
2. The Bureau of Labor Statistics Consumer Price Index (CPI) for May 2025 was released on June 11, 2025. Using this same index value as an estimate for June to August results in a 2.5% increase over the previous 12 month rolling average calculation for Expenditure Constraint program (stipulates September 2024 to August 2025 timeframe). The Wisconsin Employment Relations Commission (WERC) data conveys the CPI to be used for a one-year collective bargaining agreement beginning on the date of 12/1/2025 is at 2.66%. The Fox Valley Metro Professional Police Association contract expires at the end of 2025. We propose a 2.5% COLA for all non-represented regular staff taking into consideration WRS rates released for 2026 as presented per item 3 below. The COLA does not include any step increase an employee may be eligible for if performance warrants progression. Reminder the % change between steps decreases as one advance through the pay grade.
3. The 2026 Wisconsin Retirement System (WRS) rates were released June 26, 2025. The employer portion for General Employees will increase .25% to 7.20% in 2026 from 6.95% in 2025 while Protective with Social Security rates will decrease to 14.8% from 15.01% in 2025 or a .21% decrease. The Finance Director participated in the State Group Health Insurance Board Meeting on May 21 where the State announced the average premium increase for locals will be 11.5% (varies by county dependent on the number of Tier 1 plans). The Village employer increase averages only 3.2% with favorable renewals as two plans met Tier 1 requirements per individual plan data that was released in June. Long-term disability and life insurance plan rates have no change as were locked in for three years expiring on January 1, 2028. We are currently waiting for dental plan renewal quotes.
4. A 2026 Budget Change Request Form needs to be completed for any new addition or planned discontinuation of a personnel position, program, or service level change. **This request should not be included in your budget submittal but documented on this form for a future decision to be added to or deducted.** This will help the department, the Finance Director, Administrator, and the Village Board understand the implication of the proposed request change from the current budget. It will also enable easier prioritization of changes that may be limited by various restraints. **If you plan to request any change to your approved personnel table of organization, please complete a form and turn it in by August 1 ahead of your budget submittal to the Village Administrator and Finance Director.**
5. For the 2026 Budget submittal, we are asking that all departments limit any non-personnel budget increase to 2.5%. There are no significant changes expected to state aid, the Expenditure Restraint or Tax Levy restraint programs. We roughly estimate that net new construction will be over 3.4%; however, constraints limit us 60% of the increase for an overall limit of 2% for this criterion. Reminder that most of the Village's increase typically is attributable to our Tax Increment Finance Districts, which does not help the general tax levy.
6. ***Fees – Please complete a cost analysis review of all user fees your department is responsible for as part of your submission (the item has not been completed for some category of revenues for several years so must be addressed in 2026 to get up to date). There is no prescribed format for this submission. Levy restraints continue to be tight; thus we need to analyze other revenue sources to make sure we are recovering costs for services to avoid the levy funding for these items. Include a market comparison as support.***
7. Fully updated Mission statement, excel budget template, fee analysis and completed checklist are to be submitted at the same time to Finance and copy the Administrator.

## INTRODUCTION

We are pleased to present the Village of Little Chute's popular annual financial report (PAFR) for the fiscal year ended December 31, 2024. The PAFR summarizes the Village's financial information in a user-friendly and simplified format. Our goal in producing this report is to present the Village's finances in a manner that appeals to a wider audience, enhancing the interest and understanding of the Village's overall financial condition.

Each year Little Chute prepares detailed financial information in our Annual Comprehensive Financial Report (ACFR). The ACFR presents audited financial information in a technical and detailed format. The format of the PAFR is intended to present the information at a summarized, easy to understand level, removing technical details. The PAFR is unaudited and does not comply with generally accepted accounting principles, although the financial information stems directly from the ACFR. For more in-depth information, you can view the Village's Annual Comprehensive Financial Report at [www.littlechutewi.org/DocumentCenter/View/7430/Final--Village-of-Little-Chute---ACFR---123124](http://www.littlechutewi.org/DocumentCenter/View/7430/Final--Village-of-Little-Chute---ACFR---123124). Or simply scan the QR Code below with a smart phone.

