READING AND USING THIS DOCUMENT

We hope this report provides you with some useful information about the Fox Valley Metro Police Department. While we feel this report represents an accurate and balanced depiction of our activities and services for the year 2021, it cannot be all inclusive.

In line with taking advantage of current technology, we are including in this report, links to external information sources that may provide you with more information about certain topics or areas of the department.

Throughout this document you may notice objects like the one below. These are called "QR Codes". A **Quick Response Code** is the trademark for a type of matrix barcode (or two-dimensional barcode) first designed in 1994 for the automotive industry in Japan. A barcode is a machine-readable optical label that contains information about the item to which it is attached.

Source: https://en.wikipedia.org/wiki/QR_code

By scanning these codes with your smart phone's/tablet's camera, it will take you to the web page that is related to the content of a particular page in this document. Most camera apps will do this automatically. You may have to download a separate app though – depending on your device's operating system. You can scan the code right from a video screen or from a printed copy as well.

Jason Nate (Kimberly)

Sue Brown (Kimberly)

A police commission is the civilian oversight authority of a police department. Wisconsin statute 62.13 provides for the creation of a police commission and defines their duties and powers. The commission has the authority over hiring, firing, discipline and promotions of sworn personnel within the police department. Some municipalities have a joint, police *and* fire commission. We have a separate police commission because Metro represents two villages. Each village has its own fire commission. Each village is represented with an equal number of commissioners (three).

Wis. § 62.13: <https://docs.legis.wisconsin.gov/statutes/statutes/62/1/13>

ORGANIZATIONAL CHART

WELCOME!

We strive to enhance the quality of life in the community by proactively patrolling in an effort to detect problems that can have a negative impact on the quality of life in community. By way of problem solving and community partnerships, we collaborate to identify solutions to issues that can have a negative impact on public safety.

Around 1829, Sir Robert Peel (considered the founder of modern-day, community-oriented policing) identified nine principles that he felt were critical to effective law enforcement in a community. His seventh principle states:

"Police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent on every citizen in the interests of community welfare and existence."

To us, this means that we are partners in public safety. We, as officers of the law must work collaboratively with the public in order to be effective and respected. 189 years later, this principle is still relevant and critical to successful community policing.

So, as we continue to improve our partnership with the community, please take the time to stop at one of our community programs/events and speak with us. We appreciate getting to know members of the community and letting you know a little bit more about who we are and what we do. If you can't make it to an event, feel free to call us or stop in at the police department.

Partnerships in Policing

← FVMPD Website

DEPARTMENT OVERVIEW

The FVMPD is a full-time municipal law enforcement agency that is open and staffed 24 hours a day, all year long. Only our business office closes on holidays. Patrol staff are always on duty. The primary mission of the department is to maintain law and order in the communities and respond to calls for service.

We utilize a philosophy of ***Partnerships in Policing*** in which we work collaboratively with the public and other departments to accomplish our mission.

Our guiding principles are **Compassion, Integrity and Professionalism** when working with the public and each other.

The Fox Valley Metro Police Department is a joint, multi-municipal law enforcement agency that provides municipal law enforcement services to the villages of Little Chute and Kimberly WI. It is estimated that the department serves a combined, resident population of approximately 19,000 people.

Both villages have a combined area of approximately 10 square miles. The villages also have county and state highways that pass through them. Additionally, the department is responsible for patrolling and responding to calls for service on portions of U.S. Interstate Highways 41 and 441.

The department receives close to 20,000 calls for service per year. Of that number, we respond to, investigate, and/or file reports on about 12,500 of those calls.

The department is staffed with 26, sworn personnel who have arrest/enforcement powers.

- 16 of those sworn positions are assigned to the patrol division.
- Three are assigned to the Little Chute and Kimberly School districts.
- Two are assigned as investigators (detectives).
- The remaining five are supervisory/management positions.

Additionally, the department is staffed by the following, support positions:

- Three clerical/admin. (2 full-time, one part-time)
- Three Community Service Officers (CSO's)
- 10, adult school crossing guards

The department operates and maintains a fleet of 14 vehicles.

