## READING AND USING THIS DOCUMENT

We hope this report provides you with some useful information about the Fox Valley Metro Police Department. While we feel this report represents a fair and accurate depiction of our activities and services for the year 2019, it cannot be all inclusive.

In line with taking advantage of current technology, we are including in this report, links to external information sources that may provide you with more information about certain topics or areas of the department.

Throughout this document you may notice objects like the one below. These are called “QR Codes”. A **Quick Response Code** is the trademark for a type of matrix barcode (or two-dimensional barcode) first designed in 1994 for the automotive industry in Japan. A barcode is a machine-readable optical label that contains information about the item to which it is attached.

Source: [https://en.wikipedia.org/wiki/QR\\_code](https://en.wikipedia.org/wiki/QR_code)

By scanning these codes with your smart phone’s/tablet’s camera, it will take you to the web page that is related to the content of a particular page in this document. Most camera apps will do this automatically. You may have to download a separate app though – depending on your device’s operating system. You can scan the code right from a video screen or from a printed copy as well.

**Little Chute Village Administrator:** James Fenlon

## FOX VALLEY METRO POLICE COMMISSION

***Commission President:*** *Scott Schommer (Little Chute)*

***Commissioners:*** *Bill Van Berkel (Little Chute)*

*Mark Verhagen (Little Chute)*

*Jason Weber (Kimberly)*

*Jason Nate (Kimberly)*

*Sue Brown (Kimberly)*

A police commission is the civilian oversight authority of a police department. Wisconsin statute 62.13 provides for the creation of a police commission and defines their duties and powers. The commission has the authority over hiring, firing, discipline and promotions of sworn personnel within the police department. Some municipalities have a joint, police *and* fire commission. We have a separate police commission because Metro represents two villages. Each village has its own fire commission. Each village is represented with an equal number of commissioners (three).

Wis. § 62.13: <https://docs.legis.wisconsin.gov/statutes/statutes/62/1/13>

\* Assigned Investigations Jan. – Sept.

Worked patrol Sept. Dec.

## ORGANIZATIONAL CHART

Reflects restructuring in August of 2018

## WELCOME!

We strive to enhance the quality of life in the community by proactively patrolling in an effort to detect problems that can have a negative impact on the community. By way of problem solving and community partnerships, we collaborate to identify solutions to issues that can have a negative impact on public safety.

Around 1829, Sir Robert Peel (considered the founder of modern-day, community-oriented policing) identified nine principles that he felt were critical to effective law enforcement in a community. His seventh principle states:

*"Police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent on every citizen in the interests of community welfare and existence."*

To us this means that we are partners in public safety. We, as officers of the law must work collaboratively with the public in order to be effective and respected. 189 years later, this principle is still relevant and critical to successful community policing.

So, as we continue to improve our partnership with the community, please take the time to stop at one of our community programs/events and speak with us. We appreciate getting to know members of the community and letting you know a little bit more about who we are and what we do. If you can't make it to an event, feel free to call us or stop in at the police department.

### Partnerships in Policing

← FVMPD Website

<http://www.fvmpd.org/81/Police-Department>

## DEPARTMENT OVERVIEW

The FVMPD is a full-time municipal law enforcement agency that is open and staffed 24/7/365. The primary mission of the department is to maintain law and order in the communities and respond to calls for service.

We utilize a philosophy of ***Partnerships in Policing*** in which we work collaboratively with the public and other departments to accomplish our mission.

Our guiding principles are **Compassion, Integrity and Professionalism** when working with the public and each other.

The Fox Valley Metro Police Department (Metro) currently serves the villages of Little Chute and Kimberly, Wisconsin. The combined population of both communities is just over 18,000 people. The primary mission of the department is to respond to calls for police services. In 2019, the department responded to over 13,000 calls for service. That's an average of 35 calls for service per day. A call for service can range in length and complexity from a traffic enforcement stop, accident investigation, barking dog, domestic violence up to a homicide investigation.

Some more information about the FVMPD...

The department is authorized 26 full-time, sworn officer positions by budget. Per capita (sworn officers) at Metro is at 1.4. The State average (Wisconsin) is 2.3 per capita and national average is 1.6 sworn officers per capita.