Nestled in the heart of the Fox River Valley on the eastern border of the City of Appleton and on the Fox River, the Village of Little Chute is Outagamie County's largest village with a population of 12,164 residents. Little Chute is a community proud of its Dutch heritage and its participation with our neighboring communities in the cultural, residential, business, and recreational life of the Fox Cities and Fox River Valley. The Village is a full-service municipality offering quality municipal services while maintaining a combined local municipal tax and utility rates that are among the lowest compared with the other incorporated communities in the Fox Cities Area.

We hope the PAFR gives readers a glimpse of the Village's success and financial condition. Please contact me directly with any questions.

Sincerely,

*Lisa A Remiker-DeWall*

# REVENUES

## WHERE DOES OUR MONEY COME FROM?

The largest source of revenue for Village of Little Chute comes from taxes, which make up about 54.3% of the governmental activities revenues for the Village. Property taxes make up the largest portion of the tax revenue.

GOVERNMENTAL ACTIVITIES	2024 AMOUNT	2023 AMOUNT	2022 AMOUNT
Taxes	\$11,174,103	\$9,815,008	\$9,026,486
Intergovernmental Revenues	\$2,136,882	\$2,767,609	\$2,011,501
Charges for Services	\$2,970,094	\$2,880,989	\$2,813,753
Grants, Contributions, & Transfers	\$3,078,581	\$2,658,936	\$1,990,702
Investment Income	\$1,055,368	\$819,193	\$186,211
Miscellaneous	\$173,153	\$232,590	\$129,767
<b>TOTAL</b>	<b>\$20,588,181</b>	<b>\$19,174,325</b>	<b>\$16,158,423</b>

The Village equalized property value increased \$129,125,000 or 8.8% in 2024 as compared to an increase of 20.1% in 2023 contributing to the increased property tax revenue. Intergovernmental revenue decreased as the Village drew the final American Rescue Plan Act grant dollars to purchase a dump truck and for the completion of the fiber expansion project. Capital grants increased as numerous property owners paid off their special assessment bill in full.

**NOTE:** Tax Increment collected (\$2,575,755) and returned to developers per terms of agreements shown as tax revenue for this presentation.

# REVENUES

## CONTINUED

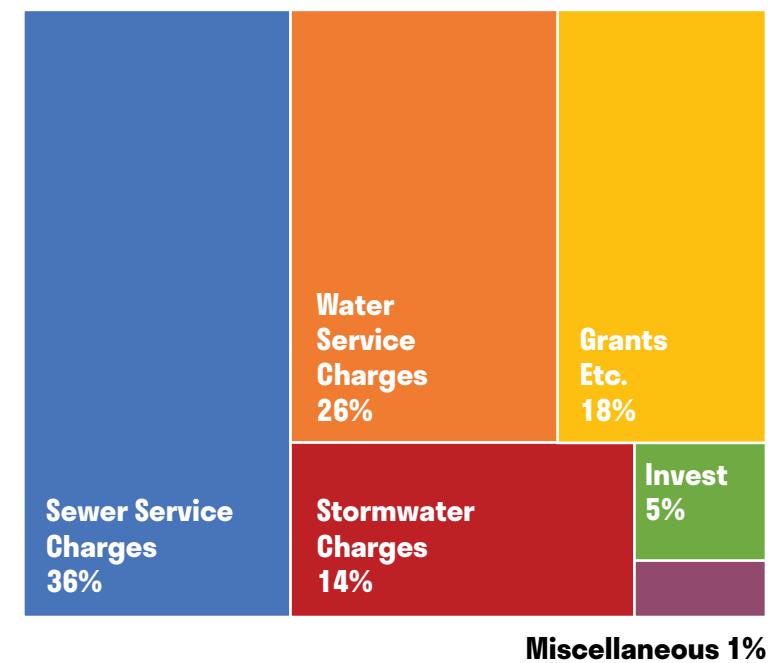

Our sewer, water, and stormwater utility charges make up about 76.4% of the Business-Type revenues for the Village. All three utilities have a net operating income from operations and increased their net position funding improvements to the system.