Patrol has 12, marked vehicles – a combination of SUV's & Sedans

Administration and investigations use unmarked vehicles

The patrol vehicles average about 30,000 to 33,000 miles per year.

In May of 2021, we added a UTV (Utility Terrain Vehicle) to our fleet

The department uses over 15 different software/hardware systems for a variety of investigative, operational, and administrative functions.

We also have a strong and purposeful social media presence via our Facebook page.

2021 – GETTING BACK TO NORMAL?

2021 was a year in which we (along with most of the population) were recovering from the Covid - 19 pandemic. Staffing was affected with members on leave from the illness during various times of the year. Many of our community programs and outreach efforts were paused while the pandemic was still affecting the public's wellness. Yet, through it all, we still managed to respond to calls for service and keep our communities safe.

Calls for service saw a slight decline in 2020. This could be attributed to the pandemic. 2021 saw us getting back to about the same level of calls for service that we saw in previous years.

The U.S. Census revealed that both our villages grew in population. This has a direct impact on our operations – more specifically, the number of calls and activity that we experience in a given year. Crisis calls, mental health related calls and behavioral calls for service increased for us. Studies showed that the pandemic had had a detrimental effect on many people. Not only were people affected physically by the pandemic, but emotionally as well.

Because of this, our department focused some of our training on crisis response and de-escalation.

Other notable things for 2021 were:

- We started hosting our National Night Out event again.
- We acquired a Utility Terrain Vehicle (UTV) through a grant. The UTV was provided to us free of charge through Ken's Sports.
- We added a patrol officer position to the patrol division.
- We implemented our very first, K-9 program.

Partnerships in Policing

Metro UTV

OFFICE OF THE CHIEF

Daniel M. Meister

Chief of Police

2021 was my fourth year with the department. In those four years, we have seen some changes within the department. Our staffing has changed over the years. We have lost some employees who took the same (or similar) positions with other law enforcement agencies in the area.

We started the year with a new, two-year labor agreement with the officers' union that provided an increase in wages and incentives. Through that labor agreement, our department started to close the wage gap with other, area departments. Hopefully, this will add to our ability to keep us competitive in the area of hiring and retaining quality officers.

When I was hired as the Chief for Metro in 2018, I met with staff, village officials and community members to seek input as to ways we can improve our services. One thing that was identified as being helpful in addressing the illegal drug issues and drug overdoses in the area would be the addition of a K-9 unit for our department. Metro has never had a police dog. This became one of my priorities. In 2020, I organized a non-profit K-9 Foundation. Volunteers from both our communities joined to serve on this organization. Fundraising efforts started in late 2020. By Spring of 2021, we had reached and surpassed our initial fundraising goal of \$85,000. In summer we appointed Officer Pynenberg as the new K-9 handler and in August we got Rax – a German Shepard. Officer Pynenberg and Rax attended 10 weeks of training in New Mexico. Rax & Pynenberg were trained and certified in three areas:

- Drug detection
- Search and tracking
- Suspect apprehension

By mid-November Rax and Pynenberg started working together on patrol.

Our department, along with many others, are very excited about this new resource!

American Legion Donating to the K-9 Foundation

Officer Pynenberg and K-9 Rax at Training

ADMINISTRATION BUREAU

Kelly Vanden Heuvel

Administrative Manager

Administrative Bureau oversees the Clerical Division and Community Support Division.

CLERICAL DIVISION

The Clerical Division is staffed by two police clerks – one of whom is full-time and the other who is part-time.

The Clerical Division is responsible for the following:

- Greeting customers
- Answering phone calls
- Records management
- Records requests
- Court Services
- Uniform Crime Reporting
- Supply management
- Property Control

The Outagamie County Sheriff's Office is the primary dispatching center for our department. However, our police clerks answer roughly 7,000 phone calls per year. They range from routine, informational requests to non-emergency calls for service to emergency situations. The majority of calls for service that require an officer to respond would most likely be transferred to the Outagamie County Sheriff's dispatch center.

