ABSENTEE VOTING

Interested in Absentee Voting? You have options, choose what works best for you. You don't need a reason to be an absentee voter. Every Registered Wisconsin voter has the ability to request an absentee ballot. You may request an absentee ballot be mailed to you or stop by the Clerk's Office to vote an in-person absentee ballot. Read on for more information and instructions.

ABSENTEE VOTING BY MAIL

For regular voters an Absentee Ballot request is good for one calendar year. You can also choose which election(s) you'd like to receive an Absentee Ballot, we can even mail them to other addresses for anyone traveling or away for school or work. Your Absentee Ballot will be mailed to you with a return envelope complete with postage and instructions. Just follow the steps below to vote absentee by mail!

STEP 1: REQUEST AN ABSENTEE BALLOT

Online: The fastest and simplest way to request visit MyVote.wi.gov. You will be asked to enter your name, birth date and verify your voter information. Select the election(s) you would like to vote absentee. Voters who are required to provide a photo ID should attach a copy of their photo ID to the request. This can be a photo taken with your smart phone or tablet of your ID. A "selfie" is NOT considered acceptable photo ID. Request must generally be made by 5:00 p.m. on the Thursday before the election.

Request by Mail: Complete the Application for Absentee Ballot and mail to Clerk's Office at 108 W. Main Street, Little Chute, WI 54140. In order for an absentee ballot to be mailed to you, the application must be received in the Clerk's office no later than 5:00 p.m. on the Thursday before the election. Photo ID is required. The last day the Clerk's office is allowed by State Law to mail a ballot is the Thursday preceding the Election.

Request in person: Stop by the Clerk's Office at 108 W. Main Street, Little Chute, WI 54140. Monday - Friday, 8 a.m. - 4:30 p.m. to request an absentee ballot be mailed to you. You will need to fill out a short form and have a photo ID to make this request.

STEP 2: FILL OUT YOUR ABSENTEE BALLOT

Before you begin, line up a witness who can verify that you filled out your own ballot. Choose an adult U.S. citizen who is not a candidate in the upcoming election. Next, fill out your ballot carefully. **Absentee ballots will come with instructions, please refer to this sheet with questions.** Once your ballot is complete, place it in the certified envelope, postage is included. Then seal and sign the certificate envelope, and make sure your witness adds their address and signature, too.

REGISTRATION

HOW TO REGISTER

Registration is required to vote in Wisconsin. There are four ways to register to vote in Little Chute.

Online. Up to 20 days before the election. Voters who have a valid State of Wisconsin Driver License or State of Wisconsin ID card issued by the Wisconsin Department of Motor Vehicles (DMV) can register to vote online at myvote.wi.gov. To register online, enter your name, date of birth, Driver License, or ID number, and an address that matches what is on file with the Wisconsin DMV. If all of the fields match, you will be able to register to vote completely online. Voters who are not able to match their information with the information in the DMV database will be given the option to register by mail (see below).

By mail. Up to 20 days before the election. Registration forms should be mailed to your municipal clerk. You can start your voter registration form online at myvote.wi.gov. Your form must be printed, signed, and mailed or delivered, to your municipal clerk. If you are registering by mail, you can use any of the forms of Proof of residence except a residential lease.

In the municipal clerk's office. You may register in-person in your municipal clerk's office, 108 W Main Street, up until the Friday before the election at 5:00 p.m.

At the polling place on Election Day. You may register at the polls on Election Day.

You must always provide a Proof of Residence document when registering to vote.

WHAT YOU NEED TO BRING

Driver License or ID card

If you have been issued a State of Wisconsin Driver License or ID card that is current and valid, you must provide the number and expiration date. If your WI driver license is canceled or expired; or your WI DOT-issued ID is expired, provide the number and the last 4 digits of your Social Security number. If you have not been issued a WI driver license or WI DOT-issued ID, you must provide the last 4 digits of your Social Security number. If you have none of these documents, you will be able to indicate that fact.

Proof of Residence

You must provide a Proof of Residence Document when registering to vote in Wisconsin. A Proof of Residence Document is a document that proves where you live in Wisconsin. Please see the Proof of Residence list for acceptable documents.

KEEP IN MIND

Photo ID is never required when registering to vote. However, a Proof of Residence document is always needed when registering to vote in Wisconsin.

Voters must reside at their address for at least 28 days by Election Day in order to register to vote.

Voters who have moved within Wisconsin less than 28 days before the election must vote from their previous address, either by absentee ballot or at the polling place. Voters who have moved to Wisconsin from another state less than 28 days before an election are only eligible to vote in Presidential elections.