BUSINESS-TYPE (UTILITY) ACTIVITIES	2024 AMOUNT	2023 AMOUNT	2022 AMOUNT
Water Service Charges	\$2,681,951	\$2,618,788	\$2,410,326
Sewer Service Charges	\$3,668,236	\$3,635,290	\$3,137,447
Stormwater Charges	\$1,378,837	\$1,387,737	\$1,311,703
Grants, Contributions & Transfers	\$1,814,689	\$2,088,630	\$634,018
Investment Income	\$560,578	\$388,816	\$151,504
Miscellaneous	\$13,289	\$138,649	\$2,518
<b>TOTAL</b>	<b>\$10,117,580</b>	<b>\$10,257,910</b>	<b>\$7,647,516</b>

The level of contributed capital fluctuates from year to year based on projects in our Tax Incremental Districts with 2024 being higher than normal due to the Evergreen Drive paving and utility project.

### Tax Incremental District (TID):

A financing option municipalities have to fund infrastructure and other improvements, through property tax revenue of newly developed property in an identified area. As property values rise, the municipality uses the taxes paid on the development to pay for the project costs.

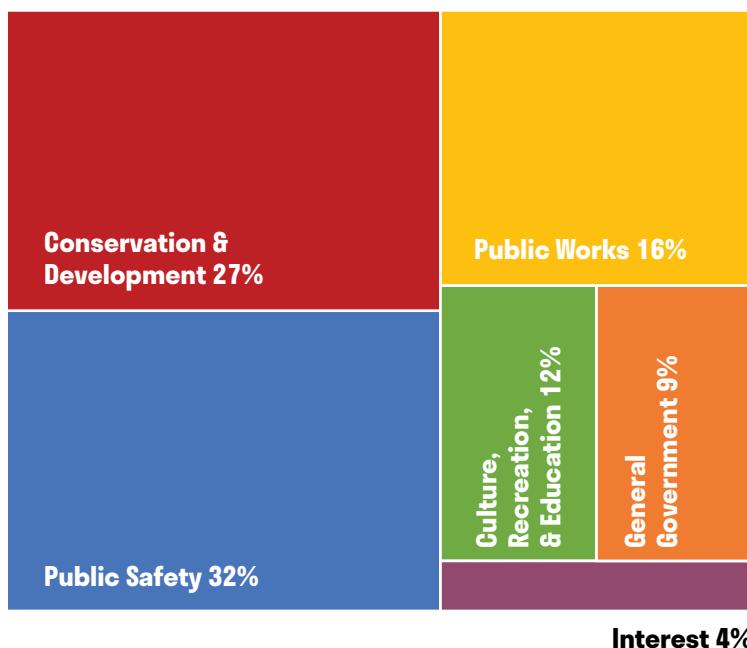

# EXPENSES

## WHERE DOES OUR MONEY GO?

Public Safety increased with the addition of two police vehicles while Fire replaced safety equipment. Public Works enhanced the yard site security along with Founder's Way and Free Pass paving for a small residential subdivision development. The Tax Incremental District project for Evergreen Drive paving and utility was less in scope than last year's Randolph Drive project. Various development incentive payments were made that support the large property value increase the Village experienced in 2024.

GOVERNMENTAL ACTIVITIES EXPENSES	2024 AMOUNT	2023 AMOUNT	2022 AMOUNT
General Government	\$1,611,905	\$1,594,880	\$1,188,549
Public Safety	\$5,491,105	\$5,078,687	\$4,277,060

## 2024 AMOUNT

## RATES

Rate setting authority for the Sewer and Stormwater Utility is governed by the Village Board while the Water Utility is subject to oversight by the Public Service Commission.