Our department also receives about 400 to 500 records requests each year. These range from simple requests for copies of official reports to request for copies of digital media such as audio recordings and video footage.

Police Clerk Diedrick, Admin. Manager Vanden Heuvel & Police Clerk Vanden Heuvel.

COMMUNITY SUPPORT DIVISION

The Community Support Division (CSD) is jointly managed by the Captain and Administrative Manager. The CSD manages community events, code compliance issues and the adult school crossing guards for the Little Chute and Kimberly School Districts.

Crossing Guard Recognition Week – January 2021

Jeremy Slotke

Captain of Police

OPERATIONS BUREAU

The Operations Bureau consists of three divisions:

- Patrol Division
- Patrol Support Division
- Training & Development Division

Patrol Division

The Patrol Division is the backbone of the police department. Patrol officers respond to calls for service and proactively patrol the community to detect and deter problems. The Patrol Division is led by three Police Lieutenants who each command a shift of patrol officers. In addition to their basic patrol duties, each lieutenant and patrol officer are also tasked with other, ancillary duties. Some of those duties are:

- Training instructors
- Social media group
- Vehicle maintenance
- Community outreach
- Animal control
- Honor Guard Team
- Code compliance
- Nuisance abatement
- Child car seat installation
- Bicycle patrol
- New officer field training
- Awards review committee

PATROL — DAY SHIFT

The 2021 Fox Valley Metro Police Department Day Shift consisted of four patrol officers and one patrol lieutenant.

Lieutenant Mark Ulman

As a team, the day shift focuses on quality-of-life concerns and working with citizens to make the community safer.

Day shift officers often routinely work in conjunction with the Department's Investigations Unit. They assist with the abatement process, the service of search warrants, and complex investigations.

Additionally, the day shift officers direct their efforts toward numerous community oriented and crime prevention efforts:

- ❖ Performing physical security checks on businesses in the industrial parks and downtown
- ❖ Being present at local banks and credit unions when employees are arriving to open
- ❖ Performing physical security checks on the homes of residents who were on vacation
- ❖ Performing additional patrols in specific locations based on extra patrol requests from citizens
- ❖ Performing foot patrols in parks, the YMCA, and locations where children are known to congregate
- ❖ Being visible and performing traffic enforcement in school zones

Members of the day shift also serve roles as Outagamie County Multijurisdictional Emergency Response Team (ERT) members, Field Training Officers, and Honor Guard members, Certified Child Safety Seat Installers, Vehicle Maintenance Coordinator, Bicycle Patrol Officers, Radar Instructor, and Electronic Citation and Crash Report System Administrator.

PATROL — AFTERNOON SHIFT

The 2021 Fox Valley Metro Police Department Afternoon Shift consisted of six Patrol Officers and one Patrol Lieutenant.

Lieutenant Mark Wery

The afternoon shift is one of the busiest shifts at the Fox Valley Metro Police Department, responding to over 3,700 calls for services through 2021. We strive to provide a high quality of life for residents in both of our communities, providing after-school traffic enforcement and a presence in village parks and community areas.

The afternoon shift also had a visible presence at several special events within the villages. Officers conducted traffic control and provided a safe and secure environment for the public.

PATROL — NIGHT SHIFT

The 2021 Fox Valley Metro Police Department Night Shift consisted of five patrol officers and one patrol lieutenant.

Lieutenant Edmund Slinde

The Night Shift Officers focused on the following areas:

- ❖ Licensed establishment checks - Investigating drug related offenses/residences
- ❖ Visibility in the bars as a crime prevention method
- ❖ Address ordinance/alcohol related violations and probation/parole violations
- ❖ Investigate suspicious people or situations - Traffic enforcement
- ❖ OWI enforcement - Parks patrol - Ordinance violations (In park after hours, parking, etc.)
- ❖ Community policing and problem oriented policing efforts, including foot patrols at area hotels and businesses - Building security checks- identifying security concerns at both residential and commercial properties (open doors, poor lighting, etc.)

Members of the night shift work closely with the department's investigations unit. Members of the night shift serve additional specialized roles such as Emergency Response Team Members, Field Training Officers, Unified Tactics Instructors, Honor Guard members, Bicycle Patrol members and Drug Recognition Expert.