Metro employs adult school crossing guards for both villages. Little Chute has eight (8) and Kimberly has four (4). We also have three (3) substitute crossing guards.

The department operates and maintains a fleet of 14 vehicles.

Patrol has 11 vehicles - SUV (8) & Sedan (3)

Administration and investigations use (3) Ford Fusion hybrids

The patrol vehicles average about 30,000 to 33,000 miles per year.

## *Partnerships in Policing*

The department relies on and regularly uses over 15 different software/hardware systems for a variety of investigative, operational and administrative functions. While technology is not the end-all for modern police work, it does make our work more efficient and safer.

We also have a strong social media presence via our FB page. This allows us to communicate with the public quicker and to a broader audience.

200 W. McKinley Ave.  
Little Chute, WI. 54140

## 2019 – NEW PEOPLE, NEW OPPORTUNITIES

In 2019 we saw four of our veteran officers leave the department. That equates to one fourth of the patrol division. Some of these officers left Metro to take a police officer position with another department. One left to start a teaching career with a law enforcement academy at an area technical college.

Half of these vacancies came during the summer – our busier time of the year. It takes approximately five months to hire and train a new police officer in our department. Because of those time constraints, we made it a priority to hire new officers so that we could still effectively respond to calls for service in the community.

2019 also saw the department planning for new opportunities in 2020. We were able to propose and get authorization to start a Community Service Officer (CSO) Program and a K-9 Program in the 2020 budget. The CSO's are part-time, non-sworn staff who will respond to lower priority calls to free up the sworn officers to handle the more pressing matters. The police K-9 will be a multi-purpose dog trained in drug detection, tracking of persons and patrol apprehension. Both of these programs will be new to Metro. We are excited to implement these programs so that we can better serve our communities.

New officers Blader, Lozano & Lyons – hired December 2019

## OFFICE OF THE CHIEF

Daniel M. Meister  
Chief of Police

2019 was my second year as the Fox Valley Metro Police Chief. I entered 2019 with a better sense of the department and the communities we serve. One thing I had learned about our communities, and the Fox Valley Area in general, is that the people we serve are very supportive of us. There is a great sense of unity and pride in our communities. People care about one another and the places they live, work and play. This sense of community is reflected in the work we do.

In looking at the types of calls for service and incidents we respond to, I can see that we are very fortunate. While we do experience many of the same types of issues that other communities do, the frequency and intensity of these issues is much lower in our villages. I have also learned that when we are challenged with an issue, the community rallies behind us.

In 2018 and 2019, our villages were rated in the top, safe cities in Wisconsin. Below are some links to these articles. The map also shows how safe our area was ranked in 2019.

<https://www.tmj4.com/govolsxtra/homepage-gallery/top-10-wisconsin-cities-according-to-backgroundcheck-org#id22>

<https://backgroundchecks.org/safest-cities-in-wisconsin.html>

Just because we are relatively safe communities, doesn't mean we should stop trying to improve on what we do. Be strengthening our partnerships and seeking better ways to deter crime, we can improve on the quality of life in our communities. In 2020 we will be working on several projects to accomplish this. The addition of Community Service Officers (CSO's) and a K-9 Program will strengthen our ability to

### *Partnerships in Policing*

address those issues that can have a negative impact on safety and quality of life. The CSO's will work on code violations that tend to devalue properties and invite other problems into our neighborhoods. They will also address lower priority calls in an effort to free-up patrol officers who can respond to the bigger problems. A K-9 program will help us with keeping dangerous substances out of our communities as well.

In looking back, Metro has had the ability to successfully adapt to changes in our communities and work towards implementing effective solutions to reduce problems that can have an impact on safety and quality of life. In looking forward, Metro is also planning and taking steps to improve on our services. Adaptability and resiliency are some of our strengths but equally important is who we are. We are a dedicated team of compassionate professionals who work with our partners to keep our communities safe.

## ADMINISTRATION BUREAU

Kelly Vanden Heuvel  
Administrative Manager

Administrative Bureau oversees the Clerical Division and Community Support Division.

The Clerical Division is staffed by two police clerks – one of whom is full-time and the other whom is part-time.