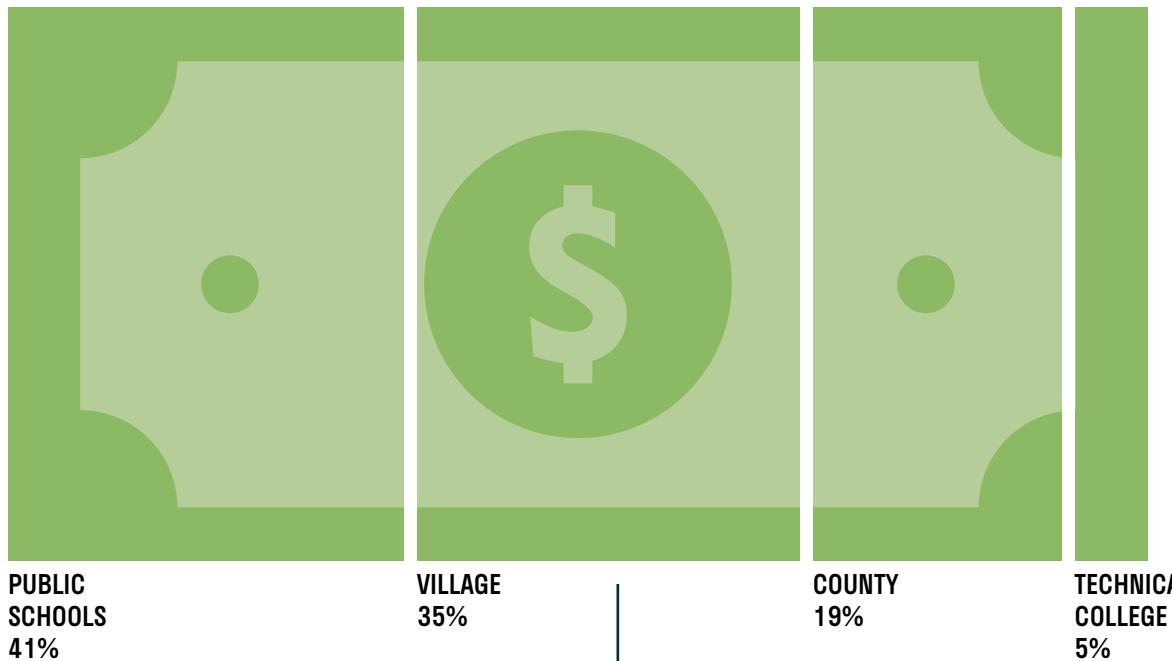

Utility Type	Increase Information
Sewer	Approved increase in rates for first meter read period of 2025
Water	Last increase of 3% occurred on 9/29/2015
Stormwater	No increase to rates since 1/1/2017

Revenue rates for all three utilities remained consistent and expenses remained stable compared to 2023. The Village is concentrating efforts to reduce the impact of inflow and infiltration issues (treating excess clear water from groundwater and stormwater sources through various defects or connections) in the sewer utility. The

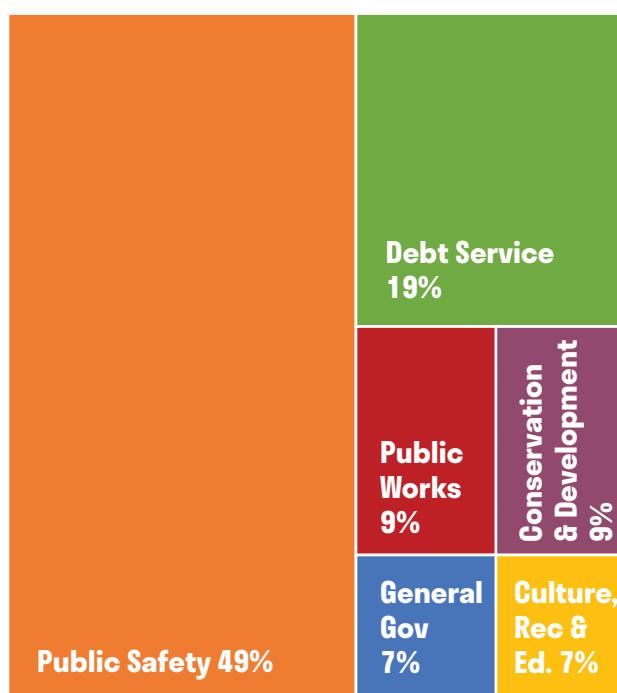

Water Utility continues investing in upgrading meter technology to cellular meter reading functionality along with plant equipment replacement. The Village drains into two separate watersheds: Apple Creek and Fox River. Significant planning and design continue for both drainage basins ensuring compliance with regulatory agencies providing a flood protection system for our residents.