.....

Partnerships in Policing

PATROL SUPPORT DIVISION

The Patrol Support Division (PSD) exists to support the function of the Patrol Division. The PSD is comprised of three sections – The Investigations Section, the School Resources Section and the Community Service Officers. The PSD is directly supervised by the Captain.

INVESTIGATIONS SECTION

The Investigations Section assists patrol by investigating some of the more complex crimes and incidents. An investigator may respond to an incident to assist patrol with some of the following duties:

- Crime scene management
- Crime scene processing
- Evidence collection
- Scene documentation and photography
- Victim, witness and suspect interviews
- Forensic analysis
- Search warrant preparation and execution
- Subpoena requests

The Investigations Section also can examine and download digital information from various electronic devices. The Investigations Section also participates in the Wisconsin Department of Justice ICAC (Internet Crimes Against Children) Program to reduce online child/sexual predators.

Some of the cases that were investigated in 2021 include residential and business burglaries, sexual assaults, physical assaults, major thefts, and several death investigations that included suicides and overdoses.

Officer Stahmann continues to work within the Investigations Unit in multiple Internet Crimes Against Children cases. The Fox Valley Metro Police Department holds the safety of our citizens paramount, especially children. By conducting these types of investigations, we hope to make the world a safer place for our kids.

Scan to go to the ICAC website

SCHOOL RESOURCES SECTION

The School Resources Section (SRS) is comprised of the Police School Liaison Officers (PSL's). The PSL's work within the schools to establish positive relationships with school staff and students. The PSL's investigate crimes that may have occurred within the schools or involve students or staff members. They also work with patrol on any status offenses that involve juveniles.

Metro currently has three officers assigned as PSL's. One is assigned to work with the Little Chute School District and two are assigned to work with the Kimberly School District. The number of PSL's and their assignments are determined by a formal agreement that Metro has with each school district. In addition to the work performed in the public schools, these officers also work with the parochial schools on an as-needed basis.

A PSL is normally assigned to a school for a three to five-year period and then rotates back out into the patrol division.

The PSL's are more than just a police officer in a school. They participate in many curricular activities and form lasting bonds with students that often carry into their adult lives.

Some of the job responsibilities of the Fox Valley Metro Police Department PSL officers include:

- Promote prevention through education and communication
- Classroom presentations (bicycle safety, Halloween Safety, Bullying/Harassment etc.)
- Constitutional Law Education
- Drugs and alcohol enforcement
- Educating students on law enforcement's role in the community

The primary goal of the Fox Valley Metro Police Department PSL program is to foster positive relationships with the students and their families. By forming these relationships, the PSL officer builds trust and credibility, which allows them to work closely with students and their families to help solve issues and concerns. This helps students to see the PSL officer as more approachable and someone who strives for their well-being. Students are more comfortable coming to the PSL officer and reporting illegal activity and things that make them feel unsafe. This makes the school environment safer for all.

PSL's Nett (Little Chute Schools), Dissen and Stahmann (Kimberly Schools)

COMMUNITY SERVICE OFFICERS

The community Service Officers (CSO's) are non-sworn staff that assist the patrol officers with certain types of calls for service. They do not have arrest powers, are not armed, but they do have authority under village ordinances to enforce certain village ordinance violations.

2021 was the second year for this new program. We were able to expand on the success of this program by adding another, part-time position.

Having CSO's respond to certain calls allows the sworn, patrol officers to focus on some of the more exigent calls and incidents.

TRAINING AND DEVELOPMENT DIVISION

The Training and Development Division (TDD) is responsible for providing formal training and professional development curriculum to all Metro staff members. The TDD is comprised of a variety of staff members who have various instructor and teaching qualifications.