The Clerical Division is responsible for the following:

- Greeting customers
- Answering phone calls
- Records management
- Records requests
- Court Services
- Uniform Crime Reporting
- Supply management
- Property Control

The Outagamie County Sheriff's Office is the primary dispatching center for our department. However, our police clerks answer roughly 7,000 phone calls per year. They range from routine, informational requests to non-emergency calls for service to emergency situations. The majority of calls for service that require an officer to respond would most likely be transferred to the Outagamie County Sheriff's dispatch center.

### *Partnerships in Policing*

Our department also receives about 400 to 500 records requests each year. These range from simple requests for copies of official reports to request for copies of digital media such as audio recordings and video footage.

The Community Support Division (CSD) is jointly managed by the Captain and Administrative Manager. The CSD manages community events, code compliance issues and starting in January of 2019, the adult school crossing guards for the Little Chute and Kimberly School Districts.

Police Clerk Vanden Heuvel, Police Clerk Diedrick, Admin. Manager Vanden Heuvel.

Jeremy Slotke

Captain of Police

## OPERATIONS BUREAU

The Operations Bureau consists of three divisions:

- Patrol Division
- Patrol Support Division
- Training & Development Division

### Patrol Division

The Patrol Division is the backbone of the police department. Patrol officers respond to calls for service and proactively patrol the community to detect and deter problems. The Patrol Division is led by three Police Lieutenants who each command a shift of patrol officers. In addition to their basic patrol duties, each lieutenant and patrol officer are also tasked with other, ancillary duties. Some of those duties are:

- Training instructors
- Social media group
- Vehicle maintenance
- Community outreach
- Animal control
- Honor Guard Team
- Code compliance
- Nuisance abatement
- Child car seat installation
- Bicycle patrol
- New officer field training
- Awards review committee

## **PATROL — DAY SHIFT**

The 2019 Fox Valley Metro Police Department Day Shift consisted of five officers:

- Officer Daniel Thorson
- Officer Jeffrey Nett
- Officer Brady Boucher
- Officer James Brandt (Resigned 11/01/2019)
- Officer Michael Grumann (1/1/19 thru 8/1/19)
- Lieutenant Mark Ulman

As a team, the day shift focuses on quality of life concerns and working with citizens to make the community safer. Each member of the day shift is the lead officer in their Community Oriented Policing (COP) District.

Day shift officers often routinely work in conjunction with the Department's Investigations Unit. They assist with the abatement process, the service of search warrants, and complex investigations.

Additionally, the day shift officers direct their efforts toward numerous community oriented and crime prevention efforts:

- ✧ Performing physical security checks on businesses in the industrial parks and downtown
- ✧ Being present at local banks and credit unions when employees are arriving to open
- ✧ Performing physical security checks on the homes of residents who were on vacation
- ✧ Performing additional patrols in specific locations based on extra patrol requests from citizens
- ✧ Performing foot patrols in parks, the YMCA, and locations where children are known to congregate
- ✧ Being visible and performing traffic enforcement in school zones

Members of the day shift also serve roles as Outagamie County Multijurisdictional Emergency Response Team (ERT) members, Field Training Officers, and Honor Guard members, Certified Child Safety Seat Installers, Vehicle Maintenance Coordinator, Bicycle Patrol Officers, Radar Instructor, and Electronic Citation and Crash Report System Administrator.

#### **PATROL — AFTERNOON SHIFT**

The 2019 Fox Valley Metro Police Department Afternoon Shift consisted of six Patrol Officers and one Patrol Lieutenant. The shift was fully staffed through the first half of 2019, until Officer Steeber left the department in August 2019 and Officer Wanserski left the department in September 2019. Investigator Uebelher was reassigned to the Afternoon Shift in September of 2019 to assist with staffing shortages.

- Officer Laura Oster
- Officer Randall Lefeber
- Officer Jeff Steeber (Resigned in June)
- Officer Aaron Wanserski (Resigned in Aug)
- Officer Samuel Gueli
- Officer Gary Schmackle
- Investigator Nick Uebelher
- Lieutenant Mark Wery

The afternoon shift is one of the busier shifts at the Fox Valley Metro Police Department, responding to nearly 4,000 calls for services through 2019. We strive to provide a high quality of life for residents in both of our communities, providing after school traffic enforcement and a presence in village parks and community areas.

## **PATROL — NIGHT SHIFT**

The 2019 Fox Valley Metro Police Department Night Shift consisted of five patrol officers.