## YOUR TAX BILL WHERE DOES IT GO?

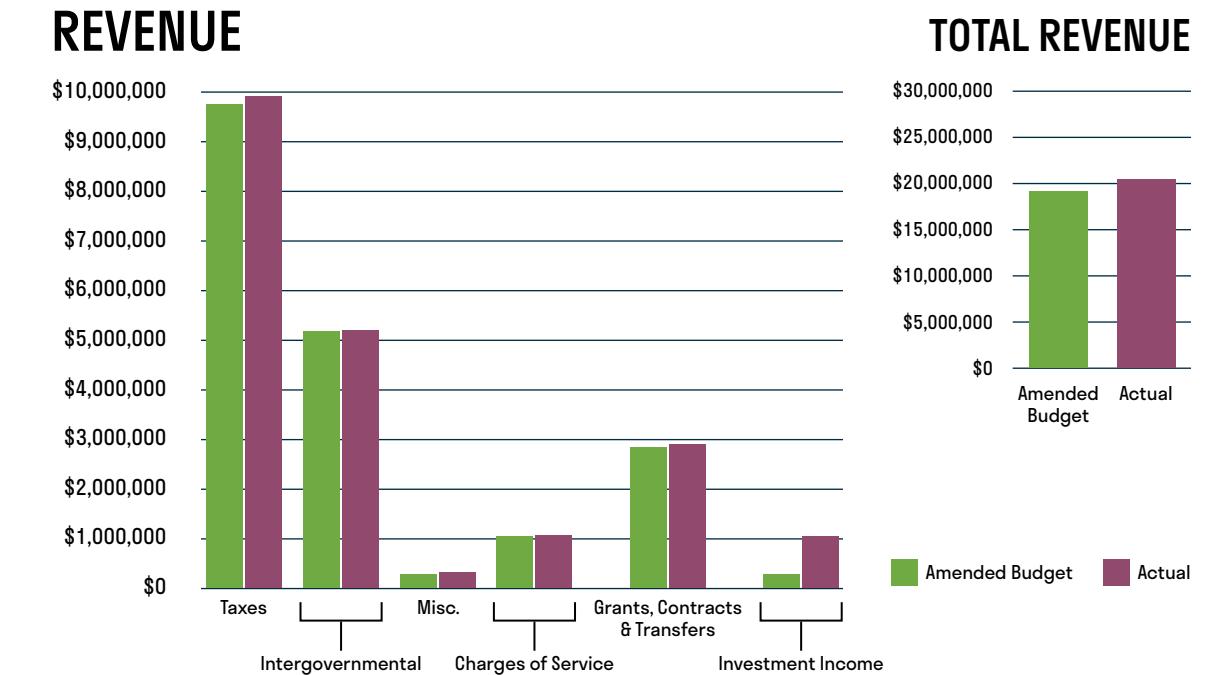

### VILLAGE BREAKDOWN

How does the Village spend its 35 cents of your tax dollar?