By state law, all sworn law enforcement officers must undergo a minimum number of training hours per year to maintain their Wisconsin law enforcement certification. Metro goes above and beyond this minimum requirement to ensure that our staff is well prepared to meet current challenges in our profession. Some of the training we undergo is mandatory and others is selected based on current social trends, department needs and individual needs. Some of the basic training topics include:

- Firearms proficiency and yearly qualification
- Emergency vehicle operations
- Defense and arrest tactics
- First aid, CPR and AED
- Legal updates

Other topics can include:

- Professional communications
- Crisis intervention training
- Employee wellness

Investigators, PSL's and other officers also attend specialized training in their area of focus.

Metro is fortunate to have several in-house instructors who train our staff. These instructors are required to maintain their instructor certification by attending instructor development courses and teach a certain amount of training each year. This saves the department costs by not having to pay for a considerable amount of training that would be hosted by other organizations.

Some training is hosted by outside organizations/instructors when the topic is of a highly specialized nature or is something that our instructors are not certified in.

All officers training hours and curriculum is tracked by the Wisconsin Department of Justice - Training & Standards Bureau via the Acadis software program.

HONOR GUARD UNIT

The Fox Valley Metro Police Department Honor Guard represents the Department upon request and at law enforcement funerals and special events within the community. These highly dedicated officers conduct themselves according to department mission and guiding principles (Compassion, Integrity, and Professionalism), striving, at all times, to bring honor to the department and the unit.

ACTIVITY – CALLS FOR SERVICE

In 2021 the department responded to 12,477 incidents and/or calls for service. In 2020 the department responded to 11,901 incidents and/or calls for service. This is a 4.8% increase.

Below are some activity tables that show the volume of calls in each village we serve. These tables also show a multi-year comparison. **NOTE: Calls with an alpha response code (i.e. A-Adam) indicate the response priority. The response priority is lowest to highest with A being low and D being high priority.**

In late 2020/early 2021, the department proactively reviewed and updated its use-of-force policy to reflect items that were going to be mandated by state law in 2021. Some of those items were:

- Prohibiting the use of choke holds or neck compressions unless it would be authorized under a deadly force situation.
- Mandatory reporting by department members when they are aware that another member has used excessive or unauthorized force on another person.
- Emphasis on the protection of life.

Here is a link and QR code to our use-of-force policy on our website:

<http://www.fvmpd.org/666/Policy>

DEPARTMENT AWARDS -2021

- Officer Michael Gostisha received the *Officer of the Year* award for 2021.
- Life Saving Award: Officers Reinke, Lyons, Pynenberg, Maulick, Serres & Coonen
- Meritorious Service Award: Officer Oster
- Chief's Commendation: Officer Stahmann
- Humanitarian Award: Lieutenant Ulman.

Drug Overdose Response and Prevention

Suspected overdoses of dangerous drugs continue to jeopardize the lives of people in our communities. More specifically, Opioid overdoses have caused many, tragic deaths in our communities. Our department started equipping officers with Narcan (Naloxone) in 2015 to reduce the likelihood of overdose related deaths. Naloxone belongs to a class of drugs known as opioid antagonists. It works by blocking the effects of the opioid in the brain.

Four years ago, Metro had a medication disposal box installed in our lobby. The box was free – courtesy of a grant from CVS Pharmacy. In 2021 we collected 208lbs of unwanted medications. This medication disposal box is a way for the community to safely dispose of unwanted medications that might otherwise be stolen, abused, or be used in an overdose.

PROFESSIONAL PARTNERSHIPS – VOLUNTEERS AT WORK

The Fox Valley Metro Police Department works collaboratively with other community-based agencies to serve our communities more effectively.

Fox Cities Victim Crisis Response Team

The Fox Cities Victim Crisis Response Team (VCR) is a volunteer-based organization that assists local police departments in providing the emotional support and referrals to victims of crime or those in crisis.

The VCR's are called to scenes, incidents or meetings to support law enforcement in its mission of serving the public. The VCR's speak with victims or people in crisis in a confidential setting to better understand their needs. VCR's can also make referrals to other social agencies that may be better suited to serve the needs of these victims or people in crisis.

