

VILLAGE OF LITTLE CHUTE

RESOLUTION NO. 19, SERIES OF 2020

**A RESOLUTION RESTATING THE VILLAGE OF LITTLE CHUTE STREET
AND SIDEWALK SPECIAL ASSESSMENT POLICY.**

WHEREAS, the Village of Little Chute enacted a street and sidewalk special assessment policy in 1989 to equitably fund the construction and reconstruction of streets; and

WHEREAS, the street and sidewalk policy has been amended from time to time since enactment; and

WHEREAS, in January of 2015 the Village Board of Trustees adopted an amended policy that favored a road diet approach which reduces the road width of many residential streets to provide for adequate transportation flow, reduced speed, reduced costs, reduced impervious surface for stormwater, and reduced future maintenance considerations;

WHEREAS, since January of 2015, the newly enacted policy has effectively held assessment rates flat due to the efficiencies gained in reconstruction efforts;

WHEREAS, the intent of this resolution and subsequent restatement is meant to reaffirm and provide clear policy intent related to the Street and Sidewalk assessment;

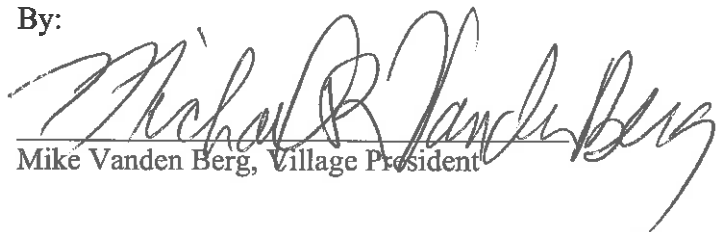

NOW THEREFORE BE IT RESOLVED by the Village Board of Trustees that the attached and restated Street and Special Assessment Policy is reaffirmed as stated.

This resolution shall take effect immediately and shall continue in effect until a quorum of the Governing Body convenes and takes action to resume normal operations.

Introduced, approved and adopted: June 3rd, 2020.