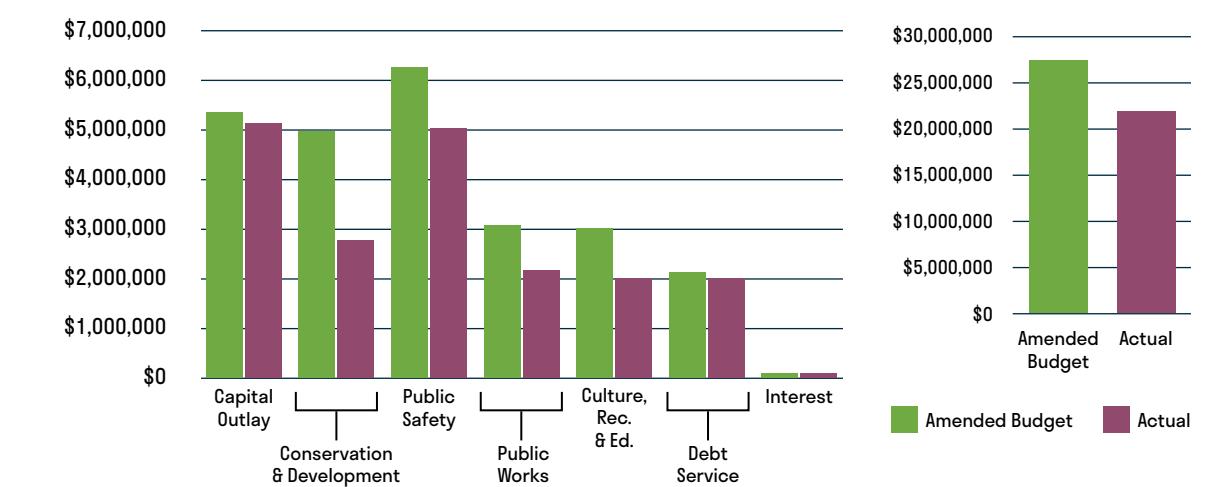

**NOTE:** This is a breakdown of tax dollars only and does not include all revenues as detailed on Page 4.

## BUDGET PERFORMANCE HOW DID WE DO THIS YEAR?

Revenues were greater than budget as tax incremental district revenue increased from development incentives that spurred a large share of the tax base increase. Property owners continued to pay off special assessments in full in advance of the payment plan established. The market recovery since COVID continues to boost investment income.

### EXPENDITURES

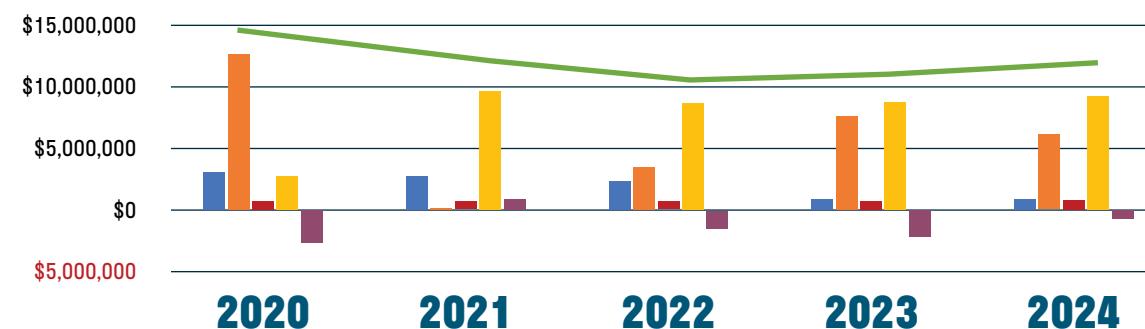

Actual expenses came in less than the amended budget by \$6,102,019. However, \$4,364,781 of this variance represents projects that were budgeted but not completed so will carryover into 2025. The Village Board has acted to set aside \$600,000 of the positive variance to reduce long-term debt.

# GOVERNMENTAL FUND BALANCE

## WHAT FUNDS ARE AVAILABLE?

This graph shows the fund balance level for the Village of Little Chute. Fund balance levels can be used as a barometer for the financial health of the Village.

Overall, the Village is improving in financial health and stability.