- Officer Michael Grumann
- Officer Philip Serres
- Officer Michael Gostisha
- Officer Sam Pynenberg
- Officer Jamie Coonen
- Lieutenant Edmund Slinde

The Night Shift Officers focused on the following areas:

- ✧ Licensed establishment checks
- ✧ Investigating drug related offenses/residences
- ✧ Visibility in the bars as a crime prevention method
- ✧ Address ordinance/alcohol related violations and probation/parole violations
- ✧ Investigate suspicious people or situations
- ✧ Traffic enforcement
- ✧ Moving/Equipment violations
- ✧ OWI enforcement
- ✧ Parks patrol
- ✧ Ordinance violations (In park after hours, parking, etc.)
- ✧ Community policing and problem oriented policing efforts, including foot patrols at area hotels and businesses which establishes rapport and relationships.
- ✧ Building security checks- identifying security concerns at both residential and commercial properties (open doors, poor lighting, etc.)

### *Partnerships in Policing*

Members of the night shift work closely with the department's investigations unit. Members of the night shift serve additional specialized roles such as Emergency Response Team Members, Field Training Officers, Unified Tactics Instructors, Honor Guard members, Bicycle Patrol members and Drug Recognition Expert.

Staffing an Emergency Operations Center (EOC) out of the Metro garage during the July 20<sup>th</sup> storm.

## **PATROL SUPPORT DIVISION**

The Patrol Support Division (PSD) exists to support the function of the Patrol Division. The PSD is comprised of two sections – The Investigations Section and the School Resources Section. The PSD is directly supervised by the Captain.

## **INVESTIGATIONS SECTION**

The Investigations Section assists patrol by investigating some of the more complex crimes and incidents. An investigator may respond to an incident to assist patrol with some of the following duties:

- Crime scene management
- Crime scene processing
- Evidence collection
- Scene documentation and photography
- Victim, witness and suspect interviews
- Forensic analysis
- Search warrant preparation and execution
- Subpoena requests

The Investigations Section also can examine and download digital information from various electronic devices. The Investigations Section also participates in the Wisconsin Department of Justice ICAC (Internet Crimes Against Children) Program to reduce online child/sexual predators.

There were numerous large cases that the Investigations Unit assisted in or investigated in 2018. These included a homicide, residential and business burglaries, sexual assaults, physical assaults, major thefts, and several death investigations including suicide and other death scenes where the deaths were not by natural causes.

The Fox Valley area has seen a dramatic increase in drug overdoses, particularly by heroin and methamphetamine users. The Investigations Unit investigated several heroin overdose deaths in 2018. The Investigations Unit also served several drug warrants on homes and apartments and assisted the Lake Winnebago Area Drug Enforcement Unit in several other warrants.

Officer Stahmann has also led the Investigations Unit in multiple Internet Crimes Against Children cases. The Fox Valley Metro Police Department holds the safety of our citizens paramount, especially children. By conducting these types of investigations, we hope to make the world a safer place for our kids.

The Investigation Unit continues to expand their knowledge in the use of Cellebrite, which is a program for forensically analyzing digital evidence, such as cellphones and computers. In today's world, we are conducting cellphone analysis on many different types of cases, and this information is very useful for prosecution.

### SCHOOL RESOURCES SECTION

The School Resources Section (SRS) is comprised of the Police School Liaison Officers (PSL's). The PSL's work within the schools to establish positive relationships with school staff and students. The PSL's investigate crimes that may have occurred within the schools or involve students or staff members. They also work with patrol on any status offenses that involve juveniles.

Metro currently has three officers assigned as PSL's. One is assigned to work with the Little Chute School District and two are assigned to work with the Kimberly School District. The number of PSL's and their assignments are determined by a formal agreement that Metro has with each school district. In addition to the work performed in the public schools, these officers also work with the parochial schools on an as-needed basis.

A PSL is normally assigned to a school for a three to five-year period and then rotates back out into the patrol division.

The PSL's are more than just a police officer in a school. They participate in many curricular activities and form lasting bonds with students that often carry into their adult lives.

