WINTER 2025 NEWSLETTER

GREETINGS FROM OUR VILLAGE PRESIDENT, MICHAEL VANDEN BERG

Another year is about to go into the books. As always it was a very busy year with many projects. Your sleepy little village has a lot going on! As the WisDOT I-41 project continues to make significant progress, you can expect disruption to your normal travel patterns over the next several years. All of Little Chute's ramps have been completed as of the end of this year, and we will continue to see improvements to the lane system next. Your patience and understanding are appreciated.

We are almost ready to begin construction of our new fire station! The design phase is complete, and we patiently wait for bids to come in by December 9th. We want to recognize the hard work and commitment our volunteer firefighters continue to do for our community. The location of the new facility will be on the corner of Hans Parkway and Depot Street, and it has a new address of 1105 Depot Street. The process for planning for the new facility has been going on for several years. The design phase was critical because this a once in lifetime project—getting it right is important so the facility will serve the community for many future generations. Our new station will be something this community can be proud of and fit the theme of our existing facilities.

It is also important to recognize the news of Kimberly separating from the Fox Valley Metropolitan Police Department. Included in the 2026 annual budget is an approval from both Boards to continue funding operations through 2026 as we navigate the future of policing in our community.

Our Board is committed to ensuring public safety a top priority for our residents and businesses.

The Village Board is extremely grateful of our Police Department's professionalism and commitment to our community through this difficult time of transition.

The Board passed our budget for 2026 on November 5th. In comparison to 2025, the Village Equalized Tax Rate went from \$5.02 to \$4.56 and Assessed Tax Rate from \$6.76 to \$4.66. The Village of Little Chute taxes on an average home (\$200k equalized or FMV) went from \$1,004 to \$912. On behalf of the board, I would like to thank the Finance Department and everyone at the Village who contributed to the annual budget process. Our municipal budget is a huge task that involves most everyone. Finance has processes in place that make things go relatively smoothly. Of course, we will soon embark on the 2027 budget.

Finally, I want to thank our Village staff for another great year of operations. The fact that Little Chute has a workforce dedicated to our community and with much knowledge and skills, is a blessing the board appreciates daily. Little Chute has much to be thankful for and proud of. Thank you! I sincerely wish everyone a Merry Christmas and Happy New Year. I hope you have an opportunity to connect or reconnect with family and friends.

~ President Vanden Berg

FROM OUR LEADERS

2025 MESSAGE FROM BEAU BERNHOFT, VILLAGE ADMINISTRATOR LOOKING AHEAD TO 2026

Our team is gearing up for 2026 and ready for the roadmap ahead! We're excited to complete many ongoing projects and continue making meaningful improvements throughout our community. From the updated water rate study and continued development growth to infrastructure upgrades and the construction of a new fire station, we have many important initiatives underway as a municipality.

This year brought several changes to our municipal leadership team, and we are pleased to welcome new talent to Little Chute. The Village has hired Robert Givens as our new Public Works Director, Todd Verboomen as Operations Manager in Public Works, Nicole Ryerson as our new Village Clerk, Karen Schuh as Program Supervisor, Phil Garncarz as Utility Clerk, and Cheryl Peotter as Payroll Clerk. We are grateful to bring in such experienced professionals and look forward to the great work we'll accomplish together in service to our residents.

As part of our ongoing commitment to enhancing the quality of life in Little Chute, we are looking forward to a full year of fun at the new Splash Pad at Van Lieshout Park. Families were able to enjoy it at the end of this past summer, and feedback was overwhelmingly positive.

We are also continuing the expansion of our trail system, extending west from Creekview Park toward the Apple Creek Trail Network. The final phase of construction will begin in 2026 and is expected to open by summer. This expanded connectivity will allow Little Chute users seamless access to Appleton's existing trail system and serve as a key link within the broader county network.

The Village has been working diligently on the design and construction of a new facility for our 47 volunteer firefighters. In 2024, we acquired land at the southwest corner of Hans Parkway and Depot Street for an approximately 18,000-square-foot fire station. Our Fire Department is collaborating with Short Elliot Hendrickson (SEH) and Miron Construction on design and bidding throughout 2025. As we are near the end of 2025, bids will be received, with construction planned for 2026. We are eager to break ground and look forward to providing our dedicated volunteers with a modern, functional new home.

The Village is also researching and developing pedestrian improvements to enhance safety in busy areas of our community. The 2026 budget includes funding for crossing enhancements, with locations to be determined. Our initial focus will be on pedestrian crossings near schools and in high-traffic areas. Through our recently completed Safe Routes to School Assessment, we have identified several locations that would benefit from upgrades. We will continue to plan, prioritize, and share updates as these improvements move forward.

LOTTERY CREDIT FOR PROPERTY TAXES

Residential property owners are eligible for a lottery credit if they meet the following criteria:

- **Property must be your primary residence**
- **Residency established as of January 1 of the current year**

If you continue to reside in the same owner-occupied residence, and have received the lottery credit previously on your property tax bill, you do not need to take any action.

Those who purchased or built a new home in 2024 and occupied it by January 1, 2025 are responsible to use the Lottery and Gaming Credit Online Application Portal located on the Wisconsin Department of Revenue Website: <https://www.revenue.wi.gov/Pages/Form/lottery-home.aspx> to apply for or remove a lottery gaming credit. File and submit your application online without the added step of printing, mailing, or emailing.

FIRST DOLLAR CREDIT FOR PROPERTY TAXES

First dollar credit applies to all property (residential, commercial, manufacturing) that has an improvement value printed on the tax bill. The legislation excludes mobile homes and leased property from the distribution. The first dollar credit is evenly applied to both installment payments unlike the lottery credit that is applied only to the first installment.

DOG LICENSING

Dog licenses can be purchased at the Village Hall Finance Department. Per Ordinance, all dogs five months or older must be licensed. Please bring the following copies with you: Rabies vaccination records and proof of spayed/neutering.

The fees are \$7.00 (\$12.00 after March 31st) for spayed/neutered and \$12.00 (\$17.00 after March 31st) for in tact.

Christmas Tree Disposal

DO NOT NEED TO CALL IN FOR PICKUP OF CHRISTMAS TREES!

Please place your tree curbside once all lights, ornaments, garland, and tinsel has been removed. Trees should not be wrapped with tree bags. Mobile home residents should also put out their tree to the street within their mobile home park. Starting in January the village forestry crew will be scheduled as deemed necessary for Christmas tree pickup with the chipper. FIRE DEPARTMENT

Winter Safety Reminder: Keep Fire Hydrants Clear

As winter settles into the Village of Little Chute, we are asking residents to help keep our community safe by clearing snow and ice away from your neighborhoods fire hydrants. In an emergency, every second matters. Ensuring that hydrants are visible and accessible allows firefighters to act quickly when help is needed most.

Please maintain **at least 4 feet of clearance in all directions around your hydrant**. This includes clearing a path from the street to the hydrant so firefighters can reach it without delay. Your efforts play an important role in protecting your neighborhood and supporting the safety of the entire community.