## FUND BALANCE CATEGORIES

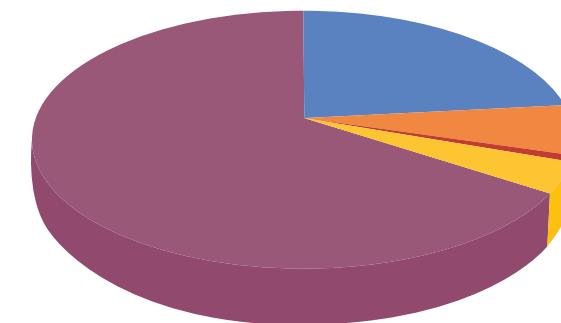

<b>Nonspendable</b>	Funds include amounts that cannot be spent because they are not in spendable form (advances due from other funds, prepaid items, or debt proceeds issued to finance capital projects), or are legally required to remain intact
<b>Restricted</b>	Funds that are restricted to a specific purpose by external parties, laws, regulations, constitutional provisions, or legislation (for projects approved by the Joint Review Board in our TIDs)
<b>Committed</b>	Funds that are committed for a specific purpose by formal action of the highest level of decision-making authority, usually the Village Board (25% of the subsequent year's general fund expenditures)
<b>Assigned</b>	Funds that are intended to be used for specific purposes (Special Revenue Funds or for carryover to complete projects started but not complete)
<b>Unassigned</b>	Funds available for any purpose (the unassigned fund balance for governmental funds increased \$955,368 as project costs for the Village's Tax Incremental Districts are recovered over time as development occurs)

**NOTE:** The above analysis uses the Governmental fund financial statements using the current financial resources measurement and the modified accrued basis of accounting.

# Aa3

Our Moody's bond rating is the fourth highest rating available and is critical to be able to fund major projects. The high rating saves the taxpayers money by securing better interest rates.

**Factors that could lead to an upgrade:**

Substantial expansion of tax base, or moderation of the Village's debt burden.

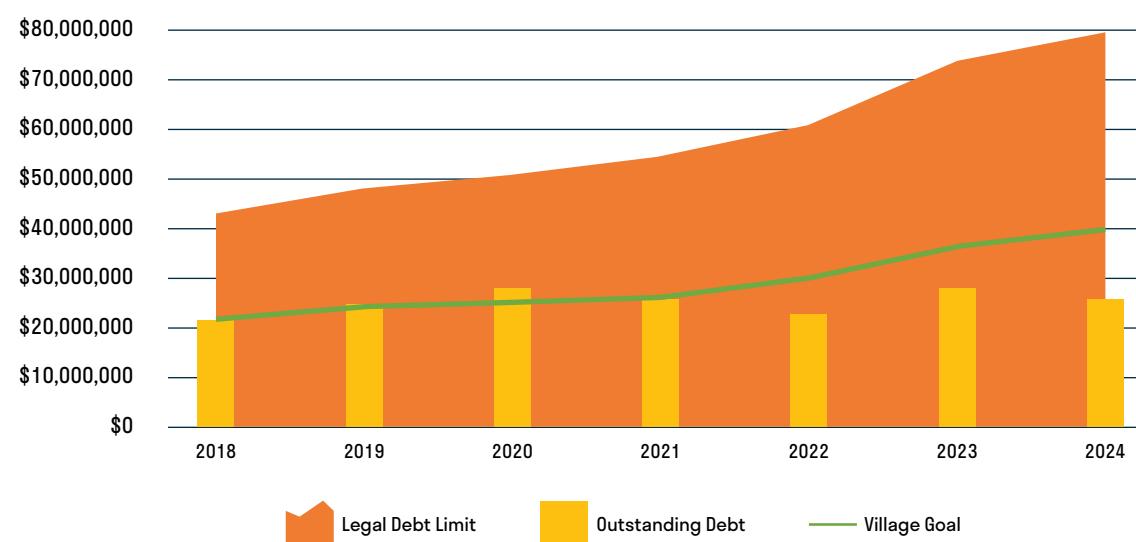

**Factors that could lead to a downgrade:**

Declines in tax base, narrowing of cash reserves and/or increased debt burden.

## VILLAGE DEBT MARGIN

The state of Wisconsin limits the Village's general obligation debt. In addition, the Village has its own policy striving to be below 50% of the statutory limit. The Village's outstanding debt is less than the state limits but has hovered around our internal goal. In December 2023, the Village borrowed for both our 2023 and 2024 capital projects approved in the respective budgets. No debt was issued in 2021, 2022, or 2024.