Some of the job responsibilities of the Fox Valley Metro Police Department PSL officers include:

- Promote prevention through education and communication
- Classroom presentations (bicycle safety, Halloween Safety, Bullying/Harassment etc.)
- Constitutional Law Education
- Drugs and alcohol enforcement
- Educating students on law enforcement's role in the community

The primary goal of the Fox Valley Metro Police Department PSL program is to foster positive relationships with the students and their families. By forming these relationships, the PSL

### *Partnerships in Policing*

officer builds trust and credibility, which allows them to work closely with students and their families to help solve issues and concerns. This helps students to see the PSL officer as more approachable and someone who strives for their well-being. Students are more comfortable coming to the PSL officer and reporting illegal activity and things that make them feel unsafe. This makes the school environment safer for all.

PSL's Stahmann, Tesch & Dissen

## TRAINING AND DEVELOPMENT DIVISION

The Training and Development Division (TDD) is responsible for providing formal training and professional development curriculum to all Metro staff members. The TDD is comprised of a variety of staff members who have various instructor and teaching qualifications.

By state law, all sworn law enforcement officers must undergo a minimum number of training hours per year to maintain their Wisconsin law enforcement certification. Metro goes above and beyond this minimum requirement to ensure that our staff is well prepared to meet current challenges in our profession. Some of the training we undergo is mandatory and others is selected based on current social trends, department needs and individual needs. Some of the basic training topics include:

- Firearms proficiency and yearly qualification
- Emergency vehicle operations
- Defense and arrest tactics
- First aid, CPR and AED
- Legal updates

Other topics can include:

- Professional communications
- Crisis intervention training
- Employee wellness

Investigators, PSL's and other officers also attend specialized training in their area of focus.

Metro is fortunate to have several in-house instructors who train our staff. These instructors are required to maintain their instructor certification by attending instructor development courses and teach a certain amount of training each year. This saves the department costs by not having to pay for a considerable amount of training that would be hosted by other organizations.

Some training is hosted by outside organizations/instructors when the topic is of a highly specialized nature or is something that our instructors are not certified in.

All officers training hours and curriculum is tracked by the Wisconsin Department of Justice - Training & Standards Bureau via the Acadis software program. **In 2019 staff participated in over 2,000 hours of training.**

### Partnerships in Policing

Lt. Mark Wery being congratulated by Chief Meister after graduating from *Leadership in Police Organizations* school.

### HONOR GUARD

The Fox Valley Metro Police Department Honor Guard represents the Department upon request and at funerals and special events. These highly dedicated officers conduct themselves according to department mission and guiding principles (Compassion, Integrity, and Professionalism), striving, at all times, to bring honor to the department and the unit.

In 2019 The Fox Valley Metro Police Department Honor Guard added two new members to the team, Officer Brady Boucher and Officer Gary Schmackle. The Honor Guard team members participated in eight events during the calendar year.

- May 13, 2019 FVMPD Honor Guard members attended the Wisconsin Timber Rattlers Local Hero Night at the Fox Cities Stadium.
- On May 17, 2019, the Honor Guard presented and posted the National and State Colors for the inaugural RED Friday event at Trigger Action Sports in the Village of Kimberly. RED stands for Remember Everyone Deployed.

### *Partnerships in Policing*

- On May 20, 2019, Honor Guard members attended the funeral for Appleton Firefighter, Mitch Lundgaard, who was shot and killed in the line of duty on Wednesday May 15, 2019 at the Appleton Transit Center.
- On Saturday June 1, 2019 the FVMPD Honor Guard lead the annual CheeseFest Parade.
- On Wednesday October 16, 2019 the FVMPD honor Guard lead the Kimberly High School Home Coming Parade.
- On November 8, 2019 The FVMPD Honor Guard presented the National and State Colors at an event in the Village of Little Chute. Tundraland Home Improvements Kaukauna founded a program three years earlier called *Baths for the Brave*. The program is now present in 12 states. The program was created to give back to those who have sacrificed so much, our Veterans. They team up with nearly a dozen other home improvement companies to remodel bathrooms for Veterans who need a more safe/accessible bathing space. In 2019 the veteran they chose to help was Army veteran Richard Doering and his wife Linda of Little Chute. Linda is also a Village of Little Chute crossing guard. It was both a privilege and an honor to be a part of the event.
- On Monday December 2, 2019 the FVMPD Honor Guard marched in the 2019 Little Chute Kiwanis annual Christmas Parade.
- On Tuesday December 3, 2019 The Chief of Police and members of the FVMPD Honor Guard payed their respects to the former Commissioner of the Fox Valley Metro Police Commission, Charles Rundquist, at his funeral.