You cannot register the Saturday, Sunday, or Monday before an election, but you **can register at the polling place - Village Hall, on Election Day.**

PROOF OF RESIDENCE

All voters MUST provide a Proof of Residence Document when registering. If you register to vote by mail, in-person in your clerk's office, or at your polling place on Election Day, you need to provide a Proof of Residence document. If you register on myvote.wi.gov, your valid State of Wisconsin driver license or State of Wisconsin ID card issued by the Wisconsin Department of Motor Vehicles (DMV) qualifies as a valid Proof of Residence document.

If you are an active military voter, or a permanent overseas voter (with no intent to return to the U.S.) you do not need to provide a Proof of Residence document.

PROOF OF RESIDENCE AND PHOTO ID ARE TWO SEPARATE PROCESSES.

A Proof of Residence document is a document that proves where you live in Wisconsin and is only used when registering to vote

Photo ID is separate, you only show photo ID to prove who you are when you request an absentee ballot or a ballot at your polling place

PROOF OF RESIDENCE

ACCEPTABLE PROOF OF RESIDENCE

- Any other official identification card or license issued by a Wisconsin governmental body or unit

JUNK MAIL

BEWARE OF JUNK MAIL AND SCAMS

Political and independent groups may legally send out voter registration forms and absentee ballot request forms to encourage voting. However, it is advised that voters examine these mailers carefully before relying on them, especially the instructions on where to send registration forms or applications.

Past third-party mailings have had problems with voters being given the wrong clerk's office or address, incorrect prefilled information and confusing instructions.

These mailing are from private, third-party groups, not affiliated with election officials or the Clerk's Office. Wisconsin law does not prohibit a private organization or party from sending out a request form. Election officials do not have any oversight authority over third-party mailings.

Receiving a mailing from a third party with incorrect information doesn't mean the voter's

information on file with the Clerk's Office is incorrect. Voters can check to ensure their voter registration is up to date and check the status of an absentee ballot at myvote.wi.gov

Only a voter can request an absentee ballot for him or herself unless the voter has a disability and requires authorized assistance with the act of requesting the absentee ballot. If someone other than the voter or a lawful assistor requests an absentee ballot, they could be referred to a district attorney for prosecution.

The information on the form (name and address) is not personally identifiable information protected by law. In other words, the information is public and available for third-party groups to request.

Please use caution when providing personal information to third party mailers. The Clerk's office will never send generic mailers or requests for information.

BADGER BOOKS

In the Clerk's office we are always looking for ways to improve the Election experience and have successfully been using Badger Books since 2023. Not familiar with Badger Books?

WHAT IS A BADGER BOOK?

The Badger Book is an e-poll book. What does that mean?

"e" stands for electronic "book" stands for poll book

A Badger Book is a:

- Poll book
- Absentee ballot log
- Digital voter registration form

WHAT CAN BADGER BOOKS DO FOR YOU?

- Quicker voter check-ins and registrations
- Process absentees in a snap
- Improve polling place flow
- No more splitting poll books
- Reduce poll worker mistakes
- Improve data quality
- Consolidate polling places
- Require fewer election inspectors
- Streamline post-election data entry and reconciliation
- Voters will be able to view their participation sooner in MyVote.wi.gov

ELECTION DAY!

Prior to Election Day, the poll book for our entire municipality is loaded onto the Badger Book. Badger Books complete three primary tasks on Election Day:

- Checking in voters
- Election Day Registrations
- Processing absentee ballots

After Election Day, participation data is taken from the Badger Book and uploaded into WisVote. This includes in-person participation, absentee participation, and information from Election Day Registrations.

ARE BADGER BOOKS SAFE?

There are multiple layers of security to protect the system and voter information:

- **BADGER BOOKS ARE NEVER CONNECTED TO THE INTERNET.**
- The data loaded onto Badger Books comes from WisVote, the secure statewide voter registration system registration system.
- Each Badger Book is password protected and each poll worker has their own user credentials to log in to the application.
- Voter and participation data is encrypted and secure.
- Badger Books communicate via a wireless router, but only within the polling place.
- Like a paper poll book, only the data necessary to run an election is included, so no Personally Identifiable Information (PII) is accessible.

Badger Books were used in Little Chute for 2023 and 2024 Spring Elections and were a huge success.

PROGRAM OVERVIEW

In 2017, Wisconsin Elections Commission (WEC) staff developed an electronic poll book system to be used in polling places in Wisconsin on Election Day.

Enabled by Wis. Stat. § 6.79(1m), the Badger Book is the only electronic poll book authorized for use in Wisconsin elections.

Within each polling place, Badger Books are connected securely to communicate to each other, but do not connect to the Internet or any other network outside the polling place.

After municipalities purchase the hardware, access to the free Badger Book application and support from WEC will be provided.

While Badger Books will improve the way municipalities administer elections, they are not mandatory and participation is optional.

If you have any questions about the Badger Book program or would like to learn more, please contact the Wisconsin Elections Commission at: (608) 261-2028 or epollbook@wi.gov