### Report:

#### Health Insurance Renewal

The Village of Little Chute provides health insurance for three distinct employee groups: Village employees, Wisconsin Professional Police Association members, and certain grandfathered annuitants. Health insurance changes are on a calendar year. Per state requirements, the Village is obligated to offer all WRS eligible employees the option to enroll in health insurance.

The current health plan for the Village is identified by the State as the P14, a deductible health maintenance organization plan (\$500 deductible single and \$1,000 family). Annually each health plan is assigned to one of three tiers based on the quality of care and relative efficiency with which it provides benefits by the General Insurance Brokers and Actuaries. For 2026 in Outagamie County, there are two qualified Tier 1 healthcare providers (Network Health and Prevea 360 East) and three Tier 3 providers (none of our employees currently elect these plans). A Tier 1 qualified plan must have at least five primary care physicians, a hospital and a chiropractor associated with the plan in the given county.

The *maximum* employer contribution is controlled by State statute as the average cost of all Tier 1 Plans multiplied by 88% (Village current contribution equates to 86%). Per the current 2023-2025 WPPA contract Article VIII Section 8.01 A., the employer shall pay 85% toward the cost of group hospitalization/health insurance premiums for both the single and family plan coverage for eligible employees. Active eligible employees can choose any plan offered by the State paying the differential from the established local employer maximum that falls within State constraints.

Medicare Advantage offers a nationwide network, and Medicare Plus offers a worldwide network for annuitants. All annuitants are currently Medicare eligible. The same providers are available to the retirees as the active employees who are not enrolled in Medicare. However, qualified annuitants who select a plan other than the lowest paid qualified option, are responsible for paying the monthly premium difference to the Village. Annuitants would be billed directly for their share of the premium for a higher cost plan.

## Item For Consideration

Based on the review of the information provided by the State, it is recommended that the Village continue to offer the P14 Deductible Plan with the maximum monthly employer contribution for a single plan to be \$896.94 and for a family plan to be \$2,205.04 for Village employees. For the WPPA, the Village would continue to offer a P14 Deductible plan with the maximum employer contribution for a single plan to be \$886.51 and a family plan to be \$2,179.40. Finally, the Village would offer grandfathered annuitants the employer contribution equal to the monthly premium for United Health Care Medicare Advantage Plan (estimated \$445.51 single and \$853.29 family as rates to be finalized yet). The It's Your Choice Health Insurance Open Enrollment period is set for October 6 – October 31, 2025.

It is also recommended that we continue to offer eligible employees the ability if they can prove coverage through a spouse or other outside source to receive payment in lieu of health coverage paid by the Village of Little Chute. Currently, the Village has six single and eight family coverage employees participating in this program.

The Village is under a three-year no rate increase contract (year 2 of 3) with Madison National Life Insurance Company. The contract expires January 1, 2028.

## Item For Consideration

### Dental Insurance

Our current contract expires December 31, 2025 with Delta Dental after they agreed to honor our request in 2023 for a two-year contract lock in versus one year originally proposed. Delta Dental has provided us a renewal quote for a 5% increase:

	June Census	Current Rates	Renwal Rates	Annual Impact
Employee Only	20	36.83	38.67	<b>442</b>
Employee with Family	31	141.87	148.96	<b>2,637</b>
Employee with Spouse	14	73.68	77.36	<b>618</b>
Employee with Children	2	101.88	106.97	<b>122</b>
				<b><u>\$ 3,819</u></b>

We have requested a two-year renewal locking in the above rates and hope to have an answer prior to the meeting.

**Fiscal Impact:** Based on the current enrollment, the 2026 Budget impact for the above proposal plans is an increase of \$37,239 (\$30,214 related to annuitant increase) compared to \$106,413 (\$15,798 annuitant portion) in the prior year.

**Recommendation/Board Action:** Please approve the selection of the P14 Health Plan implementing the attached monthly premiums for Village employees, WPPA and eligible annuitants and the Delta Dental renewal that results in no change to plan structures.

Respectfully Submitted,

Lisa Remiker-DeWall, Finance Director  
Penney Mack, Deputy Finance Director, and Human Resources Manager