Outagamie County Law Enforcement Chaplaincy Program

FVMPD, along with 10 other law enforcement agencies in Outagamie County are member agencies of the Outagamie County Chaplaincy Program (OCCP). The volunteer chaplains in our program are on call 24 hours a day, seven days a week. An officer can request the on-call Chaplain be dispatched to incidents where they feel a chaplain's presence could be beneficial. Additionally, the chaplains can provide support to employees and their families.

Police chaplains are a valuable resource because of their education, experience, training and their ability to understand the nature of the unique challenges faced in law enforcement. Chaplains are prohibited from proselytizing or attempting to recruit members of participating agencies or the public into a religious affiliation while on-duty, unless the receiving person has solicited spiritual guidance.

Below are some of the valuable services and duties that the chaplains provide:

- ❖ Respond to an incident scene that may include, but not be limited to death notifications, major crash scenes, major fires, a suicide or an attempt of one, family problems, child

Partnerships in Policing

and/or senior abuse or neglect, public demonstrations, or assistance to victims or families of victims.

- ❖ Visit seriously ill or injured members and/or family members of participating OCCP agencies.
- ❖ Attend and participate in, when requested, funerals of active or retired members of participating OCCP agencies.
- ❖ Provide confidential counseling and spiritual guidance to members of participating OCCP agencies or victims, when requested.
- ❖ Attending various OCCP member departmental ceremonies.

Participate in various OCCP member departmental training classes.

- ❖ Participate frequently in ride-a-longs with members of participating OCCP agencies.
- ❖ Willingness to conduct training for members of participating OCCP agencies.
- ❖ Currently there are four Chaplains on the roster

Chaplain Jason Steger (Metro liaison)

Outagamie County CERT (Community Emergency Response Team)

The mission statement of the CERT Rehab Team is to provide quality rehabilitation services along with a safe and secure resting area for all emergency response personnel throughout Outagamie County for extended emergency situations. The Rehab Service is defined as: "providing for the physical and personal needs of the individuals who respond to emergency situations. This includes providing food and fluid replenishment, rest for worn out emergency personnel, and emotional support."

The Rehab Service is structured to be a rapid or quick response service team for emergency situations considered to be long in duration - three hours or more - and can support multi-day events as well.

Rehab strives to provide the highest level of quality services possible to any fire, rescue, law enforcement, medical, and HAZMAT agency throughout Outagamie County. CERT-Rehab will attempt to do the following when requested:

- ✧ Relief from climatic conditions.
- ✧ Rest and recovery.
- ✧ Active and passive cooling
- ✧ Rehydration.
- ✧ Calorie and electrolyte replacement.
- ✧ Member accountability.

Quad Communities Crime Stoppers

Quad Communities Crime Stoppers provides rewards for information regarding crimes committed in Combined Locks, Kaukauna, Kimberly, and Little Chute.

Quad Communities Crime Stoppers consists of representatives from the communities of Combined Locks, Kaukauna, Kimberly, and Little Chute. Quad Communities Crimes Stoppers is a non-profit organization, which focuses on creating a safer community for all.

Quad Communities Crime Stoppers works directly with the School Resource Officers (SRO's) in the Kaukauna, Kimberly, and Little Chute School Districts, to ensure a safe school and community environment.