## ACTIVITY – CALLS FOR SERVICE

In 2019 the department responded to 13,410 incidents and/or calls for service. In 2018 the department responded to 12,737 incidents and/or calls for service. This is a 5.2% increase.

Below are some activity tables that show the volume of calls in each village we serve. These tables also show a multi-year comparison.

Investigator Nicholas Uebelher	Life Saving Award
Investigator Scott Van Schyndel	Meritorious Service Medal

A number after the award denotes a second/subsequent award

## PROFESSIONAL PARTNERSHIPS – VOLUNTEERS AT WORK

The Fox Valley Metro Police Department works collaboratively with other community-based agencies to serve our communities more effectively.

### Fox Cities Victim Crisis Response Team

The Fox Cities Victim Crisis Response Team is a volunteer-based organization that assists local police departments in providing the emotional support and referrals to victims of crime or those in crisis. The VCR's are called to scenes, incidents or meetings to support law enforcement in its mission of serving the public. The VCR's speak with victims or people in crisis in a confidential setting to better understand their needs. VCR's can also make referrals to other social agencies that may be better suited to serve the needs of these victims or people in crisis.

### Outagamie County Law Enforcement Chaplaincy Program

FVMPD, along with 10 other law enforcement agencies in Outagamie County are member agencies of the Outagamie County Chaplaincy Program (OCCP). The volunteer chaplains in our program are on call 24 hours a day, seven days a week. An officer can request the on-call Chaplain be dispatched to incidents where they feel a chaplain's presence could be beneficial. Additionally, the chaplains can provide support to employees and their families.

Police chaplains are a valuable resource because of their education, experience, training and their ability to understand the nature of the unique challenges faced in law enforcement. Chaplains are prohibited from proselytizing or attempting to recruit members of participating agencies or the public into a religious affiliation while on-duty, unless the receiving person has solicited spiritual guidance.

Below are some of the valuable services and duties that the chaplains provide:

- ✧ Respond to an incident scene that may include, but not be limited to death notifications, major crash scenes, major fires, a suicide or an attempt of one, family problems, child

### *Partnerships in Policing*

and/or senior abuse or neglect, public demonstrations, or assistance to victims or families of victims.

- ✧ Visit seriously ill or injured members and/or family members of participating OCCP agencies.
- ✧ Attend and participate in, when requested, funerals of active or retired members of participating OCCP agencies.
- ✧ Provide confidential counseling and spiritual guidance to members of participating OCCP agencies or victims, when requested.
- ✧ Attending various OCCP member departmental ceremonies.

Participate in various OCCP member departmental training classes.

- ✧ Participate frequently in ride-a-longs with members of participating OCCP agencies.
- ✧ Willingness to conduct training for members of participating OCCP agencies.
- ✧ Currently there are four Chaplains on the roster

In 2019 Chaplain Klaisner, one of the four inaugural Chaplains, was called to minister in a different county. Pastor Jason Steger of the Village Community Church in the Village of Kimberly was selected to fill the vacancy resulting from Chaplain Klaisner's departure. Chaplain Steger has been great addition to our Chaplaincy program.

### *Partnerships in Policing*

Chaplain Jason Steger

In 2019 the four Chaplains responded to (9) emergency callouts, performed (50) ride-a-longs with officers and deputies, attending (15) trainings at several departments, and (5) other miscellaneous activities such as quarterly meeting, department award ceremonies and the like.

### **Outagamie County CERT (Community Emergency Response Team)**

The mission statement of the CERT Rehab Team is to provide quality rehabilitation services along with a safe and secure resting area for all emergency response personnel throughout Outagamie County for extended emergency situations. The Rehab Service is defined as: "providing for the physical and personal needs of the individuals who respond to emergency situations. This includes providing food and fluid replenishment, rest for worn out emergency personnel, and emotional support."

The Rehab Service is structured to be a rapid or quick response service team for emergency situations considered to be long in duration - three hours or more - and can support multi-day events as well.