Call (920) 788-9090

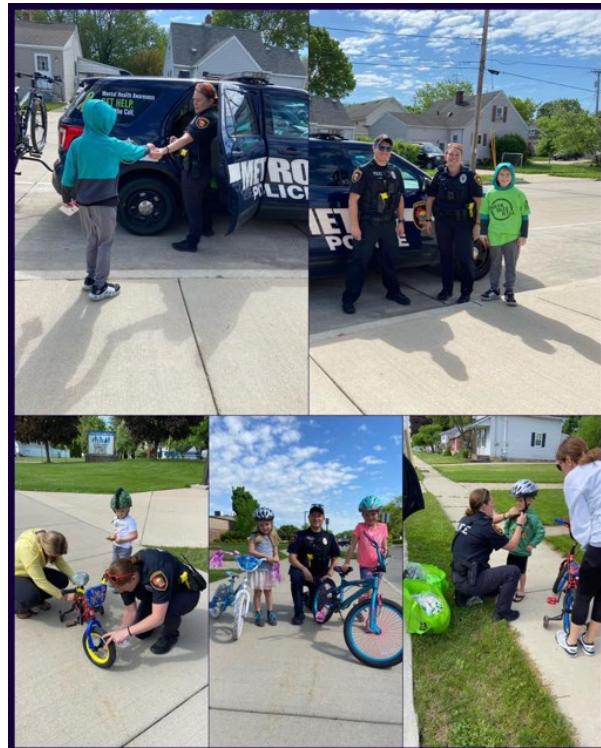

As part of our *Partnerships in Policing* philosophy we believe that being engaged with the public is vital to our success and the success of the community. Part of our mission success is based on

public approval of what we are doing and how we are doing it. Two-way communication is one way that we are engaged with the community. Media releases about significant events and concerning behaviors help promote awareness.

We also have a strong social media presence. Metro's Facebook page is one of our main sources of communication with the public. We use social media to inform the public about incidents and trends and to promote events that we are hosting or participating in.

Metro also participates in several community events each year. Whether it is for public safety reasons (traffic control) or just participating because we are part of the community, Metro is happy to be involved.

Partnerships in Policing

Special Events

Each year Metro is requested or invited to participate in several community events. We are usually there for traffic control and crowd safety, but we also may have an informational booth present.

The Covid pandemic put a halt to many of the community events in 2020. However, in 2021, many of these community events were back on.

Typically, we are involved in the following community events...

- Memorial Day Parade
- Cheesefest
- Fourth of July Parade & fireworks
- Paperfest
- Holiday Parade
- Bike to the Beat
- Fox Cities Marathon
- Rock Cancer
- Walk for Autism
- Numerous school events

FVMPD also hosts or participates in the following events:

- Coffee with a Cop
- Cop on a Rooftop
- Shop with a Cop

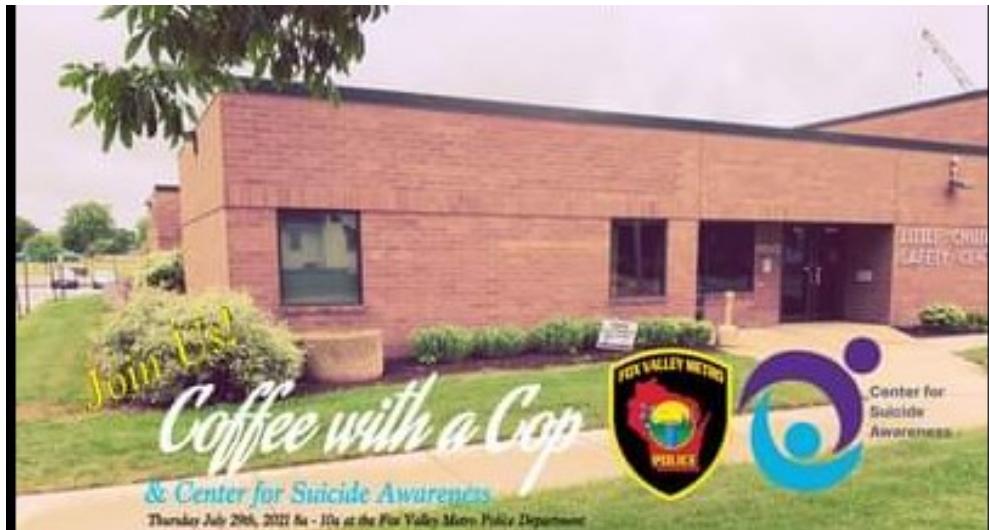

Community Service programs that we offer:

- Child car seat installations and inspections
- Crime prevention presentations
- Business security surveys

POLICE — COMMUNITY PARTNERSHIPS

Coffee with a Cop Event

Partnerships in Policing
IN CONCLUSION...

We hope this report has provided you with some valuable information and insight as to who we are and what we do from a public safety and community collaboration standpoint.

We look forward to growing and improving - both as individuals and as an organization. By partnering with our communities and the people we serve, we are confident we can help to improve the overall quality of life in the villages of Little Chute and Kimberly.