Rehab strives to provide the highest level of quality services possible to any fire, rescue, law enforcement, medical, and HAZMAT agency throughout Outagamie County. CERT-Rehab will attempt to do the following when requested:

### *Partnerships in Policing*

- ✧ Relief from climatic conditions.
- ✧ Rest and recovery.
- ✧ Active and passive cooling
- ✧ Rehydration.
- ✧ Calorie and electrolyte replacement.
- ✧ Member accountability.

In 2018 CERT responded to several incidents that Metro was involved in and provided valuable resources (Food, water, shelter, etc.) to our staff so that they could focus on their job.

### Quad Communities Crime Stoppers

Quad Communities Crime Stoppers provides rewards for information regarding crimes committed in Combined Locks, Kaukauna, Kimberly, and Little Chute.

Quad Communities Crime Stoppers consists of representatives from the communities of Combined Locks, Kaukauna, Kimberly, and Little Chute. Quad Communities Crimes Stoppers is a non-profit organization, which focuses on creating a safer community for all.

Quad Communities Crime Stoppers works directly with the School Resource Officers (SRO's) in the Kaukauna, Kimberly, and Little Chute School Districts, to ensure a safe school and community environment.

## Partnerships in Policing COMMUNITY OUTREACH

As part of our *Partnerships in Policing* philosophy we believe that being engaged with the public is vital to our success and the success of the community. Part of our mission success is based on public approval of what we are doing and how we are doing it. Two-way communication is one way that we are engaged with the community. Media releases about significant events and concerning behaviors help promote awareness.

We also have a strong social media presence. Metro's Facebook page is one of our main sources of communication with the public. We use social media to inform the public about incidents and trends and to promote events that we are hosting or participating in.

Metro also participates in several community events each year. Whether it is for public safety reasons (traffic control) or just participating because we are part of the community, Metro is happy to be involved.

*Dangers of the Internet and Social Media presentation to the community*

Officer Boucher leads the child car seat installation program.

## Special Events

Each year Metro is requested or invited to participate in several community events. We are usually there for traffic control and crowd safety, but we also may have an informational booth present. Some of those events are:

- Memorial Day Parade
- Cheesefest
- Fourth of July Parade & fireworks
- Paperfest
- Bizarre After Dark
- Holiday Parade
- Bike to the Beat
- Fox Cities Marathon
- Rock Cancer
- Pat's Run
- Walk for Autism
- Numerous school events

*Partnerships in Policing*  
Community Programs

We also host some of our own outreach events and provide the community with several other services.

FVMPD Events:

- Coffee with a Cop
- Custard with a Cop
- Cop on a Rooftop

Community Services:

- Child car seat installations and inspections
- Crime prevention presentations
- Business security surveys
- House vacation checks
- Bicycle safety programs
- LEAAP (Law Enforcement Addiction Assistance Program)

*National Night Out* community event in Sunset Park

*Join our community in supporting our troops!*

## R.E.D Friday May 17th

Join us in welcoming Fox Valley Metro, the Little Chute Fire Department, and members of the armed forces on Friday, May 17th!

Trigger Action Sports will be hosting a cookout from 11am-1pm where you can enjoy food and chat with representatives from each department.

*Partnerships in Policing*

**Twice the Fun! - Working with Two Communities**

Tuesday Teatime (and coffee) with Kimberly Staff

Chili luncheon with Little Chute Staff

## WHAT'S NEW IN 2019?

In 2019 we added a few things to improve our communications with the public and provide a higher level of services...

## **Welcome to Project Reassurance!**

Project reassurance is a program designed for seniors who live alone and disabled residents, or anyone else who may require special assistance or care who reside within the villages of Little Chute and Kimberly. This program offers the members and families of the project the reassurance that they or their loved ones are being checked on a regular basis. The residents that will be involved in the program can feel confident in knowing that their well-being will be checked during the regular weekdays. Project Reassurance means different things to each participant. For some, the program is a chance to talk with someone daily. For others, the program is reassurance in knowing that help is available if they cannot get to their phone.

Our Communities

## IN CONCLUSION...

We hope this report has provided you with some valuable information and insight as to who we are and what we do from a public safety and community collaboration standpoint.

We look forward to growing - both as individuals and as an organization. By partnering with our community, it's people and the various organizations we work with, we are confident we can help to improve the overall quality of life in the villages of Little Chute and Kimberly.
